# THE TRIBUNE'S Liberal Offer to Subscribers

By a special arrangement with the publishers of the Cosmopolitan Magazine and the Woman's Home Companion, The Tribune is able to offer these two high-class magazines to any person who is a subscriber to THE TRIBUNE for one year each for the small sum of \$1.25,

> Cosmopolitan Magazine (one year)........\$1.00 Woman's Home Companion (one year)..... 1,00

#### The Tribune Offers the Two for \$1.25

Everybody buys one or more magazines each month-probably a great many of THE TRIBune's readers are buying one or both of these, as they are among the leading and most popular of literary publications. This offer gives you an opportunity to save seventy-five cents, simply because you are a subscriber to THE TRIBUNE.

### To Paid-Up Subscribers

receive the two magazines each month for one year.

THE TRIBUNE places only one restriction on this offer. A subscriber's subscription must be paid to the current month, as it would be manifestly unfair to expect THE TRIBUNE to forward subscription money to these publications while THE TRIBUNE'S account remains unpaid. A subscriber whose subscription is paid has but to hand \$1.25 to THE TRIBUNE and he will

#### To Non-Subscribers

You can avail yourself of this offer by simply ordering THE TRIBUNE, to be paid for at the regular rate of 50 cents per month. You can then secure the two magazines by paying \$1.25.

# To Subscribers Who Wish To Pay for The Tribune in Advance

You can save a lot of money by paying for THE TRIBUNE in advance. If you have been paying by the month or at the end of the year, and wish to pay for The Tribune a year in advance, you can get The Tribune, The Cosmopolitan and the Woman's Home Companion, each for one year, for \$6.25, just 25 cents more than you have been paying for The Tribune alone.

#### To Contestants in The Tribune's Educational Contest

You should explain this liberal offer to those you ask to subscribe for THE TRIBUNE. If they will pay you \$1.25 in addition to the price of THE TRIBUNE they will receive these two magazines one year. Sample copies of the magazines will be furnished you free. Here are the prices, where THE TRIBUNE subscription is paid in advance:

A THE RESERVE TO THE PROPERTY OF THE PROPERTY	
THE TRIBUNE one month and the magazines one year	\$1.75
THE TRIBUNE three months and the magazines one year	2.50
THE TRIBUNE six months and the magazines one year	3.75
THE TRIBUNE one year and the magazines one year	6.25

Those wishing to take advantage of this offer should hand their money to The Tribune at once and their subscriptions will commence with the first number of the magazines published after the subscription is received.
