

MUSICAL GOSSIP

Mr. J. M. Chance gave a pupils' recital yesterday afternoon at his studio in the Guernsey building, which was delightful in every respect. Mr. Chance is a most conscientious teacher and takes but a limited number of pupils. The recital last Tuesday evening by Harry Wilkins, an advanced student of the Conservatory, given in St. Luke's Parish house, was a surprise to all except

HON. T. F. MADDEN.

FORMER MAYOR OF ST. IGNACE, MICHIGAN.

Relates an Experience Which, He Says, Taught Him a Valuable Lesson.

"I have had an experience which taught me a valuable lesson," said the Hon. Thomas F. Madden, former mayor at St. Ignace, Mich., to a reporter the other day.

"It was while crossing the Gulf of Mexico," he continued, "in an attempt to recover my health, that the suggestion came to me. For twenty years I had been a sufferer from indigestion. It tortured me. I could not eat a hearty meal and even the lightest food distressed me. I doctored with possibly eight different physicians, but grew worse all the time.

"This chronic indigestion brought on a whole train of other troubles. I became nervous, suffered from violent headaches and biliousness, and I think I would have given every cent I possessed to find relief. But I became more miserable and finally in despair I determined to take a southern trip.

"On the steamer bound for Galveston I chanced to see an advertisement of Dr. Williams' Pink Pills for Pale People, and the argument struck me forcibly that a medicine which made good blood must be a cure for stomach trouble. As soon as we landed I purchased a box of Dr. Williams' Pink Pills and they gave me almost instantaneous relief. If it had not been for them I think I should have starved to death. I grew constantly better and in a short time I was cured.

"It is now over a year since these pills cured me. My stomach is sound and my digestion is perfect. I can eat heartily of the richest food, my nerves are quiet, my blood good and I feel well and strong. I have been made a well man by Dr. Williams' Pink Pills for Pale People."

The Hon. Mr. Madden's address is St. Ignace, Mich., and he is willing to corroborate the statement given above. The power of Dr. Williams' Pink Pills for Pale People in the vast number of diseases due to impure blood or to derangements of the system, has been demonstrated in thousands of instances as remarkable as his. No one who is suffering can rightfully neglect this way to restore health.

Dr. Williams' Pink Pills for Pale People are sold by all dealers, or will be sent postpaid on receipt of price, 50 cents a box, or six boxes for \$2.50. (they are never sold in bulk or by the hundred) by addressing Dr. Williams' Medicine company, Schenectady, N. Y.

those who knew of the rare talent which the young man possesses. The difficult programme which he rendered, his repose at the instrument, and his command of expression made the recital seem like one given by a pianist who had been years before the public. Mr. Wilkins has for several years been a faithful student under Professor Pennington, and he will continue his studies next year at the Conservatory.

The June number of the Etude contains a new piano composition entitled "Coquetterie," by George Dudley Martin, of this city. Theodore Presser, the publisher, writes that it "is an unusually attractive composition of a moderate degree of difficulty."

We Know There'll Be Something Doing Today

We have been very busy every day this week. It's just an indication of what we may expect today. "Let me see one of those \$10 Suits," that's all we hear all day long in our Clothing Department. People seem to have forgotten the fact that we sell \$15, \$18 and even \$30 Suits. We've been talking---and the men who have bought these suits have been talking---between the two it's created quite a \$10 sensation. There's a reason for it. We've told you the reason a great many times, we'll tell it again---The cloth mill offered us their over production of qualities that usually go into \$15 Suits. We accepted their offer and price and secured the cloth. Our tailors did the rest. This, we believe, is a good reason why there's been something doing at Samter Brothers during the past two weeks.

There's Plenty of Them. They Are Honest Suits at \$15.00, But Exceptional Values at

\$4.00 and \$5.00 Men's Shoes, \$3.50 and \$4.00 Men's Oxfords

Those men who take advantage of this sale first are going to get \$5 Shoes for \$3. It's quite a reduction, and some people who have never proved the truth of our advertisements might doubt it. Those that know us and our method of doing business will be here first and get the cream of this Shoe Sale.

\$4 and \$5 Shoes and \$3.50 and \$4 Oxfords, all the most stylish lasts of this season, in Patent Crome Calf, Patent Colt Skin, Enamel Box Calf Skin and Vici Kid.

Keep Cool

You don't have to go to the Arctic regions to be refreshed. Ice cream or ices are much more delicious when the appetite is sharp—when you are hot. It takes only a minute to squeeze a few lemons and add some sugar and water. Three minutes after that you can have a delicious lemon ice, if you use a

Peerless Iceland Freezer

Patented dasher construction does away with all motions except one—the can revolves around the stationary dasher. Motion is necessary in the cream, not in the machine. The cream has more motion in the Peerless Iceland than in any other freezer. The result is smooth, delicious ice cream in three minutes.
