There often comes a time in the struggle with pulmonary disease when the victim loses heart and gives up hope. The ambition to be up and around gives

way before growing weakness, and the sufferer keeps to the bed.

No one who suffers from lung disease should lose heart or give up hope while there is a possibility of cure. In many cases Dr. Pierce's Golden Medical Discovery has cured lung "trouble" when the cough was obstinate and deep seated, with hemoryhage, emaciation, night-sweats and general weakness. A great many men and women are living to-day many men and women are living to-day in the full enjoyment of health and hap-piness who had been "given up" by doc-tors, but found a perfect and permanent cure in the use of "Golden Medical Discovery."

"My wife had hemorrhage of the lungs," writes W. A. Sanders, of Heru, Mason Co., W. Va. "She had ten hemorrhages, and the people all around here said she would never be well again. But she began to take Dr. Pierce's Golden Medical Discovery and she soon began to gain strength and flesh. After taking ten bottles she was cutively well. Saguid you think this would do you any good to peblish, just use it, and if any one disputes the merits of this almost omnipotent medicine they may enclose self-addressed cavelope with stamp, and I will answer, the same as written in this letter."
