IN THE SOCIAL WORLD.

Many Enterprises That Offer Pleasures to Lovers of the Dance—The Mitchell's Smoker.

The social life of the town promises to be quite active during the month of April. Several smart affairs have already been arranged for and several others are in process.

Diamond Lodge, No. 26, shield of honor, has issued invitations to a basket social, which will be held in Watt's hall on Tuesday evening, April 8. This will be the eleventh anniversary of the lodge and the arrangements for the social have been made with the view of making the observance of the anniversary a fitting one. It will be a pleasant gathering of the members of the lodge and their friends. For the lovers of the dance there will be good music to make that feature quite enjoyable.

The Clover Leaf dancing assembly, which has among its members a number who are active in social life, will entertain at a dance in the Burke building on Thursday night, April 10. Professor Firth will be at the piano and will be accompanied on the violin. An enjoyable time is anticipated, as this assembly has been quite successful with its earlier affairs.

The Centennial club, which has achieved quite a reputation for its successful way of entertaining during the brief period of its existence, less than a year, will conduct a characteristic dance in the Burke building on Wednesday night, April 15. Pretty invitations to the affair will be sent out to day.

Dominick Barrett's Death.

Dominick Barrett, the young man who died in Scranton, had been prostrated with an attack of pneumonia. The disease reached the crisis, when his weakened condition caused him to succumb. Mr. Barrett left Carbondale for Scranton a few months ago. He was an inspector in the air-brake department of the Delaware and Hudson shops in this city, but an advanced position being offered him by the Lackawanna company, he accepted, and was beginning to demonstrate his efficiency and getting in line for promotion when disease overtook him and ended in his untimely death.

The smoker of the Mitchell Hose company, which will be held on Wednesday next, in observance of the tenth anniversary of the organization, will be an occasion of the highest social enjoyment for those who have been favored with invitations. The committee in charge of the stag party, for such it will be, has completed all arrangements, and meanwhile the prospective guests are anticipating the enjoyment that is in store for them.

Mallett's Stag Party.

About twenty-five members of the Knights of Malta enjoyed the warm-hearted hospitality of Fred Frank, at his home on Washington street, Wednesday evening. There was music and luncheon, followed by good cigars. In the midst of the festivities, Mrs. Frank

A PHYSICIAN HURT.

Helped Himself.

When the doctor himself brings on heart disease, the time of office is time for others people to think carefully of the matter of that beverage.

The telegram of Dr. S. W. Mathewson, 135½ Pennsylvania Avenue, Des Moines, Ia., is as follows. His letter is rather long and this extract is necessarily condensed.

"I am a physician of 18 years' practice. I felt the need of a stimulant, and for the first five or six years of my practice used strong coffee. Eight or ten years ago I began to notice symptoms of heart disease. This seemed to be a regular organic type and year by year became aggravated. Dizziness, faintness and later, inability to walk, at times."

"Physicians could find no marked symptoms of disease, but thought there might be of a kind that escaped observation. Finally I became a confirmed invalid and gave up practice."

"Several years elapsed with the symptoms growing worse. I was considered as marked for an early grave. It finally became impressed upon me to give up coffee. This I found easier to do when Postum Food Coffee was used in its place. I did this more to satisfy my friends than with any hope of benefit from such a simple change, especially in such an inearable case as mine. I was debilitated and very weak and about 30 pounds short of my old weight."

"From the first week I noticed a marked change, and within three months I was almost fully restored to my old strength and health. These facts are known to hundreds of my friends and acquaintances."

Local Knights of Pythias.

Carbondale Lodge, No. 320, Knights of Pythias, has decided to inaugurate a contest for new members. To the

one bringing in the largest number of names during the next year a handsome badge or jewel will be given. Carbondale Lodge is one of the strongest financially in the city, having several thousand dollars in the treasury.

Another matter which is engaging the attention of the Knights is a project to run an excursion some time during the summer.

RUN OVER BY CAR.

Driver Boy's Distressing Accident at Last Chance Mine—His Injuries Are Dangerous.

Andrew Palko, a driver boy in the Last Chance mine, met with a terrible accident while at his work about 5 o'clock last evening, sustaining injuries that have reduced him to a condition that is dangerous.

Palko had his hip dislocated and a hole torn in his thigh that left a wound that exposes the bone. The shock was severe and the result may be fatal.

The lad was driving his mule with a car attached, when another car was let loose and came flying down the track. Before he could get out of harm's way he was struck and knocked down. The runaway car passed over his body, though no bones were broken. The shock, however, was so great that he may not rally.

Palko was taken to the home of his father, Andrew Palko, where Dr. D. L. Bailey was summoned to care for him.

IN THE PUBLIC EYE.

The recognition of true merit is always appreciated, even by those who are not affected by such recognition. This is exemplified anew in the case of the advancement of Carl Roessiger to the position of manager of the Carbondale brewery of the Pennsylvania Central Brewing company.

Last night, perhaps the best production of "Michael Strogoff" was enjoyed since the early days of this celebrated play, Jerry Donovan, in the title role, was more vigorous and powerful than in any production of the week. Miss Murray shared the success of the evening with him. The specialties were as attractive as ever. Tonight the bill will be "Across the Continent."

Under the new rule each clerk will be able to take a week off on his turn that is he will be idle every fourth week. The new clerks will be selected from the civil service list of eligibles.

Reported to Board of Health from Canaan Street.

A case of diphtheria was reported to the Board of Health yesterday. The sufferer is Ruth Quinn, one-year-old daughter of Mr. and Mrs. Edward J. Quinnian, of 100 Canaan street.

This is the first case of diphtheria that has appeared in this city in several months. It is also the first contagious disease reported in several weeks. This speaks well for Carbondale and gives evidence anew of the healthy atmosphere in which Carbondale thrives.

TOWN IN DARKNESS.

Electric Lights Shine Only on a Few Streets.

Except on a few of the central city streets, the arc lights of the town were out last night. The trouble was some accident at the plant. This is the second night this week that the town had the appearance of its early history, when only kerosene lamps shone from the houses.

CONTINUES ITS SUCCESS.

The Murray & Mackie company of comedians continue to grow in favor with patrons of the Grand, where bigger audiences greet them each evening.

Last night, perhaps the best production of "Michael Strogoff" was enjoyed since the early days of this celebrated play, Jerry Donovan, in the title role, was more vigorous and powerful than in any production of the week. Miss Murray shared the success of the evening with him. The specialties were as attractive as ever. Tonight the bill will be "Across the Continent."
