HONESDALE.

Special to the Scranton Tribune. Honesdale, May 16.—Captain N. E. Bigelow and his lieutenants of Company E, conducted a skirmish drill at the foot of Park street last evening. The volley firing was very accurate. Contractor John Bryant has commenced the erection of a club house for the Honesdale golf club. Mr. and Mrs. Sidney Henwood, of Scranton, are guests of Mrs. Lane and daughters on Third street. Those interested in the entertainment to be given in the opera house next Tuesday evening for the benefit of base ball, promises a highly interesting programme, consisting of shadow-graph, illustrated songs, trick bicycle riding, monologues, etc. Mr. and Mrs. H. C. Hand are spending two weeks in New York city. On account of suspension of work at the coal mines, no coal is passing over the Honesdale Delaware and Hudson, and Erie branches. All train crews are laid off. Thursday morning one car of coal was jammed in the coal pocket. Twenty-five wagons were waiting to be loaded. The pockets were soon empty. The grand stand at the fair grounds will be erected by Contractor Robbins. Miss Mary Mumford is home from National Park seminary, to attend the funeral of her aunt, Miss Clara Sutton. Mr. and Mrs. J. S. Lowden and Miss Jennie Richmond are spending a week with relatives in Pittston. The Saturday half holiday season begins this week in county officials in the court house. The viewers recommend a state bridge to replace the Main street bridge destroyed by the ice flood. Miss Clara T. Sutton died about 7 o'clock Wednesday evening at her home, corner Third and Eleventh streets. The funeral will be conducted by her pastor, Rev. William H. Swift, of the Presbyterian church, at her late home, Saturday at 3 p. m. Interment in Ghentbury cemetery. A memorial service will be held in the Presbyterian church Sunday evening next at 7.30, to which the other congregations and teachers and scholars of the Honesdale schools are invited. Rev. Mr. Swift will deliver the sermon and Hon. P. P. Kimble will speak for the schools. Deceased was born in Honesdale and was 47 years of age. She entered the Honesdale public schools as teacher in 1875 and continued until the commencement of her illness about six weeks ago, except one year when she taught in the Hawley schools. She was a consistent, earnest Christian worker in the church, Sunday school and Christian Endeavor society. Her loss will be greatly felt. Probably no person ever experienced so much sorrow as Miss Sutton, with her long continued service in the schools and church work. She is survived by one brother, Charles, of Duluth, Minn., three sisters, Miss Hatfield, at home, Mrs. E. C. Mumford of Honesdale and Mrs. D. A. Noble of San Antonio, Texas.

HANDICAPPED. The man who started to run a race in chains and fetters would be visibly handicapped. No one would expect him to succeed. The man who runs the race of life when his digestive and nutritive organs are diseased is equally handicapped. In the one case strength is over-weighted, in the other it is undermined. Success demands a body that is perfectly digested and assimilated and a body that receives strength in the only way in which strength can be given—by the nutrition derived from digested and assimilated food.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. When this is done food is perfectly digested and assimilated and the body receives strength in the only way in which strength can be given—by the nutrition derived from digested and assimilated food.

The prize I would like to give you "Golden Medical Discovery" I cannot utter in words or describe with pen and ink. James R. Ambrose, Esq. of New York writes me that he has been indisposed for some time and that he would like to give you a question blank to fill out. I did so, and you have advised me to use Dr. Pierce's Golden Medical Discovery. I took three bottles, and I felt so good that I stopped, being cured. I have no symptoms of gastric trouble or indigestion now.

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good." Dr. Pierce's Common Sense Medical Adviser, sent free on receipt of stamps to cover expense of mailing only. Twenty-one cent stamps for the book in paper covers, or 31 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

Ludwig leaves today for New York and will sail for Hon. P. P. Kimble's home on the Kaiser Wilhelm Der Grosse to be absent six weeks. The Harlow Insulator company have purchased four acres of ground just a short distance north of the West Hawley depot, where they will put in a tank furnace and the other buildings necessary for the equipment of an up-to-date plant. They expect to be in full operation by September 2. They already have an order from the government for 100,000 insulators. Rev. J. H. Watrous of the Baptist church will preach the memorial sermon at the Methodist Episcopal church Sunday evening, May 25, for the James M. Thorpe post, 185, G. A. R. Council No. 456, Jr. O. U. A. The costumes of the ladies, together with the decorations made every thing within view in beauty and fragrance with nature without. At 9 o'clock the grand march led by J. F. Hartnett and Mrs. M. H. ACADEMY—Mabel Paige company. Afternoon and night. For Another Week. One of the best repertoire companies seen at the Academy of Music this season is the Southern stock company, headed by Miss Mabel Paige, now playing there, and the announcement that this excellent organization will continue at the Academy for another week is welcome news to the theater-goers of Scranton. Miss Paige is simply placed in both the North and South, and her pleasing personality and clever acting has made many friends in Scranton as is evidenced by the large audience which greeted her at every performance.

The vaudeville acts which are introduced are the best acts of the kind on the vaudeville stage, and especially is this true of Heald and Beland, the latest European importation, in their line of acts of strength and balancing. The marvelous feats performed by these people are truly wonderful, and should be seen by every Scrantonian. Monday night, ladies 15 cent tickets will be issued.

BASE BALL. STATE LEAGUE. Result of Yesterday's Games. Standing of Clubs. Today's Games. Another for Scranton. Defeated by the Local Team in a Heavy Hitting Game—Score Was 17 to 8.

Table with columns: Played, Won, Lost, P.C. for various teams in the State League.

Scranton defeated Wilkes-Barre at the park yesterday by the score of 17 to 8. This victory strengthened Scranton's hold on first place.

Scranton defeated Wilkes-Barre at the park yesterday by the score of 17 to 8. This victory strengthened Scranton's hold on first place.

Both pitchers were hit hard; Ross for sixteenth hits and McGarry for eight. Sullivan was hit for three again yesterday, and the team seemed to play faster ball with him there. Rainey put up a great game behind the bat. He had six unassisted put-outs to his credit.

Wilkes-Barre team learned to their sorrow that Rainey can throw to the bases, for he caught two of the visiting team who attempted to steal second, and then the rest of them got wise and hugged the bases close.

Logan batted the ball out in great shape. He had two doubles, two singles and he was also hit by a pitched ball. Schmitz is beginning to get his peepers on the ball, and with a little more experience will bat as well as the rest.

Table with columns: R, H, O, A, E for various players in the game.
