

“Atterbury System”

means smart clothes ready to put on

EVERY SEASON since we introduced this new system of clothes making sales have increased. You can't have any better evidence of its real and important merit. Modern tailoring methods mixed with brains has made it possible to produce **Custom Made Garments, ready to put on.** We expect the consideration of every man who ever had his clothes made to his particular measure. If you'll make the effort and give us the opportunity to explain this modern **System of Tailoring,** we'll quickly prove to you that the one suit custom tailor has stopped short on the road of progress. Fair minded custom tailors will admit that the “Atterbury System” is a great success. We have proved it so in the last three seasons. We want you to see it. We want to explain it to you, and we'll continually invite you until you'll respond to our invitation. We want your **candid opinion.** We want your **good judgment** on a system of clothes making that has **taken years of study to perfect.**
