DISCOURSE TO YOUNG PEOPLE

DELIVERED BY REV. H. C. McDERMOTT, D. D.

Occasion Was the Twelfth Anniversary of the Epworth League. "Some Things That Do Not Change"—Last Night's Fire—Recent Social Events—News of the Churches—Events of This Evening. Five Children Poisoned—Other Shorter Paragraphs.

The Simpson Chapter of the Epworth League observed the twelfth anniversary of the organization last evening, and the service was attended by a large gathering of young people.

The officers of the different branches of the league made their annual reports, showing the work accomplished by them, all of which were very encouraging. A double male quartette from the Railroad Young Men's Christian association assisted in the service, and J. S. Murray, of the North Main avenue Baptist church, who has accepted a call to Kansas City, sang effectively a solo "Praise Ye the Lord of Life" by Pizzolunghi.

The pastor, Rev. H. C. McDermott, D. D., preached a special sermon to young people on the subject of "Some Things That Do Not Change." His texts were taken from Matt. 13:17, "I am the Lord I Change Not," and Luke 16:17, "And he said unto them, if any man will come after me, let him deny himself, take up his cross daily and follow me." Following is a brief outline of the sermon:

There have been great changes in the physical world and in the world of man in comparatively recent years. The displacing of commerce, manufacturing, and the modes of living of millions of people. Old theories have gone out and new ones have taken their place, and we have seen the fruits of the revolution.

We have acquired more knowledge in the last one hundred years than in all preceding time. With increasing light on scientific and material subjects, and better knowledge of the language that Jesus spoke and of the customs of the times in which he lived, it is no marvel if we have new explanations of what he said and did.

At the head of this large number stands beautiful Blanche Reed, one of the half dozen acrobatic equestriennes who have attained eminence as a bareback rider. In all that she does there is naught that is commonplace. In the vermicular she begins where the others lay off, and ends with an unapproachable achievement of acrobatic agility that is apparently unattainable and past belief unless seen with one's own eyes.

DISPLAY OF HEALTH FOODS. It Will Open Today in the Bicycle Club House.

The big free food fair at the Scranton Bicycle Club hall which opens today would not be complete without an adequate representation in the health food line. Among the exhibitors are all the factors in the health food line, products made by the Natural Food company, Niagara Falls, N. Y., also Flakoby the Battle Creek Flaked Food company, Battle Creek, Mich., toasted wheat flakes and granola by the Battle Creek Sanitarium Food company, Battle Creek, Mich.; korn-krisp, rice, flake corn, Korn-Krisp company, Ltd., Battle Creek, Mich.; protose and maltose by the Santitas Nut Food company, Battle Creek, Mich.

It is surprising what attractive and assorted menus can be devised from food products of this nature. There will be music and other special features every day on the program, farolito and acrobatics free to all visitors. The admission is free providing you secure a ticket from your krower.

LEAGUE WILL CONTINUE. At a meeting of the executive committee of the Scranton Bowling league held yesterday afternoon at Zulager's alleys it was decided to accept the notice of withdrawal filed by the Hamme, Colts and Imperial teams.

It was decided to continue the league's season under a new schedule to be prepared. Six teams instead of eight will play. The sixth team will be from the Elks alleys and will be known as the Independent team. It will be captained by Oscar Jones who will have O'Connell, Litt and two other bowlers, yet to be selected. The team will take up the standing of the Imperials.

Whether the spectator be a lass from the farm or a belle from the social set, she is sure to admire the lady performers with the Great Wallace Shows, which will exhibit in Scranton on Friday, May 23.

In the circus ring is one place where a woman has an equal chance with her male companion. As a rule she draws a higher salary, receives the greater applause and more commendations from the management, than does the male performer. Notwithstanding their high salaries and the security of performers worthy of being featured with a show of the magnitude of the Great Wallace Show, probably more lady performers can be seen with that show than any other six shows.

Abandoned Planing Mill on Riggs Street Destroyed. The old planing mill on Riggs street, Dunmore, owned by P. D. Manley, was completely destroyed by fire at midnight, entailing an estimated loss of about \$5,000, partially insured.

The fire was of incendiary origin, as the mill had been abandoned about three years ago, and the buildings and machinery were valued at the above amount.

MANY LADY CIRCUS ARTISTS. Are to Be Seen with the Great Wallace Shows This Season.
