Most Liberal Offer Ever Made

Doctor Churchman Byers' Pledge Made Good to the People—Pursuant to His Promise Made Last Week He Inaugurates the First Month of His Practice in Scranton with the Lowest Fee Ever Given—All Persons Applying Before June 1 Will Be Treated for \$10 Until Cured, Medicines Included—This Does Not Mean \$10 a Month, but \$10 for a Complete Cure—No Further Charge Will Be Made—All Cases Accepted Under a Positive Guarantee to Cure or Money Refunded—A Startling List of Cures.

DISEASE OF BOWELS

Mrs. Barbara Dickson, Parker street, Providence: I had chronic diarrhea for fourteen years, which caused violent bearing down and dragging pains in my abdomen and loins. My bowels were often moved as high as seven times in one day. The straining finally

When Doctor Byers established his practice in Scranton he told the people that he would introduce methods of curing them of which they were ignorant. He said the people that he came with a clearly defined purpose, to show by the results in his own practice under his personal care and attention the wonderful value of the latest discoveries in medicine when properly applied, and of the marvelous results of his treatment of all Chronic Diseases. He did not ask the people to take him on faith. He told them that until May 11 he would treat all who came to his offices without cost. How well Doctor Byers has kept his promise, the people of Scranton can tell. Eight hundred of our most intelligent people have visited him, have consulted with him in person, have received the needed counsel and medicine, and over 300 sick people have already been cured of much benefited.

The good he was doing had so spread among the people that toward the last the majority of those who consulted him did so without regard to the free offer, and only sought his aid because they were sure they would receive what they required in the way of a cure, but he kept his promise to the letter, and not one cent was accepted, although large fees were offered in scores of cases.

The news of the way he had kept his promise to the public, the news of the fact that he absolutely refused to accept a cent from any one, had spread like wildfire, and the throats of those who had been cured, and who had twenty doctors instead of only one doctor, he could not have cared for them.

Doctor Byers likes to treat every sick person in Scranton absolutely free, but even if he were a millionaire a hundred times over and attacks of asthma I was sick at my stomach nearly all the time with distressing bloating and rifting after meals, smothered up constantly, beating of the heart, dizziness, etc.

He will guarantee to treat all persons applying at his office before June 1 for the nominal sum of \$10 until cured. That is, \$10 covers the entire cost for a cure, and no further fee will be asked.

He furthermore agrees, that if the person is not entirely cured in a reasonable length of time to refund the amount paid without any quibbling or evasion. It has always been the principle of his life never to keep a fee unless the patient was cured.

Doctor Byers wishes to make it emphatic that this offer expires on the 31st day of this month, and in order to get the benefit of it treatment must be commenced on or before that date.

Doctor Byers was born of Quaker parentage and received his early education under the influence of that religious denomination.

He graduated with honor from the Jefferson Medical College of Philadelphia, 1872.

sleep comfortably at night, and cheerfully recommend the treatment to any one suffering with this distressing complaint.

ASTHMA

Mrs. A. C. Schang, Etna, Pa.: "I had been troubled with asthma for 12 years. During five years of that time I did not lie in bed on account of the terrible suffocative spells that would come on every time I assumed a recumbent position. I had to sit up every night gasping for breath. In addition to the violent attacks of asthma I was sick at my stomach nearly all the time with distressing bloating and rifting after meals, smothered up constantly, beating of the heart, dizziness, etc.

"After trying vainly for relief I finally sought the proper remedies to restore the cell life to its natural functions, health is the result.

RHEUMATISM

Mrs. Helen Rencher, 529 North Lincoln street: "I never had anything so much so good as the treatment I received from Doctor Byers. The very first treatment relieved me of the numbness and crippled condition of my arms, and the distressing swelling is gone out of my ankles. I want to recommend his skillful specialist to all my friends as worthy of the utmost confidence."

NERVOUS TROUBLE

Mrs. Peter Thomas, 428 Larch street: "The first treatment I received from Doctor Byers relieved me so much of the pain from which I had been suffering that I already feel like a new woman. My nervous system had become entirely broken down as the result of these severe agonizing pains. I was weak; every little noise startled me and I felt I was fast becoming a nervous wreck. This good Quaker doctor has placed me on the road to health, and I feel certain his treatment will restore my health completely."

RESTORING LOST HEARING

Mr. John Provines, Hanlon, Pa.: "I am 47 years of age, and several years ago my hearing began to fail me, first in one ear and then in the other. I had awful noises in my head, and I tried to avoid my friends, never going to church or any other public place, as I was made miserable because I could not hear. People had to put their faces right up to mine and speak very loud to make me hear. Every person discouraged me when I spoke of trying to be cured, and I had no hope until one day I read of Dr. Byers, and the methods he used for restoring lost hearing. Something told me that I ought to go to him, and three months ago I went and placed myself under his care. It was with great pleasure I can now tell of my recovery. It was only a month when I returned I heard the noise of cars, wagons, everything, and it seemed so loud it startled me, even the clock seemed to tick four times as loud as it should. Since then I have improved, until now I am perfectly well and can hear perfectly. I meet and converse with my friends, go to public meetings and enjoy life again. Any one who has a similar affliction must see a great opportunity if they fail to consult Dr. Byers, the most successful specialist in this work."

Diseases Due to Cell Disorganization

The different tissues of the body are made up of minute cells, and when these cells become disarranged, for the lack of proper nutrition, disease is the result. By applying the proper nutriment to the cells, perfect health can be obtained. All diseases, no matter how chronic, can be cured by bringing the cells back to their normal condition. This is the cause of the patient's affliction. Come and be examined; it is absolutely free. He will not charge you a cent, unless you certainly have a great opportunity if you will advise you in reference to a cure. It is all free. He asks no compensation.

FREE X-RAY EXAMINATION

Doctor Byers never accepts a case unless he knows to a certainty the cause of the trouble, and this can only be determined by a scientific X-ray examination. His X-ray outfit is the most elaborate and complete in this country. By his special Fluoroscopic attachment he is able to examine all parts of the body and find out to an absolute certainty the cause of the patient's affliction. Come and be examined; it is absolutely free. He will not charge you a cent, unless you certainly have a great opportunity if you will advise you in reference to a cure. It is all free. He asks no compensation.

WHAT YOUR FRIENDS AND NEIGHBORS SAY

Read below the testimony of your friends and neighbors. They tell the story of Doctor Byers' treatment. It is not necessary to make any comment upon this testimony; go and see them, investigate for yourself. Doctor Byers cures because his treatment is based upon scientific principles. He cures because he is endowed by Nature with the Power of Healing. He cures because he has discovered that all diseases are due to a disorganization of cell life, and by applying the proper remedies to restore the cell life to its natural functions, health is the result.

NORTH SCRANTON

BIG AUDIENCE IN MEMORIAL BAPTIST CHURCH.

Gathered to Listen to the Closing Addresses of Rev. William Morris, F. R. G. S., and Rev. E. Iorwerth Jones—Fire on North Main Avenue—Fire in Bloom Avenue—Entertainment in Court Street Church.

Rev. William Morris, F. R. G. S., and Rev. E. Iorwerth Jones, the two distinguished Welsh clergymen who have been in this country for some time

dangered the Presbyterian church adjoining. The prompt and efficient work of the firemen saved the church from damage.

The house is at 2929 North Main avenue and was occupied by Evan Morgan. The fire originated in the kitchen and was caused by a defective flue. The flames made rapid headway to the second floor, and in a few minutes the rear portion of the building was a mass of flames.

After about ten minutes' work the firemen succeeded in getting control of the fire. The building was owned by the Delaware and Hudson company. The loss will amount to about \$200.

A slight fire was discovered on a porch in the rear of Michael Gallagher's residence on Bloom avenue about 6 o'clock last evening. An alarm was sent in from box 82 which brought the companies of this part of the city to the scene, but their assistance was not required.

The fire was extinguished by some of the neighbors with a garden hose. The origin of the fire is unknown. The loss amounted to about \$25.
