ORDER OF COURT IN THE POOR BOARD CASES.

Messrs. Murphy and Evans Win First Skirmish in Latest Battle for Recognition of Elected Poor Directors-Bank Got Two Depositors of Same Name Confused-Mrs. Price Secures Hotel License Granted Her Husband Who Was Driven Insane by Peckville Fire.

In the first skirmish of the latest fight for the South ward and Hyde Park borough seats on the poor board, the elective claimants, Attorney John J. Murphy and James A. Evans were yesterday declared the winners.

On Wednesday, a hearing was heard on motions by the respondents, the present incumbents, F. J. Dickert and Dr. W. A. Paine, to quash the writs of quo warranto, which direct the re spondents to show cause why they presume to act as poor directors. A raft of reasons were filed to support the motions to quash, but after one day of deliberation court dismisses the motion and directs the respondents to make answer or demur to the relators' bill within ten days.

The order of court in each case is in Judge Edwards' handwriting, and both are substantially the same. The order in the Murphy case reads as follows: Commonwealth of Pennsylvania, ex re. John J. Murphy against F. J. Dickert.

Motion to quash writ of quo warranto.

We are of the opinion that the proceedings in
this case are regular as to matter of form and
of substance, and should not be quashed. The
case ought to be decided on its merits. The motion to quash the writ is refused and the respond ent is directed to answer or denur within ten days from this date.

By the Court. May 15, 1902.

At the next argument the merits of the case will be taken up and then will begin the actual adjudication of this long standing dispute.

When it came to making up the books of the West Scranton Cannon, the error was discovered. In the interim the Carbondale Cannon had withdrawn his deposit and transferred it to Merchants and Mechanics bank. When the First National sought to have him return the \$60 he refused. The defense yesterday could offer no evidence that would be admitted by the court and the jury was practically instructed to find for the plaintiff. It returned a verdict of \$60 without in terest. Statements made in connection with this fuel are to the effect that defendant borrowed \$2,400 from the plaintiff and defaulting in his interest payments, it was arranged that he should have a new loan on easier terms. The company entered judgment on the bond for the first loan and Doud sought to have it opened, alleging that the first bond was satisfied when the second loan was negotiated. At adjourning time, Judge Kelly was hearing the case of Sarah E. Snyder against John Davis and A. B. Wedeman. The parties live in Greenfield. The suit is the result of a dispute over the amount of lumber the defendants took from the plaintiff's land. The amount involved is about \$28.
