JOYOUS EASTER SUNDAY.

The Glorious and Joyous Spirit of the Day Sounded in Poetic Thoughts by Col. John McComb.

The joyous spirit of the Easter tide is the theme today of a fitting poem by Colonel John McComb. The colonel's pen illumines the theme with a brightness that symbols the glory of the great festival, and he happily conveys the lessons that the teaches. The poem, with its brightlypainted pictures follows:

At Trinity, in the morning at 10.30, there was the morning prayer and the ommunion services as far as the consecration. Rev. R. A. Sawyer offictited. Two funeral marches were played

by Organist Llewellyn Jones. From 2 until 3 o'clock the holy hour was observed. Rev. F. S. Ballentine, of Scranton, was in charge. During this service the tolling of the bell plied, but with no success. His stom-

Surprising Results.

A Simple Internal Remedy Makes Remarkable Cures of Catarrh.

People who have used sprays, in halers, salves and washes for catarrh and have found how useless and inconvenient they are, will be agreeably surprised at results following the use of a pleasant internal remedy in form: druggists everywhere admit that

Nearly all cheap cough mixtures and throat lozenges contain opiates; these cheap medicines give a temporary relief, especially with little children, by destroying nerve sensation; the irritation in throat, which causes coughing s temporarily removed, not by removing the cause, but by deadening the perves of feeling the irritation is not felt although it is still there there and will promptly return.

Stuart's Catarrh Tablets is the best emedy to remove catarrhal secretion. whether in the nose, throat or stomach, because they are composed of wholecome antiseptics, Blood root, Red gum from Eucalyptus tree, etc., when you use these tablets you know what you are putting into your system and not taking chances with cocaine, opiates or similar poisons found in so many catarrh cures and cough medicines.

Dr. Ramsdell, in commenting on catarrh cures, says: "I can heartily recommend Stuart's Catarrh Tablets, because they contain no cocaine nor other dangerous drug found in so many advertised catarrh cures. I have known of many cases of long standing catarrh of the head and throat completely cured by the daily use of these tablets for several weeks. One case, in particular, which I could not reach with an inhaler or spray, and where the catarrh caused daily headaches and a noticeable loss of hearing, was entirely cured by this harmless but effective remedy.

Dr. Wainwright says: "I never hesitate to prescribe Stuart's Catarrh Tablets for catarrhal headaches and catarrhal deafness, because I know them to be perefectly safe for child or adult and have seen many remarkable cures resulting from their regular daily use; because they are advertised and sold in drug stores is no reason why any good physician should not use them, because we should seize upon the means of cure wherever found."

STEVE GILBY ON WARPATH.

Pulls Revolver on Alderman Delavan and George Norris.

Constable Steve Gilby is ending his career in office in characteristic style. For weeks Steve has been on a spree. Thursday night he came to the office of Alderman Delayan in a drunken condition and heaped a storm of abuse upon him, the magistrate says. The alderman quickly ordered the belligerent constable out and showed him the way to the street. This enraged the officer who pulled a revolver, and pointing it at the alderman, accompanied his action with threats to create some fireworks. Gilby did no danger, however, and on withdrawing, reeled across the street to the store of George Norris. There he repeated his reckless conduct flourishing and pointing the revolver amid more threats.

Last night Steve was before Alderman Delayan on five charges brought by Mr. Norris. These were drunk and swearing and blasphemy assault and battery, carrying fire-arms and pointing a pistol. He was held in \$100 bail on each of the charges of assault and battery, carrying firearms harges he was fined \$10. The constable had no money to pay the fine, but was given until 6 o'clock this evening Curt and Oris Lee. to make good. In case he doesn't, Ald erman Delavan will send him to jail for

AT THE PLAY HOUSE.

Amusements That Will Follow the Lull of Lenten Season-Murray & Mackey Company Next Week.

The Grand, which has been dark for

week, except the moving pictures of today, will re-open on Monday with week of repertoire. Murray & Mackey's comedians will be here, and will no doubt be greeted with big houses, now that the Lenten season has passed. The company comes well recommended. The Wilkes-

Barre Despatch says: "A repertoire company that can open a week's engagement on a Monday holiday and play to two overflowing houses and repeat the thing from day to day until the finish, as the Murray & Mackey combination did at the Grand Opera house, closing last night n a blaze of glory, deserves success. It only goes to show that an entertainment filled with pleasing features, as this company's is, will attract attention. It reveals the fact that merit wins every time. Murray & Mackey are to be congratulated not only on the excellent quality of the players that interpret their several attractions, but also upon the interesting and entertaining character of the plays pro

duced." This afternoon and evening, Lyman Howe's famous moving pictures will be produced at the Grand. These pictures have the reputation of being the best that are produced by this means. There is no fluttering, as is common with moving pictures, the views being presented with a smoothness that is refreshing and enjoyable As the production is under the auspices of the Patriotic Order Sons of America band, the enterprise should be well patronized.

Though the dramatic season is coming to a close, Manager Byrne has some attractions booked for April that are the most interesting of the First of these is William R. Brady's

production of "Way Down East." This superior pastoral piece is so well known to Carbondalians that no comment is necessary. It will be at the Grand on Tuesday, April 8. The May Fiske company, with General Tom Thumb's widow and her

DRESSEN'S SANITY.

Man Accused of Burning Breakers to Be Examined Today.

Henry Dressen, the homeless wanderer, who is in jail awaiting trial on charge of burning the Northwest and No. 1 breakers, last winter, will be examined today as to his sanity. If he be found of unsound mind, as his manner and speech indicates, the court will be asked to commit him to an asylum. OBITUARY.

LUDWIG BRAUER, who has been conspicuous figure in the business life of the city for over a quarter of a century, and proprietor of an old established bakery, passed away at 6 o'clock yesterday morning, at the residence on North Church street. The news of his death was somewhat of a shock, for while he was known to be in frail health, there was no thought among his friends of such a sudden summons. Death followed a paralytic

stroke of some days ago. Mr. Brauer was born of German parents, in the city of Vienna, Austria, on Aug. 15, 1834. In the fall of 1862 he came to this country and settled in New York city. On March 4, 1870, he was united in marriage to Miss Amelia Bohr, and in 1872 the couple came to Carbondale. Mr. Brauer entered the employ of Lewis Curtis, who conducted the bakery business which he afterwards acquired, and by which he was

identified in the business life of the community. Mr. Brauer was one of the town's most respected citizens, claiming the friendship of a host of friends, His industry and frugality blessed him with means that made his declining years a comfort. He was a member of Carbondale lodge of Masons, the Royal Arcanum, the Knights of Honor and the Red Men. He is survived by his wife, one daughter, Mrs. John Rlvenburg: one son. MRS. HULDA JAKEMAN,

Wife of the President of the Elders of the Mormon Church, Salt Lake City, Utah, Recommends

Lydia E. Pinkham's Vegetable Compound for Woman's Periodic Pains.

Surely the great volume of letters we are constantly publishing from women made strong and well by Lydia E. Pinkham's Vegetable Compound must convince all women of the value of this famous medicine.

Does anyone suppose that the young wife of President Jakeman, whose portrait we are permitted to publish, would allow us this great privilege if she had not been so over-joyed at her own recovery that she now wants to be of service to her suffering sisters? No, indeed! no money can purchase such testimony, only a grateful heart full of a desire to help other sufferers could induce a young woman of such high social position to allow her name to be used in connection with any remedy.

How is it possible for us to make it plainer that Lydia E. Pinkham's Vegetable Compound will positively help all sick women? All women are constituted alike, rich and poor, high and low,—all suffer from the same organic troubles. Surely, no one can wish to remain weak and sickly, discouraged with life and no hope for the future when proof is so unmistakable that Lydia E. Pinkham's Vegetable Compound will cure monthly suffering—all womb and ovarian troubles and all the ills peculiar to women.

If there is anything in your case about which you would like special advice, write freely to Mrs. Pinkham. She can surely help you, for no person in America has such a wide experience in treating female ills as she has had. Address is Lynn, Mass.; her advice is free and always helpful.

MRS. HULDA JAKEMAN, of Salt Lake City.

"DEAR MRS. PINKHAM: - Before I knew of Lydia E. Pinkham's Vegetable Compound I dreaded the approach of the time for my menstrual period, as it would mean a couple of days in bed with intense pain and suffering. I was under the physicians care for over a year without any relief, when my attention was called to Lydia E. Pinkham's Vegetable Compound by several of our Mormon women who had been cured through its use. I began its systematic use and improved gradually in health, and after the use of six bottles my health was completely restored, and for over two years I have had neither ache or pain. You have a truly wonderful remedy for women. Very sincerely yours,

Mrs. Hulda Jakeman, Salt Lake City, Utah." O, my sisters, I do pray you to profit by Mrs. Jakeman's experiences; just as surely as she was cured of the troubles enumerated in her letter, just so surely will Lydia E. Pinkham's Vegetable Compound cure every woman in the land who suffers from womb troubles, inflammation of the ovaries, kidney troubles, nervous excitability, and nervous prostration; remember that it is Lydia E. Pinkham's Vegetable Compound that is curing women, and
