IF YOU ARE SICK

And need medicine for your Kidneys, Liver, Bladder or Blood, get the Best.

Dr. David Kennedy's Favorite

If you are suffering from kidney or bladder disease, the doctor asks: "Do you desire to urinate often, and are you compelled to get up frequently during the night? Does your back pain you? Does your urine stain linen? Is there a scalding pain in passing it, and is it difficult to hold the urine back? If so, your kidneys

or bladder are diseased." Try putting some of your urine in a glass tumbler, let it stand twenty-four hours. If there is a sediment, or a cloudy, milky appearance, your kidneys are sick. Dr. David Kennedy's Favorite Remedy will surely relieve and cure the most dis-tressing cases of these dread diseases, and no physician can prescribe a medicine that equals it for kidney, liver, bladder and blood diseases, rheumatism, dyspepsia and chronic constipation.

Walter D. Miller, of Delhi, N. Y.,

writes: "I suffered for years with kidney trouble and severe pains in my back, at times it was so bad I could hardly walk. My stomach also troubled me and I frequently had twinges of rheu-matism.
