BOARD OF TRADE WORKING WITH THAT END IN VIEW.

Conference Held Last Evening with Mr. Ashley, of Hackettstown, N. J. - Site Favorably Considered. Iwo Funerals Yesterday Afternoon-Case Before Alderman Kellow-Events of This Evening. Souvenir Programme-School Deposits-News Notes.

Several members of the West Side pourd of trade held a conference last evening in the parlors of the Electric City Wheelmen with W. H. Ashley, of Hackettstown, N. J., and L. W. Lewer, of Avoca, with a view to locating a slik mill in West Scranton. The members of the board present were: President Charles E. Daniels, Secretary Wallace G. Moser, Treasurer William Farrell, Members Jenkins T. Reese, T. Fellows Mason, B. G. Morgan and W. H. Davis. The advantages of this side were pointed out to Mr. Ashley as a factory site, and several plots of ground, which are available, were suggested to him. He already has mills in operation at Hackettstown and Avoca. One site in particular impressed him very favorably, and if the industry is secured, it will in all probability be located thereon. Just where it is, the committee do not desire to make public at this time.

The mill to be erected is a two-story structure, and a large number of hands will be employed. Mr. Ashley will remain in the city today to consider propositions in reference to locating here, and something more definite may be announced in a few days.
