WHY? We will give you the facts of the whole transaction if you'll read, mark, learn and inwardly digest what we have to say about these exceptional values.

We selected the cloth patterns from samples submitted direct from the cloth mills. We ordered our tailors to put in the same trimmings and workmanship as we have in our \$15.00 suits. Our order has been carried out to the letter. They have arrived and plenty of them. Starting in Tuesday morning we will sell them \$10.00 a Suit.

IT'S AN OPPORTUNITY that seldom occurs, especially in the middle of the busy season. Perhaps you wonder why we do it. The opportunity came to us through a prominent cloth mill. They decided to run their looms a month longer than usual on summer patterns. We made them an offer and got the cloth—our tailors did the rest.

THE CLOTH PATTERNS include those stylish green and brown mixtures. You've probably noticed them on the well dressed men this season.

WE'VE SAID ENOUGH, and what we have said ought to convince you of this exceptional suit opportunity. If you want further proof come here TODAY. You'll find it in these suits at . . . \$10
