

WARCH AND APPIL are the two most trying months of the spring season, especially for those with weak lungs, or of a low vitality. The sudden changes of weather, the cold harsh winds, the damp atmosphere are all allied against the physically weak. These facts are enforced by the number of those who just manage to struggle along until spring and then fail, having no strength left to resist the attacks of disease. All persons who are weak physically fact the read of strength left to resist the attacks of disease. All persons who are weak physically, feel the need of some medicine to carry them through the spring months. The question is, what medicine will give the most strength and most lasting results? There are medicines which stimulate sufficiently to enable the user to just struggle through

the trying season. But their use gives no real, permaneut gain of strength.

Look at the question in this light: Imagine a cripple at the foot of a steep hill which in his weakness he feels powerless to climb without assistance. A kind hearted farmer comes driving by and gives him a lift over the hill. When the cripple gets down from the wagon he is still just as much a cripple as ever, and just as weak, but he has been helped for the time being over a hard place in the road. Suppose now instead of giving him temporary help, by carrying him, some one had come along and said "You are too weak to climb that hill, but I know what will help you," and then had given him some potent draught which made him strong and well, able to climb the hill for himself and go trudging ou light-hearted. There is no need to ask which would have been the permanent

Dr. Pierce's Golden Medical Discovery differs from other medicines in this: It cures the diseases that weaken and gives permanent strength. It does not just carry a man over the rough place and put him down as weak as before to stagger on his journey. It enables him to carry himself, to climb the hill by his own effort and to go on his way sound in body and strong in muscle.

"Last spring I was taken with severe pains in my chest, and was so weak I could hardly walk about the house," says Mrs. G. E. Kerr, of Fort Dodge, Webster Co., Iowa. "I tried several physicians and they told me I had consumption, but that I might 'brush it over' and perhaps live a good many years. I heard of Dr. Pierce's Golden Medical Discovery and thought I would try some of it. Before I had taken the first bottle I was very much better; I took five bottles of it and have not yet had any return of the trouble. I have also taken Dr. Pierce's Favorite Prescription and 'Pleasant Pellets' with good results.

Those who take medicine in the spring of the year to purify the blood, often do not realize that the blood is made from digested food and that when the stomach is diseased or "weak," no permanent good can be accomplished by any attempt to make the blood pure. If a stream is polluted or poisoned at its source the attempt to purify the water cannot be permanently carried out unless the cause of impurity is removed from the source of the stream. So with the blood. It is made from food perfectly ligested. When digestion is imperfect, undigested particles of food are constantly carried into the

blood, polluting it and poisoning it.

Dr. Pierce's Golden Medical Discovery purifies the blood by going to the source of the stream, where the blood is produced. It heals diseases of the stomach and other organs of digestion and nutrition and enables the perfect digestion and assimilation of food. It eliminates from the blood the waste substances which clog and corrupt it and so builds up the body with sound flesh and solid muscle. By this means "Golden Medical Discovery" gives lasting health and strength.

"I would say in regard to your medicines that I have been greatly benefited by them," writes Mr. J. S. Bell, of Leando, Van Buren Co., lowa. "I was at one time as I thought almost at death's door. I was confined to my house and part of the time to my bed. I had taken gallons of medicine but they only fed the disease; but I must say that Golden Medical Discovery' has cured me, and to-day I am stouter than I have been for twenty-years. I am now forty-three years old.

"Have taken in all twenty-nine bottles of 'Golden Medical Discovery,' besides two or three dozen vials of Dr. Pierce's Pleasant Pellets,

ut now I take no medicine." Sick people, especially those who suffer from disease in chronic form are invited to consult Dr. Pierce by letter, free. All correspondence is held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

The offer of free consultation by letter made by Dr. Pierce, is not to be confused with offers of "free medical advice" made by irresponsible persons, who having neither medical education r experience are barred both legally and professionally from the practice of medicine.

Don't be fooled into trading a substance for a shadow. Any substitute offered as "just as good" as "Golden Medical Discovery" is a shadow of that medicine. There are cures behind every claim made for the "Discovery," which no "just as good" medicine can show.

GOOD--FOR NOTHING.

It is not often that a good thing is offered for nothing. Dr. Pierce's Common Sense Medical Adviser is an exception. This good and great medical work, containing over a thousand largo pages, is sent FREE on receipt of stamps to pay expense of mailing CNLY. Send twentyone one-cent stamps for the book in paper covers, or thirty-one stamps for the cicti-hound volume.
