

WEST SCRANTON

John Swift, of Meridian Street, Was Killed at Pittsburg—George Lamb Committed to Jail.

John Swift, aged 22 years, who, prior to the strike, was employed at running an electric motor at Mt. Pleasant mines, was killed on the railroad at McKeesport, Pa., on Tuesday.

Word to that effect was received by the deceased's mother yesterday. She resides at 201 Meridian street. Young Swift left here just a week prior to the day on which he met his death. He had secured employment there in the Dilmer mills, and was returning home from work when the said accident occurred.

The message was sent to deceased's mother by John Baines, who accompanied young Swift to McKeesport. The remains will be brought to this city for interment, and are expected to arrive to-day, and will be looked after by Funeral Director Regan.

Deceased is survived by his widowed mother and two sisters, Mrs. Sarah Swift, Misses Sarah and Mary Swift. The funeral announcement will be made later.

Two Complaints.

The local police have many complaints about disorderly conduct of boys in different localities, and another was made about the boys in Edwards court, below Washburn street. Several of their names are known and unless they desist arrests will follow.

A young man entered the station house last evening and complained that a bootblack on Price street had struck him in the face. His appearance certainly indicated that fact, as his countenance, collar and tie were all smeared with blackening. After washing the victim started out to get a warrant but the only description he had was that his assailant wore a straw hat.

Masters and Mr. Walter Masters, of Green Ridge; Mrs. George Oberdorfer and Mrs. Owen Charles, of Tripp Park.

Before Alderman Kellow.

John Yahgustine, a laborer, who has been working in the Mt. Pleasant mines since the strike, was arraigned before Alderman Kellow yesterday, charged with the larceny of a vest containing three dollars, which belonged to his boarding house, John Morris, of 607 West Linden street.

The prosecutor alleged that the defendant broke a window in the house and gained access through it into the house. The case was finally settled by Yahgustine returning the money and paying the costs.

Mrs. Annie Davis, of Schnell court, was arraigned before Alderman Kellow on the charge of keeping a disorderly house, and with harboring the husband of Mrs. Mary Maloney, of Hennessy court. The defendant was held in \$300 bail for her appearance at court.

The chorus they sing is the "Night Belts." The public is cordially invited to attend the services, which commence at 7 o'clock sharp.

Lamb Committed to Jail.

George Lamb, of 2004 Luzerne street, who was arrested by Constable Timothy Jones Tuesday evening for assaulting his aged mother and threatening to set fire to the house, was arraigned in police court yesterday morning. The prisoner's aged mother appeared against him, and reiterated the charges made the previous night. The magistrate demanded bail in the sum of \$300 for Lamb's appearance at court. He could not obtain bail, and was committed to the county jail to await trial.

DUNMORE DOINGS.

Prof. Bovard's Statement of What He Said to the School Board. Inspection of the Schools.

The following has been received from Prof. E. D. Bovard:

To show that the reporter did not give the facts as I gave them to the school board at Monday night's meeting, I quote the following from my written report as given at that time: "The schools are in much better condition now than when I took charge of them. In spite of all the changes in teachers during the last four years the progress of the schools was never allowed to go back. The high character of these schools should be maintained and I believe it will be maintained. But if corruption enters the schools they will go down."

As an example of this I gave San Francisco, California, where a few years ago it was alleged every teacher was assessed for political purposes and all new applicants had to pay for their positions. I used this illustration to show the high standing of schools where teachers got and held their positions on merit and not by any other means.

Every teacher should be given a positive answer when they ask a director about re-election. A positive yes or no. And that promise should not be broken. Neither politics nor religion should have anything to do with the election of teachers. Elect them on their merits.

If these facts had been given by the reporter no one could be misled by what I said. E. D. Bovard.

Fred Hess, of 538 Alder street, a young man, who is employed at the Sauquoit silk mill, as an elevator operator, met with a serious accident yesterday that will lay him up for some time.

It is understood that he is subject to epileptic fits and the presumption is that he was taken ill at the elevator shaft. At any rate he was picked up in an unconscious condition, after falling a distance of twenty feet, and the only way to account for the accident is that he had taken a fit.

When picked up he was a mass of bruises, and although no bones were broken, his face and neck were severely cut. His injuries were attended to by Dr. J. Walsh, who will make a further examination today.
