Oxfords are very determined in entering the competition at the National eleteddfod, and are making every effort of progress to win the prize. The Ladies' choir, under the direction of Mrs. D. B. Thomas, comprises some of the very best vocalists of Scranton, and the attendance at the rehearsals and their singing show that a great effort must be expected by other competitors to capture the prize.

JACKSON STREET BAPTISTS.

The Sunday school is a great factor in our church life and the large attendance is an encouraging feature. The orchestra deserves great praise for their work and the singing is inspring. The collection last Sunday was over \$15. Everyone ought to hear the wonderful experience of Miss Etlen M. Stone, who will give a lecture in the Lyceum on Monday evening, May 19. Miss Stone will illustrate her lecture with a large stereopticon and relate the various experiences during those long months of captivity,

DRESS MAKERS

And All Women Who Work, either for their Living or for Society, are Subject to the Same Organic Troubles. How Many Are Cured.

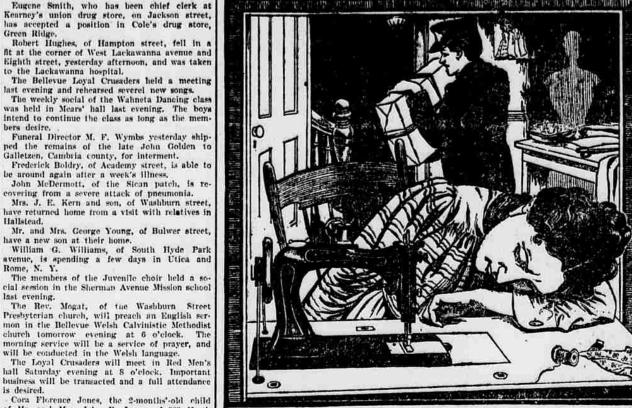

A gorgeous costume flashed beneath the brilliant lights of a ball room. The queen of society is radiant to-night.

The nervous hands of a weak woman have toiled day and night, weary form and aching head have known no rest, for the dress had to be finished in time.

To that queen of society and her dressmaker we would say a word. One through hothouse culture, luxury and social excitement, and the other through the toil of necessity, may some day find their ailments

Nervous prostration, excitability, fainting spells, dizziness, sleepless-ss, loss of appetite and strength, all indicate serious trouble, which has been promoted by an over-taxed system.

For the society queen and the dressmaker alike, there is nothing so reliable as Lydla E. Pinkham's Vegetable Compound to restore strength, vigor, and happiness.

Six Years' Suffering Cured.

"DEAR MRS. PINKHAM:—I suffered for six years, sometimes being unable to get about at all. It seemed to me as though I could not live, and I did not care to. I had womb trouble, kidney trouble, leucorrhœa, backache, was nervous and had no ambition to do anything or go anywhere. Was obliged to give up my trade of sewing. I tried three doctors but they did me no good. Seeing your advertisement I thought I would try your medicine. I felt better after the first bottle, and by the time I had taken six I was able to resume my work again. I shall always praise Lydia E. Pinkham's Vegetable Compound."—Mrs. Mary A. Russell, Chincoteague Island, Va. (Dec. 14, 1900.)

If there is anything in your case about which you would like special advice, write freely to Mrs. Pinkham. No man will see your letter. She can surely help you, for no person in America has such a wide experience in treating female ills as she has had. She has helped hundreds of thousands of women back to health. Her address is Lynn, Mass., and her advice is free. You are very foolish if you do not accept her kind invitation.

Mrs. Lizzie Anderson, 49 Union St., Salem, N.J.

"DEAR MRS. PINKHAM:—I feel it my duty to write and tell you how grateful I am to you for what your medicine has done for me. At one time I suffered everything a woman could. I had inflammation of the ovaries, falling of the womb, and leucorrhea. At times could not hold a needle to sew. The first dose of your Vegetable Compound helped me so much that I kept on using it. I have now taken six bottles and am well and able to do my work. I also ride a wheel and feel no bad effects from it. I am thankful to the Giver of all good for giving you the wisdom of curing suffering women. I recom-mend your medicine to every woman troubled with any of these diseases."
