Young Man Claims to Have Been Assaulted and Robbed—Work Begun on South Main Avenue Pave—News Notes.

A young man named Metz, residing on North Filmore avenue, claims to have been assaulted and robbed recently while on his way home from work. He is employed in a central city printing office, and was at a point near his home when the alleged assault and robbery occurred. According to the story in circulation, young Metz was struck in the face by an unknown assailant and relieved of his watch. The case has not been reported to the police.

Work on the Pave Begins.

Some time ago it was exclusively announced in this department that work on the South Main avenue pave would be commenced the first week in June, and yesterday a large force of men were at work plowing up the dirt between Oxford and Luzerne streets, together with a number of teams and wagons. The contractor is M. H. Dale, and the pavement will be of brick with a concrete base. This will be welcome news to hundreds of people who have occasion to use this thoroughfare daily. The work will be pushed as rapidly as possible.

Trouble Over a Horse.

Messrs. Pease and Brink, the hucksters, were arraigned before Alderman Kellow yesterday charged by Joseph Allen, another huckster, with false pretenses in regard to the sale of a horse. Allen is near sighted, and bargained with Pease and Brink for the sale of a horse. The former claims the defendants delivered the wrong horse to him at night time, hence the suit. They were each held in bail for their appearance at court.

SOUTH SCRANTON NOTES.

Miss Margaret Mawn, Who Was Lost in the Mountain, Found by Her Uncle, Frank Mawn.

Miss Margaret Mawn, the 15-year-old daughter of John Mawn, residing at 22 Lehigh avenue, who was reported lost to the police Saturday, was found late on Saturday night by friends near Ore Mine spring, in the vicinity of Lake Scranton.

The young lady has been ill for some time and wandered off early in the afternoon. As darkness came on she did not appear, her family became anxious and notified the police. Parties were organized by friends and a systematic search was made through the woods in which fully twenty-five persons participated. The young woman was found by her mother, Frank Mawn, at Ore Mine, a little the worse for her adventure.

An Unhappy Bride.

Mrs. Amelia Werner, a bride of less than two months, appeared before Alderman Kellow yesterday and unfolded a pitiful tale. She said that after being married she went to live with her husband's parents to whom he turns over his pay, and that they made her miserable for her in various ways. She said that her husband came home recently and beat her so that she was forced to leave him and return to her parents. The alderman's suggestion that they adjust their differences was rejected, and the husband, Fred Werner, was held for court in \$500 bail on charges of assault and battery and non-support.

Woes of a Peacemaker.

Fred Backus was arrested yesterday on three charges, assault and battery, forcible entry and detainer and assault with intent to kill. It appears that he and his wife were quarrelling at the home in the Schnell court Sunday, when the complainant, Anna Kohler, advised them to desist.

For this she says she was set upon, kicked and severely injured, and if not for her husband's intervention she would have been killed. Backus waived a hearing and furnished bail in the sum of \$500 before Alderman Kellow for his appearance at court.

Couldn't Fool Constable.

For some time Constable Merker had been on the lookout for Gottfried Golla, who was charged with committing an assault and battery on Henry Schnell on April 17, last. A few days ago the constable noticed a neighbor of Golla's moving some goods. He followed and learned the goods were being shipped to Gottfried Smith at Hazleton, Pa. Being satisfied that Smith and Golla were one and the same he informed Alderman Kellow and a special warrant was sent to Hazleton's chief of police and Golla trapped.

Golla agreed to appear in this city, if released and his word was taken. Alderman Kellow held him for court and his father became his bondsman in the sum of \$500.

A NEW COMPANY HERE IN SCRANTON

Arrangements Made to Lend Money on Furniture at Astonishingly Low Rates.

OFFERS GREAT ADVANTAGES TO THE POOR

Anybody Can Get from \$10 to \$300 on Household Furniture Two Hours After Application Is Made—Not Even the Borrower's Own Family Need Know of the Loan. Company Will Let You Arrange Payments to Suit Yourself.

There is no longer any need for the people of this city to be without ready cash in their pockets.

There is no longer any need for you to humiliate yourself by asking your friends to lend you money as an act of charity.

Those who have too much self-respect to let their friends know that they are hard up can now pay all their bills and keep up a good appearance and look prosperous before their neighbors and acquaintances.

This is a great advantage to most people, and the beauty of this new plan which makes all this possible is that it costs so little.

At 207 Wyoming avenue the Scranton Loan Guarantee company now has offices where anybody can get from \$10 to \$300 on household furniture. The loan may be had for one month or for a whole year, and those who apply will be told at first exactly what it would cost for any amount for any length of time. Naturally a great many would expect that they would be charged compound interest under these circumstances. But the manager of this new company is particularly anxious that the public should know that no compound interest is charged.

at all. He says, further, that there are no charges to be paid in advance, and hopes that no one who needs a small temporary loan will hesitate to take advantage of the company's offer because of any fear that the rates might be too high. They have been made so low that even the poorest can easily afford to get a loan.

The furniture is left with the borrower, and there is absolutely no publicity for the company realizes that that is just what the public are most anxious to avoid.

As for the payments, each borrower is permitted to say just when would be most convenient to pay. Most of those who have taken out loans so far have preferred to pay in small monthly instalments. Some pay by the week, but in no case is the borrower compelled to pay all at once.

It will be noticed at once how much better it is to get a loan this way than by pawning things. With this plan you have the use of the goods while you also have the money. The company intends to make loans anywhere within twenty-five miles of Scranton. All applications should be made to the Scranton Loan Guarantee Co., 207 Wyoming avenue, near Spruce street.

Shepherd will hold a cake and ice cream social at the church ground, Thursday evening, from 7 to 10 o'clock. Should the weather not be pleasant, the festival will be held in the guild rooms.

Ezra Gray, the evening mail collector, is serving on the jury this week.

NORTH SCRANTON.

David Williams, of Summit avenue, continues to work as a fireman at the Leggett's Creek colliery, and as a consequence he and his family are subjected to many annoyances. They have been made targets of many and varied opprobrious epithets, their house has been pelted with stones and effigies of the husband and children hung from neighboring poles and trees. Among those who, it is alleged, participated in these annoying acts, was George Bonner, the 18-year-old son of Mr. and Mrs. George Bonner, who lives next door, in the same block, to the Williamses. Last night Mrs. Williams and the elder and junior Bonner had a quarrel and Mrs. Williams caused the arrest of the younger Bonner on the charge of disorderly conduct. The evidence at the hearing before Alderman Meyers was not such as warranted his being held for court, according to the views of the magistrate, and the case, in consequence, was dismissed.
