

WEST SCRANTON

NOMINATION OF OFFICERS

FEATURE OF THE BOARD OF TRADE MEETING.

D. D. Evans Named for President; Jenkin T. Reese, for Vice-President; Wallace G. Moser, for Secretary, and William Farrell, for Treasurer—Mr. and Mrs. Collins' Sixteenth Anniversary—Child Bitten by a Dog—Gamma Nu Entertainment—Other Notes.

The weather interfered somewhat last night with the attendance at the regular monthly meeting of the West Side board of trade in the Electric City Wheelmen's club house, and comparatively little business was transacted.

The principal action was the annual nomination of officers, which resulted as follows: For president, D. D. Evans; vice-president, Jenkin T. Reese; secretary, Wallace G. Moser; treasurer, William Farrell. The election will take place at the regular meeting in May, when the annual reports of officers will be submitted.

President Daniels reported having received a communication from the Scranton board of trade, stating that they had acted adversely in the matter of making a test case in court of the increased water rates, hence they will not co-operate with the local board in the matter.

The report of the viaduct committee was discussed, but no action was taken, as they are waiting for a decision in the case now pending in the Supreme court. It was reported that the Supreme court recently granted a rehearing in the case.

Dr. W. Rowland Davies called the attention of the board to the deplorable condition of South Main avenue, between Oxford street and the city line, and the secretary was directed to communicate with the director of public works and ascertain if any improvement can be made.

Action on the water rates and viaduct questions were deferred until the next meeting, when it is expected there will be a larger attendance.

Sixteenth Anniversary. Mr. and Mrs. E. D. Collins, of 1115 West Locust street, had a double celebration Monday evening. It was in honor of their sixteenth wedding anniversary and the visit of their aunt, Mrs.

Arrangements for the first annual encampment of the First regiment of the Catholic Total Abstinence union of America are well under way, and the camp will be formally opened at Lake Lodore on Friday, July 18.

Excursions will be run to the lake during the encampment. The regiment will be composed of twelve companies, and already 566 men have been enlisted.

It was expected the state guard tents would be secured, but inasmuch as the National Guard of Pennsylvania will be in camp at the same time, the Catholic regimental officers have purchased a sufficient number of tents from Pickin & Thomas, of Philadelphia.

The second quarterly convention of the Catholic Total Abstinence Union society of the Scranton diocese will be held next Sunday afternoon at Milnooka, under the auspices of the local society.

Miss Clara Browning, of the Scranton Conservatory of Music, will be pianist; Mrs. Jessie Phillips, soprano soloist; Mrs. William McDonnell, Miss Ruth Jackson, and Miss Grace Atherton, piano trio. Other musicians from the central city will take part. An offering will be taken for the new association piano. Both men and women are invited to attend.

The annual subscription for the foreign missionary board must be paid this month, and all ladies are asked to bring their dues of one dollar on next Friday, or give them to Mrs. Frank Clark, the treasurer, that this matter may be attended to promptly. All ladies are cordially invited to be present at the meeting on Friday, whether members of the society or not.

To Repeat Easter Music. Lovers of sacred music in church worship will welcome the announcement that the elaborate Easter festival of music of the Providence Presbyterian church will be repeated next Sabbath evening. Choirmaster C. F. Whittemore will have present his entire choir of thirty voices. Mrs. McDonnell will be organist; Miss Clara Long, violinist; Miss Smith, soprano soloist. The other soloists will be Miss Annie Morgan, Miss Griffin and Thomas Morgan and Howard Griffin.

The choir will also be assisted by Floyd Heberling, basso, and W. A. Robeson, the popular baritone, who will sing "The Resurrection" by Rodney. The high and even artistic, as well as worshipful character of the Easter music in that church this year, as well as a general request, is a reason why the programme should have a repetition.

TOLD IN A FEW LINES. John Gerrity, an aged resident of McDonough avenue, while going towards home on West Market street, was seized by a peculiar pain and fell to the sidewalk with great force.
