## PERFORMANCE WAS REPEATED

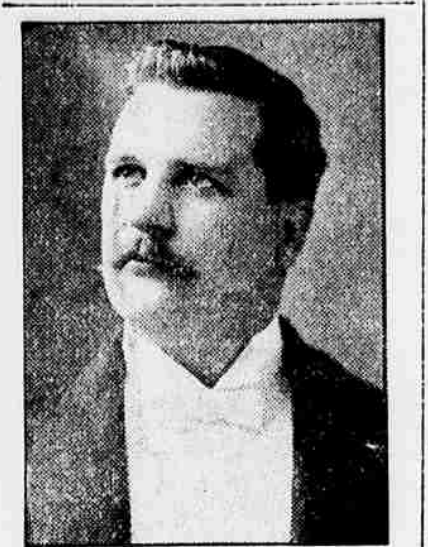

ANOTHER LARGE AUDIENCE ENJOYED THE MINSTRELS.

Popularity of the Electric City Wheelmen Fully Demonstrated Again Last Evening—Triumph for Alfred Wooler—Bible Society Concert—Funeral of Mrs. Protheroe. May-Pole Dance and Concert—Algermanic and Police Cases—Other Items of Interest.

The Wheelmen's Minstrel show was repeated at Meers' hall last night before another large audience, and the performance was given even more smoothly than the previous night. All the boys displayed plenty of confidence and sang freely and without stage fright.

The persistent efforts put forth by Alfred Wooler in training the chorus and soloists deserves much praise, and showed that while he had exceptional talent to work on, it was nevertheless a great task to select songs and choruses suitable to the voices.

Not a little of the success of the performance is due to the work of C. A. Eynon, who has faithfully served as a

## The Crowning Effort In Superlative Values

The fact is conceded that for years past the progress of our Clink and Suit Department has been an unbroken series of successes with each succeeding season. Year by year has witnessed improvements at every point essential to the pleasure and profit of our patrons, and during the present season, notwithstanding that the floor space of this department has been doubled, we have been taxed to our utmost to keep pace with the never-ceasing flow of appreciative buyers, the number of which puts the trade of all former seasons completely into the background.

This being the fact, our original season's purchases proved totally inadequate to meet the requirements of our business, and we were once more forced into the market with the result that we have

the company. He is not only a pianist of recognized ability, but a composer of some note, one of his compositions being a part of the performance.

Perhaps the most ludicrous make-up of the whole show was that effected by

INTERLOCUTOR LUCE.

Interlocutor R. W. Luce, whose enormous weight not only incites comment, but his costume certainly was a dream, as far as minstrel goes. His assistance to the boys in cracking their jokes proved an inspiration, and helped to make the show the success it was. The patrons enjoyed dancing after the show last night. The performance will probably be repeated at Dixie's theater.

"Dr. A. W. Chase's Nerve Pills are fine. I began to use them for nervous sick headaches and nervousness, and had great success in stopping them completely. Recently I used them to overcome the depression and weakness following grip and they were again successful, giving me bodily strength and nerve steadiness. As an all-round nerve and general tonic they are grand, and I am very much pleased that my attention was called to them through Matthews Bros. druggists, 320 Lackawanna avenue.
