SCHOOL BOARD ELECTS PRESIDENT

Director Kerwin, Secretary of Old Board, Chosen at Last Night's Special Meeting in Accordance with Precedent—Tax Levy of Eleven Mills for Next Year—Other Business. The Carbondale school board at a special session last night completed its permanent organization by electing Richard A. Kerwin, director from the lower district, as president. Mr. Kerwin was the secretary of the old board, and was re-elected at the special meeting. His absence at the organizational meeting on Monday evening caused the permanent organization to be put off until a special meeting could be called to suit the convenience of the new president during the strike situation.

Retiring President Hughes opened the meeting last night and presided until Mr. Kerwin's election. After the presentation and acceptance of the latter's certificate of election, Mr. Copeland, seconded by Mr. Yaman, nominated Mr. Kerwin for president. The election was unanimous. President Kerwin in taking the chair heartily thanked the directors. This made the reorganization of the board complete.

An important action of the board was the fixing of the tax levy for the coming year. It was made the same as last year—eleven mills; 7 mills for the general fund, 2 mills for the building fund and one mill for the sinking fund.

There was considerable discussion before the amount of the levy was decided upon. A summing up of the expenditures of the year indicated that more money was needed. Mr. Copeland and Mr. Hughes, however, were firmly opposed to raising the levy. They would prefer to shorten the school term by one month, thus appreciably curtailing expenses, than to increase the levy beyond eleven mills, in the face of the circumstances of labor in the community.

None of the other members urged the raising of the levy, though it was suggested as necessary. The question of shortening the school year will be disposed of at the next meeting. It was decided to have the annual financial statement of the district printed on posters, to be tacked upon poles, etc., on the highway.

Next Tuesday was fixed as visiting day for the directors among the schools and Monday, June 23 was named as inspection day, when the board will tour the district to observe what changes or improvements about the schools may be necessary.

Services in St. Paul's. Second—Trinity-Sunday—Sabbath school, 9:30 a. m.; services, 10:30 a. m. A term session on 1 Timothy vi:8-8: First—Godliness with contentment is great gain. Second—We brought nothing into this world and we carry nothing out. Third—Having food and raiment let us be therewith content. All are welcome to attend.

Alumni to Meet Tuesday. Owing to other meetings the meeting of the Alumni Association, which was postponed until next Tuesday evening at 7:30.

Missionary Society Elected Officers. The address of the evening at the Methodist Missionary meeting at Forest City was worthy of especial mention.

A BIG EARNER. Good Food Pays Better Than Any Other Investment. Money put into properly selected food that brings health and maintains it is better invested than any other way. A man who had spent hundreds of dollars in medicines to try and get well writes that the past year he has used 250 packages of Grape-Nuts. He says: "Several years ago I had two severe strokes of paralysis, bringing on general nervous debility. I was not able to do work of any kind for several years. I doctored hundreds of dollars away. About a year ago I began using Grape-Nuts Breakfast Food and have so steadily gained in strength and health that since last July I have worked every day at collecting for a large company, walking several miles a day and have not enjoyed better health for over 20 years than I do now. I am able to use all kinds of food but do not eat much besides Grape-Nuts and Postum Food Coffee."—W. F. Albro, 207 Chestnut Street, Scranton, Pa.

Don't overlook the recipe book in each package of Grape-Nuts.

Layman is employed in this city and after the young couple will have spent a short time with the bride's parents they will establish their own home.

WORK IN OTHER PLACES.

Young Men Continue to Leave Carbondale for Various Places. The departure of young men from Carbondale is unabated, and scarcely a day passes without a number leaving the city, either in quest of work or pleasure during the continuance of the strike. A refreshing feature of this exodus is that the majority who have left intend to remain away from Carbondale only while the present depression exists. They will return, many have said, when the chances of employment are better.

Among those who attended from Carbondale were Messrs. J. H. McShane, E. W. Clark and H. F. Clark; Messrs. Chaffee, Butler, Kilpatrick, Humphrey, Blair, Box, J. Stephens, W. G. Stephens, Wilson, Sneath, Gibbs, Helmes, Sherrer, Whitecock and Theophilus; Misses Butler, Humphrey, Rollis, Muller, Kenworthy, Skinner, Oliver, Stanton, Foster, Stephens, Grennell and Felts and Frank Smith.

SOME FISHING PARTIES.

Successful Anglers Whip Streams Hereabouts—Real Season Opens June 15. The fine weather of the past week has attracted the local fishermen to the trout streams, with the consequence that there are quite a number of missing ones among the finny tribe in the streams north of Carbondale.

Fire Chief McNulty and John Guibert, who would leave for fishing as soon as the fire were at Stillwater, N. Y., this week. They had the usual luck—two well-filled baskets. Poor Director Harry Williams came home yesterday, after a successful and beneficial outing among the ponds up the mountain.

William Cleft, trainman on Conductor Hubbard's train on the Honlesdale branch, is on a trout fishing trip up north. Though this, the trout season, has been taken advantage of by a multitude of fishermen in Carbondale, the angling will commence in earnest after June 15, when pickered and bass may be caught. The season of fish stories, that are fish stories, will not open until that time.

The fish that may be caught after June 15, are as follows: Black bass, green, or Oswego bass, crappie, grass, or striped bass, white bass, rock bass, pike, perch, commonly called salt-eyed pike, Susquehanna, or jack salmon, pike, pickerel, sun fish and muscalunge. Bass must not be taken from the lakes less than nine inches in length; pickerel must not be taken less than nine inches.

THE GRANDEST

The Most Satisfactory and Safest Medicine any Sick Woman Can Take.

Thus Does a Prominent Brooklyn, N.Y., Woman, Speak of Lydia E. Pinkham's Vegetable Compound.

When a woman of the prominence and social standing of Mrs. Atherton whose portrait we are herewith permitted to reproduce, voluntarily furnishes us with a letter of such unqualified endorsement as the following, we feel that we not only owe her a debt of gratitude, but all women who are ill should feel under deep obligations to her, for she tells them in unmistakable words where they may look for a cure and not be disappointed.

Such testimony should be accepted by all women as convincing evidence that Lydia E. Pinkham's Vegetable Compound stands without a peer as a remedy for all the distressing ills of women; all ovarian troubles; inflammations; ulceration, falling and displacements of the womb; backache; irregular, suppressed or painful menstruation. Surely the volume and character of the testimonial letters we are daily printing in the newspapers can leave no room for doubt. Truly it is said that it is Lydia E. Pinkham's Vegetable Compound that is curing so many women, and no other medicine.

MRS. FLORENCE ATHERTON, Vice-President Societe Francaise de Bienfaisance, Brooklyn, N. Y.

"DEAR MRS. PINKHAM:—For the benefit of suffering women I want to testify to the fact that I have by personal experience and by friends who have been cured by using Lydia E. Pinkham's Vegetable Compound come to the conclusion that it is the safest, the grandest and the most satisfactory medicine any sick woman can take. Life was a burden to me five years ago, I felt so miserable with female troubles and irregular menstruation; to-day it is all different, for I am perfectly well. Dozens of my lady friends join me in singing your praise. Yours, FLORENCE ATHERTON, 47 Hoyt St., Brooklyn, N. Y."

"A Boston Woman's Experience." "DEAR MRS. PINKHAM:—I cannot praise Lydia E. Pinkham's Vegetable Compound enough. I was a sick woman when I commenced to take it. My trouble was female disease, and I had pain in my back and sides. The doctor said I was going into consumption; I had been married eight years, but had no children. I had some of the best doctors in the city, but none seemed to cure me, so I decided to take your medicine, and it has made me a new woman, and I now have a lovely little baby boy. I would advise all sick and weak women to take Lydia E. Pinkham's Vegetable Compound."—Mrs. ALPHONSE COOK, 18 Rockingham Place, Roxbury District, Boston, Mass.

Remember every woman is cordially invited to write to Mrs. Pinkham if there is anything about her symptoms she does not understand. Her address is Lynn, Mass., her advice is free and cheerfully given to every ailing woman who asks for it.

\$5000 REWARD.—We have deposited with the National City Bank of Lynn, \$5000, which will be paid to any person who can find the more testimonial letters are not genuine, or were published before obtaining the writer's special permission. Lydia E. Pinkham Medicine Co., Lynn, Mass.
