SECOND LEGISLATIVE DISTRICT—Notice is hereby given to the Republican voters of the Second Legislative district that a primary election will be held on Saturday, April 23, 1902, between the hours of four and seven o'clock p. m., for the purpose of electing two delegates to represent said legislative district in the coming Republican state convention to be held in Harrisburg on June II, 1902, and to nominate a candidate for the legislature.

The convention to compute the vote will be held on Tuesday, April 29, 1902, at 1 o'clock p. m., in the rooms of the Central Republican club in Seranton.

In accordance with the rules governing this district the candidates will be voted for directly by the voters at the polls. Each candidate must register with the district chairman his full name and postoffice address and pay his assessment twenty days before the election or his name will not be placed in the official ballot, neither will any votes cast for him be counted.

The district vigilance committees in the various precincts will conduct the election and the result will be reported by the return judge to the district convention, which will be composed of the return judges of the various districts. A written notice containing further instructions will be sent to the members of the said district vigilance committees.
