#### A PATRIOTIC SERVICE.

Two Flags Formally Presented to Penn Avenue Baptist Church-H. E. Paine's Speech.

A unique service was conducted last night in the Penn Avenue Baptist church. The occasion was the formal presentation of two beautiful American flags to the church by Ralph Amerman and his sister, Miss Mary T. Amerman, who are about to take a European tour in company with Rev. Dr. Robert F. Y. Pierce, the pastor.

Each person attending the service was presented with a small American flag, and the national colors were draped about the pulpit. Patriotic songs were sung by the choir, and patriotism was the subject of all the addresses.

William R. McClave formally presented the flags to the church, on behalf of the donors, and said that in his opinion every church in the country should have and float the nation's emblem. Common Councilman H. E. Paine. who is a first-class speaker, though selber, accepted one of the flags and made said that every church should have a flag, and every church member should live up to the principles which the flag represents.

"If the church people and the good people took the same interest in our city government that the bad people said he, "our city government would become less like a sewer and more like a clear mountain stream. The trouble is that when election time comes around the good people are so busy hunting up principles to stand on that the devil slips in and runs off with all the offices. I think it would be a mighty good thing if the good people would let the devil run off with the principles for once and get a few offices themselves."

He gave an eloquent resume of the great and mighty things which the flag stands for, and closed by reciting a brief apostrophe to "Old Glory."

E. S. Williams accepted the other flag, and Rev. Dr. Pierce made a brief address. After the service, Dr. and Mrs. Pierce entertained those present in the lower temple, where refreshments were served and a pleasant social hour en-

## **GUILTY IN THE SECOND DEGREE**

VERDICT RETURNED AGAINST MICHAEL DAVIS.

Mackey McDonough Received Sentences Aggregating Ten Years and Michael Judge Seven Years-They Were Members of the New Deadline Gang-James Sullivan Was Returned Not Guilty of the Charge of Larceny and Receiving-Jury Permits Mrs. Sampson to Go Scott

"Murder of the second" degree was he verdict returned yesterday morning by the jury before whom Michael Davis was tried for the killing of Peter King at Minooka on Feb. 16. It is understood hat the jury stood as follows when it went out: One for murder in the first degree, ten for murder in the second legree and one for manslaughter. Dais was visibly relieved when he heard the verdict for he feared he might be found guilty of the higher degree of murder.

Mackey McDonough and Michael ludge, two members of Bellevue's new "dead line gang," received heavy sentences yesterday. Both were convicted of burglarizing Alonzo Hubbard's hotel n South Washington avenue, before Judge Kelly and for this offense Mc-Donough was yesterday sentenced to three years in the penitentiary and Judge to four.

Before Judge Newcomb they were onvicted of stealing bruss and iron from the Delaware, Lackawanna and Western company and for that infraction of the law they got three years each. McDonough pleaded guilty to stealing a harness from Regan's livery stable and Judge Newcomb gave him named crime but his connection with it guilty was taken as to him. The sentences do not run concurrent but follow one another so that McDonough will have ten years to spend in the penitentlary and Judge seven.

Patrick Finnegan, who was convicted with McDonough and Judge of participation in the theft of the brass from the Delaware, Lackawanna and Western, was sentenced to nine months in the county jail and in the case of John J. Walsh, mixed up in the same transaction, sentence was suspended until October.

Abe Posner was convicted of larceny by bailee and was sentenced by Judge Edwards to pay a fine of \$1, restore the property and spend six months in the county jail. The testimony of the prosecutor, James Sullivan, was that he met Posner on Penn avenue on April 12 and Posner asked him for the loan of \$1. He did not have any change but he gave Posner a \$20 bill and told him to get it changed and return \$19 to him. Posner took the \$20 bill but failed to return any change. His defense was that he asked Sullivan for a loan of \$20 dom heard outside of the council cham- and that the latter turned the bill over to him. He has since been unable to

In the case of James Sullivan who was tried before Judge Kelly Wednesday on a charge of stealing oats, etc., from John W. Lillibridge at Blakely was yesterday returned not guilty. Stephen Hunt, who pleaded guilty of participating in the same offense, was sentenced to pay a fine of \$1 and to spend thirty days in the county jail. A verdict of not guilty was taken in the case against Andrew Horenzo, indicted for participation in the same offense and a nol pros was entered in the case of Levi Stage, also indicted for having a hand in taking Mr. Lillibridge's prop-

MRS. ROWAN ACQUITTED.

Mrs. Kate Rowan, of Jessup, was ried before Judge Kelly for larceny by ballee and assault and battery, the prosecutor being Mrs. Mary Wadow, a Syrian peddler. The latter alleges that she went into Mrs. Rowan's house to sell her wares and she was asked for a mouth organ. She had none in the line she carried and was then asked for a razor. She opened her pack to display her goods and alleges that Mrs. Rowan and members of the family kept a number of articles and when she demanded that they be returned she was put off the premises so violently that she was thrown down and injured.

The defense was a denial of the theft and also of the assault. It was admitted that Mrs. Wadow had to be put off the premises but no more force was used than was absolutely necessary. The jury returned Mrs. Rowan not guilty of both charges and in the assault and battery case placed the costs on the county.

Evan Jehu was tried on the charge of committing an assault and battery on Mrs. Mary Zigmonlon. Jehu is the dumpman at the Dickson colliery in Green Ridge and the prosecutrix alleges that he exacted a fee of 25 cents a month from all who picked coal there. Mrs. Zigmonlon says she was in arrears in her payments and because of this on the day in question he put her off the dump and kicked and beat her. Jehu denied emphatically that he exacted a fee from those who picked coal. He said Mrs. Zigmonlon was on the top of the dump picking coal, which of American and foreign patents, 214-15 was against the rules. She was close to the track along which the culm car traveled and in such a position that he could not sprag the cars at the point where they ought to be spragged and he shoved her aside and threw away her bucket which contained some coal. This angered her and she followed him and hurled pieces of slate at him. He denied having kicked or otherwise assaulted her. The jury was out at adourning hour

Before Judge Edwards Mrs. Kate Sampson, colored, was tried on a charge of keeping a disorderly house in Raymond court. The prosecutor was W. H. Thomas, constable of the Eighth ward. Mrs. Sampson is the mother of the little boys who have so frequently been

# TRIFLING WITH YOUR HEALTH WANT TO COME

Is like Playing with a loaded Gun. If you have Kidney Trouble attend to it at once.

It is easy to tell whether your Kidneys or bladder are diseased. Take a bottle or glass tumbler and fill it with urine. If there is a sediment—a powder-like substance—after standing a day and night, if it is pale or discolored, ropy or stringy, there is something wrong with the Kidneys. Other sure signs of disease are a desire to urinate often, pain in the back, or if your urine stains linen. or if your urine stains linen.

There is no question that Dr. David Kennedy's Favorite Remedy is the best and surest medicine in the world for diseases of the Kidneys, Liver, Bladder and Blood, Rheumatism, Dyspepsia, Chronic Constipation, and the sicknesses peculiar to women. It quickly relieves and cures inability to hold urine and the necessity of getting up a number of times during the night, and puts an end to the scalding pain when passing urine.

The Rev. Henry P. Miller, pastor Baptist Church, Spartenburg, S. C., writes: "For years I suffered with Kidney, liver and heart troubles, swimming in the head, dull headache and numbness of the limbs. Physicians prescribed for me and I took different medicines, but none of them did me any good. But Dr. David Kennedy's Favorite Remedy cured me in about two weeks."

It is for sale by all druggists in the New 50 Oent Size and the regular \$1.00 size bottles—less than a cent a dose. Sample bottle-enough for trial, free by mail. in the hands of the police for theft. On of them is now in the reformatory at four years for that. Judge was also Huntington, Mrs. W. B. Duggan testiarrested for participation in the last fled that she had visited Mrs. Sampson's place several times looking after could not be proved and a verdict of not that woman's children. It was not a well governed place. Several officers testified that the house had to be raided a number of times because of the disorderly conduct of the inmates. No evidence was offered on the part of the defense. The verdict was not guilty and the costs were placed on the county.

Samuel Van Wert and John Kirn, of South Scranton, were tried for committing an assault and battery on S. P. Prowdzik. It was a row over a line fence. In the case of Van Wert the verdict was not guilty and the county was directed to pay the cost. As to Kirn the verdict was not guilty, the prosecutor was directed to pay twothirds of the costs and the defendant one-third.

When court adjourned Frank was on trial before Judge Edan assault and battery on Donald Dickson. The latter is a man well along in years; Frank is a mere youth. The parties live in Dunmore and the alleged assault was committed there on April 29. Dickson had rented a house from Frank's father but had moved out on to be incurred by the city would be April 28. As his rent was paid until about \$15,000 or a fraction over three May 1 he decided to keep the key until per cent of the assessed valuation. The that time.

April 29 he went back to the house and found the Franks, father and son, there. He alleges that young Frank his face and knocked him down. The defense is that Dickson came to the insulting language in the presence of but was not beaten or knocked down.

# INTO THE CITY

LINCOLN HEIGHTS PEOPLE SEEK ANNEXATION.

It Is Proposed to Add Both Lincoln Heights and Round Woods Park, Comprising 224 Acres, to the City. Assessed Valuation of Portion of Lackawanna Township Which it Is Proposed to Annex Is \$450,000 and the Population Is About 1,200, Steps Are Being Taken.

A movement is on foot to bring about he annexation to the city of about 224 acres of land comprising somewhat less han one-third of Lackawanna town ship. The plots which it is proposed to innex are known as the Round Woods Park and Lincoln Heights.

The portion to be annexed is bounded on the east by South Main avenue, on the south by Stafford avenue, on the west by an imaginary boundary line running some 3,000 feet or more west of South Main avenue and on the north by what is known as the Round Woods lane, which runs along the city ine. It is flanked on the north by the Fifteenth ward and partly on the east

by the Sixth ward, Upwards of 1,200 persons live in the portion of Lackawanna township in juestion and the taxpayers have long been desirous of coming into the city.
About one-half of the territory is built up and many fine residences are located upon it. The other half is plotted off into building lots which are being offered for sale by two land companies.

STREETS LAID OUT.
Streets have been laid out over both plots and nearly all of these are graded and guttered. Both the Scranton Gas and Water company and the Spring Brook Water company have laid water mains on nearly all of the streets. The fact that the streets are in such good condition is offered as one of the arguments in favor of the annexation of the plots.

Before bringing the matter up in councils it was deemed advisable to seure the support of Recorder Connell to the project and he was acquainted with the facts. It was pointed out that about one-third of the total indebtedness of the township, which amounts to \$45,-000, would have to be taken up by the city in case annexation was decided

In order to be assured as to whether the proposition is a good business one the recorder requested the board of assessors to go over the property in question and make an approximate assessment of its value. The assessors have been engaged in making this assesswards charged with having committed ment for some two weeks and they yesterday sent a copy of their figures to the recorder. They estimate that the assessed valuation of the plots, under the system now in force in this city, would be about \$450,000.

The indebtedness which would have net indebtedness of the city at present is only about one per cent of its as-

sessed valuation. It is extremely probable that Recordrudely pushed him off the premises, cut er Connell will give his approval to the project. Should he do so and should councils decide to annex the two plots place, was rude and violent and used the courts would decide as to which ward the new part of the city should Mrs, Frank. For this he was ejected but was not beaten or knocked down.
