SORE HANDS

Red Rough Hands Itching Palms and Painful Finger Ends

ONE NIGHT TREATMENT

Soak the hands on retiring in a strong, hot, creamy lather of CUTICURA SOAP. Dry, and anoint freely with CUTICURA, the great skin cure and purest of emollients. Wear, during the night, old, loose kid gloves, with the finger ends cut off and air holes cut in the palms. For red, rough, chapped hands, dry, fissured, itching, feverish palms, with shapeless nails and painful finger ends, this treatment is simply wonderful.

Millions of Women Use Cuticura Soap Assisted by CUTICURA CINTMENT, for preserving, purifying, and beautifying the skin, for cleansing the scalp of crusts, scales, and dandruff, and the stopping of falling hair, for softening, whitening, and soothing red, rough, and sore hands, for baby rashes and chafings, in the form of baths for annoying irritations and inflammations of women, or too free or offensive perspiration, in the form of washes for ulcerative weaknesses, and many sanative, antiseptic purposes which readily suggest themselves, as well as for all the purposes of the toilet, bath, and nursery.

CUTICURA RESOLVENT PILLS (Chocolate Coated) are a new, tasteless, odorless, economical substitute for the celebrated liquid CUTICURA RESOLVENT, as well as for all other blood purifiers and humour cures. Put up in scrow-capped pocket vials, containing 60 doses, price 25c. CUTICURA PILLS are alterative, antiseptic, tonic, and digestive, and beyond question the purest, sweetest, most successful and economical blood and skin purifiers, humour cures, and tonic-digestives yet compounded.
