MERITORIOUS PROGRAMME

RENDERED AT MEN'S LEAGUE CONCERT.

Event in Plymouth Congregational Church Was a Musical Treat-Candidates Who Have Registered in the First Legislative District-Hon. T. Jefferson Reynolds Decides Not of Birds"-Recent Social Events. Notes and Personals.

The limited number of people who attended the concert at the Plymouth Congregational church last evening, under the auspices of the Men's League, were treated to a very meritorious programme, every participant being an artist of ability.

The weather greatly interfered with the attendance, but the concert was a financial success nevertheless, and there is a probability of it being repeated to enable those who were detained at home by the storm to enjoy

John T. Watkins, who expected to sing, was prevented by a throat affection, and his place was very acceptably filled by Ralph Williams. Much of the success of the concert is due to the chairman, Tallie M. Evans, and Samuel B. Powell, both of whom worked energetically to further the event.

Miss Florence Richmond, the talented accompanist, whose work aided very materially in the success of the concert, played the opening number, a Chopin selection, demonstrating her ability in a fascinating way. The effort was heartily appreciated.

William V. Griffiths played a trombone solo in such a delightful manner that he was heartily encored and gave "Just a Song at Twilight."

Miss Beatrice Enid Morris, who is always a favorite, recited a number of her best selections in a very captivating style, demonstrating her versatility both as an elocutionist and character delineator. She was repeatly encored. Mr. Williams sang the baritone solo, "In Dreams I Heard," in fine voice, and received a flattering ovation.

The violin solos played by Fred Widmayer were truly artistic, and proved his claim to recognition in concert work. Miss Mame Niland sang two soprano solos, both of which were enthusiastically received and encored. She possesses a sweet voice of fine range and showed excellent control.

OFFICERS OF THE FATHER Of The Woman's Catholic Order of Forresters, Chicago, Installed at a Meeting Held Thurs-

> St. Francis Xavier Court No. 174, Endorses Lydia E Pinkham's Vegetable Compound.

Some women are tireless in their home work, others in their work in the church or their favorite society or club; they laugh and sing and are happy.

But think of the poor one who is left at home, utterly unable to make any effort whatever, broken hearted and despondent.

The horror of female complaints is upon her; she is oppressed by that distressing bearing-down feeling, backache, her nerves are all gone, don't care to move and wants only to be left alone.

O, dear sister, don't you know by this time that Lydia E. Pinkham's Vegetable Compound will surely reach the cause of all this trouble and make you well and strong! It certainly will cure you as certainly as the sun shines. Read what Mrs. Gleason says:

MRS. M. GLEASON, Chicago, Ill.

"I want every woman to know that Lydia E. Pinkam's Vegetable Compound has been of untold value to a large number of women of our order. I know positively that it has cured many of the most distressing diseases of the pelvic organs, falling of the womb, ovarian troubles, and painful menstruation. There is no question in the world but that it is superior to any medicine for women. I have used it my-self and know whereof I speak. — Yours truly, Mrs. M. Gleason, 554 West Taylor St., Chicago.

Two More Sufferers Cured.

"DEAR MRS. PINKHAM: - I was sick with female weakness. I took all kinds of medicines, you might say, and was operated on by doctors, but they did me no good. After tak-ing five bottles of Lydia E. Pink-ham's Vegetable Compound I found relief and am now enjoying good health. Since taking your med-icine I have become the mother of a little boy. I will praise your medi-cine as long as I live."—Mrs. Saran E. Reeder, Amsden, Ohio. (Dec. 27,

"DEAR MRS. PINKHAM: - I suffered daily from backache and stomach ache. Menstruation was sup-pressed for six months, and then appeared again, but very painful and irregular. Instead of consulting a doctor I thought I would try Lydia E. Pinkham's Vegetable Compound. I now feel as well and strong as ever 1 did, and since taking it I have given birth to a little boy, and we do bless your medicine. I will advise all sick women to use it."

—MRS. IDA PETTERSON, BOX 93, Amasa, Mich. (March 1, 1901.)

Mountains of gold could not purchase such testimony as we are constantly publishing; only the unquestionable merit of Mrs. Pinkham's great medicine can accomplish so much. Write to Mrs. Pinkham, at Lynn, Mass. if you are ill. The efficiency of her advice is proven by thousands of letters from women who have been cured of female troubles by her guidance and medicine

REWARD. — We have deposited with the National City Bank of Lynn, \$5000 which will be paid to any person who can find that the above testimonial letter are not genuine, or were published before obtaining the writer's special per mission.
