THE OTHERS

Behind every printed testimonial to a cure effected by Dr. Pierce's Golden Medical Discovery there are a thousand others unprinted. Tens of thousands of men and women have testified to cures of scrofula, sores, erysipelas, eczema and other diseases (caused by the blood's impurity), through the use of this medicine. This fact is impressive chiefly as showing the great curative power of "Golden Medical Discovery." As evidence of these cures it is superfluous. If the fact that "Golden Medical Discovery" purifies the blood were required to be proved in a court of law to-day and a thousand witnesses were waiting to testify, justice would have no use for nine hundred and ninety-seven witnesses of the thousand. It would call two or three representative witnesses, and on their evidence the case would be decided. Those who witness to the blood-purifying power of "Golden Medical Discovery" are reputable, reliable and responsible people whose testimony would carry weight in any court of law in the land. It should carry weight with you. It is singular that people who read of cures of scrofula effected by the use of "Golden Medical Discovery" should ask: "But will it cure me?" It would be just as reasonable to say, "I believe it cured Mr. Smith, but will it cure Mr. Brown?" What has a man's name to do with the condition of his blood? Even if his name is Bloodgood he's just as apt to be tortured Behind every printed testimonial to a cure effected by Dr. Pierce's Golden Medtion of his blood? diseases. It takes no account of age, sex, color, rich or poor.

"Three years ago I was afflicted with a growth on the left side of the neck," writes Mrs. Eliza J. Stanton, of Bozrahville, Conn., Box 36. "It was the size of a walnut. My friends were very much alarmed; were sure it was a cancer. It grew quite fast, and in a few months was large as a hen's egg and very painful. I grew weak and emaciated; had no appetite. If I tried to eat I suffered terribly, for it was with great difficulty that I could swallow, the growth seemed to be filling up my throat. A physician in the town where I live advised me to have it cut out. I wrote to you describing growth and symptoms. You recommended "Golden Medical Discovery," and a solution to use on my throat three times a day. After I wrote you a friend wrote, unknown to me, to a cancer doctor. I received a letter from him saying the growth was of a cancerous nature. I paid no attention to him, but took seventeen bottles of the 'Golden Medical Discovery' and used the solution as advised. The bunch on my neck gradually grew smaller and less painful, until it finally disappeared. My general health improved, and I rejoice to say that I have enjoyed good health ever since. It is two years since I was cured."

It is one of the contradictions of human nature that people who

It is one of the contradictions of human nature that people who believe all men are "created of one blood" belie their own belief in practice. If John Smith testifies to a cure little notice is taken of the fact. But if Senator somebody is cured of a boil then the medicine must be all right. Yet blood is the same in king and kaiser, prince and peasant, senator and tramp. It is made in the same way of digested food. It is circulated by the same mechanism. If an emperor's blood is impure he'll have boils or some other cruption like the commonest of his subjects. It follows just as surely that a medicine that will purify the blood of a somebody will purify the blood of anybody. Dr. Pierce's Golden Medical Discovery purifies the blood; anybody's blood, everybody's blood, if it is impure.

"I am glad to say for Dr. Pierce that his medicine has done me more good than all the medicine I have ever taken," writes Mr. Hilery Koons, of Queens, West Va. "I had scrofula and erysipelas for eighteen years, until I heard of Dr. Pierce's Golden Medical Discovery. When I commenced to take his medicine I weighed one hundred and thirty pounds. I have taken six bottles of Dr. Pierce's Golden Medical Discovery and three vials of his 'Pleasant Pellets,' and am glad to say I feel like a new man. I now weigh one hundred and seventy-five pounds. When I had used one bottle of the medicine I could feel

The medicine which will purify the blood at one season will do it at another. For this reason there is no better blood-purifying medicine for spring use than "Golden Medical Discovery." It carries off the impurities of the blood. It cures scrofula, sores, eczema, boils, pimples and other eruptive diseases. It increases the supply of pure blood, rich in the red corpuscles of health, and so gives vigor and vitality to the whole body.

"I was troubled with eczema from the crown of my head to the soles of my feet," writes Mrs. Ella Quick, of Cass City, Tuscola Co., Mich. "Could not walk at times nor wear my shoes. Thought there was no help for me-at least the doctor said there was none. I went to see friends at Christmas time and there heard of Dr. Pierce's Golden Medical Discovery had done for them, and was advised to try it at once. For fear that I might neglect it, my friend sent to the village and got a bottle and made me promise that I would take it. I had been getting worse all the time. I took thirteen bottles of the 'Golden Medical Discovery' and ten vials of Dr. Pierce's Pleasant Pellets, and used the 'All-Healing Salve,' which made a complete cure. It was slow, but sure. I was taking the medicine about eight months."

Sick people, especially those suffering from chronic diseases, are invited to consult Dr. Pierce by letter free, and so obtain (without charge) the opinion of a specialist on their ailments. All correspondence strictly confidential. R. V. Pierce, Buffalo, N. Y.
