Severe Cases of Woman's Ills. She says: "DEAR MRS. PINKHAM: - While we are taught in the training schools throughout the country to look down upon patent medicines, and while the doctors in the hospitals speak slightingly of them to patients, I have found that they really know different. I have frequently known physicians to give Lydia E. Pinkham's Vegetable Compound to women suffering with the most serious complications of ovarian troubles, falling of the womb, leucorrhœa, and other disorders. They would as a rule put the Compound in regular medicine bottles and label it 'Tonic,' or other names, but I knew it was your Compound, and have seen them fill it in prescription bottles. I have never seen anything but happy results from its use; inflammation and ulceration has been relieved and cured in a few weeks, especially where your Sanative Wash has been applied also. I feel it but due to you to give proper credit for Lydia E. Pinkham's Vegetable Compound; I have great faith in it and often recommend it to others."-MISS LILLIAN MARTIN, 884 27th Ave., Milwaukee Wis. 6,
