How-Odd Fellows' Anniversary.

ever, the adding of these sections (which is an engineering impossibility, owing to the grade), would not lessen the cost pro rata, in fact, it would be likely to increase it, owing to the lay of the ground.

In the event of the construction of the sewer, if any person outside of the district should be permitted by counells to connect with this sewer system, it would not exempt them from the payment of an assessment when their

The estimated cost is given at \$98.000. and it cannot be considered excessive, when the rock, the depth and the many catch-basins and man-holes are considered. Another thing, not generally understood, but which is explained by the engineers, is the large amount of dead line, which is necessary, owing to the size of the blocks, where extra work has to be done to sewer the properties in the center of each block. This, on a rough estimate, amounts to about 5,000 feet, making an additional cost, in the rough, of \$15,000 Owing to the many protests made, it

#### Two Church Socials.

Class No. 4, of the First Baptist Sunday school, held an entertainment and orange social in the assembly room of the church last evening which was well attended and enjoyable. Vocal and instrumental numbers and recitations were rendered by Miss Anna Jones, Garfield Davis, Mrs. Randolph Jones, Ruth Beddoe, Bessle Slote, Charlotte Lloyd, Mr. Sweet, Clifton Phelps, Flora Reict and Alice William, Sixteen girls and boys also gave a pleasing drill. Refreshments were served afterwards.

In the Jackson Street Baptist church the Sunday school scolars and their friends held an entertainment and social which was quite a treat for the little ones, as well as the older scholars. The programme consisted of reci-tations by Mrs. Albert Davies, Blowden

on Luzerne street, by the members of Class No. 18, of the new Embury M. E. Sunday school. Base Ball Notes. The Alumni Base Ball club will go to
