

TENTH ANNIVERSARY OF GREEN RIDGE WHEELMEN

Enjoyable Reception at Their Handsome New Home on Wyoming Avenue. Sketch of the Club's History.

The Green Ridge Wheelmen celebrated the tenth anniversary of their organization with a reception last night, at their handsome new home, 1645 Wyoming avenue.

The house was prettily decorated with laurel and palms. Four hundred guests were entertained. There was music by

C. S. SEAMANS,
President of the Green Ridge Wheelmen.
A supper was served by the club and a supper was served by the club. The reception lasted from 8 to 12 o'clock. President C. S. Seamans received, assisted by the committee of arrangements consisting of C. M. Carr, L. Rowison, B. W. Bevans, H. P. Hitchcock, and Howard Davis. The club was the recipient of many congratulations on the successful decade it has just finished and for the manner in which its existence has augmented sociability in Green Ridge. Early in the spring of 1892 a few

cyclists, residing in Green Ridge, first had under consideration the formation of a club to foster wheeling and for social enjoyment. This resulted in the permanent organization of the Green Ridge Wheelmen, June 28, 1892, with the following members: J. L. Rowison, R. A. Wambold, E. M. Green, E. S. Hitchcock, H. P. Hitchcock, J. L. Chapman, Jr., H. R. Lathrop, E. G. Stewart, F. W. Long, F. L. Holly, F. W. Hornbaker, L. R. Riehl, C. C. Conrad, and O. R. Conrad.

At first the club occupied the band-house, octagonal in shape, somewhat resembling a switchman's tower, situated in Sanderson's park. Bicycle riders, only, were eligible for membership and with the increase of cycling the list increased so that larger quarters became necessary and in October, 1893, the park house in Sanderson's park, Wyoming avenue, was taken. Shortly after this the restriction requiring members to be cyclists was removed and resulted in constant additions to the membership list. Thus the club prospered and in April, 1895, still more room was needed and the house at corner of Sanderson avenue and Green Ridge street was leased. While here the project of a new club house built especially for the club was broached and finally crystallized in the completion of its present home at 1645 Wyoming avenue. From April 1900, until March, 1901, while the new building was being erected, temporary quarters were obtained in a smaller house on Green Ridge street.

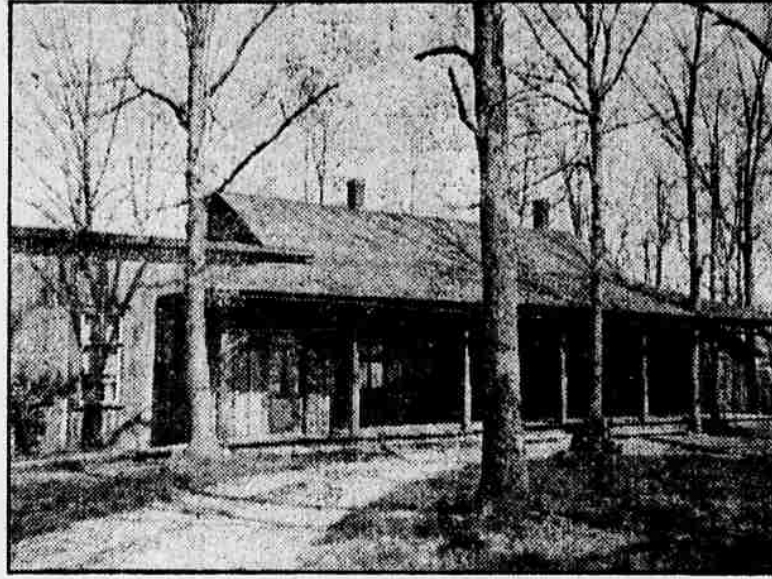

The new club house is a fine building of generous proportions. It is furnished throughout in excellent taste, and is equipped with all that a club demands in the way of recreation, including billiard, pool and ping pong tables and bowling alleys. The presidents of the organization since its formation have been: 1892, J. L. Rowison; 1893, J. L. Rowison; 1894, C. M. Carr; 1895, W. L. Carr; 1896, J. W. Garney, Jr.; 1897, George Mitchell; 1898, R. A. Wambold; 1899, O. W. Payne; 1900, P. P. Smith; 1901, C. S. Seamans; 1902, C. S. Seamans. The membership list now includes two

HOSPITAL CHANGES.

Many Improvements Have Been Made at the Lackawanna—New Waiting Room Added.

The Lackawanna hospital authorities feel pleased, and justly proud, over the recent changes made in the rear portion of the building, which have both improved the appearance of that part of the hospital and added to the working facilities. The improvements have been made by means of the recent state appropriation, and Contractor Conrad Schroeder has been in charge of the work.

He added a gift of his own, which takes the form of a small additional wing to the accident rooms. It is built of brick and is on the Franklin avenue side of the building. The structure is to be utilized as a waiting room for patients. An apartment of this nature

has long been a necessity at the hospital, and henceforth applicants for aid will not be constrained to sit in the hall, but can enter the building direct from Franklin avenue, and await their turns in a neat waiting room.

A new floor has been laid in the accident room, but the greatest change has taken place in the room formerly known as the "recovery room." This will now be used exclusively for eye and ear cases, which will be taken care of by Drs. C. L. Frey and D. W. Mears, of the hospital staff.

The room has been fitted with all of the newest and most up-to-date apparatus, and is a model of its sort. Patient appliances for attending to the most intricate kinds of throat diseases are in evidence, and glass operation tables, new air pumps and other contrivances are pointed out with gusto by the nurses and attendants.

The new laundry, adjoining the main building, is another recent addition to the institution. This has, on the ground floor, one of the largest and best equipped laundries of its kind in the state, and on the second floor are five bed rooms and a large, airy sewing room.

THE SMALLEPOX SITUATION.

Great Improvement Noted During the Past Week.

Great improvement has been noted in the local smallpox situation. No new cases have been reported recently and several patients have been discharged from the hospital. Yesterday three members of the McNealey family were discharged from the Emergency hospital.

There is now twenty-one cases in the city, none of which are any longer serious. Twelve patients are in hospitals, and the others are quarantined at home.

SUSTAINED EXCEPT. NS.

Opinion Filed by Judge Archbald Yesterday.

Judge R. W. Archbald, of the district Federal court, yesterday filed an opinion with Clerk E. R. W. Searle, sustaining the exception taken by some of the creditors of Malcolm MacKellar, of Wilkes-Barre, to a ruling made in his case by Referee in Bankruptcy Fuller. The trustee in the case, Mr. Orr, was appointed by the referee, and the cred-

itors took exception, claiming that it was necessary for a trustee to be elected by the consent of the majority of the creditors.

The trustee appointed happened to be a business partner of one of the attorneys, representing a claim against the bankrupt, and for this reason the creditors claimed that the appointment was not altogether a fair one. In concluding his opinion, Judge Archbald says:

It became the duty of the referee not to name a trustee as he did, but to call another meeting of the creditors, after let them do so. The action of the referee in appointing a trustee is set aside, and a special meeting of creditors for the purpose of selecting a trustee is ordered.

AVOCA.

At 1 o'clock yesterday morning Rev. M. F. Crane, performed the ceremony that united in marriage Miss Mary, daughter of Mr. and Mrs. M. J. Holleran, of York avenue, and P. F. Devers, of Main street. The bride and her attendant, Miss Mary Mahon, of Scranton, wore beautiful gowns of white silk mull with point lace and satin trimmings. The groom was waited upon by his cousin, Richard Marlon, of Pittston. After a wedding dinner at the home of the bride's parents, Mr. and Mrs. Devers left on a tour to Atlantic City and Philadelphia. Upon their return they will reside on Main street.

The marriage of Miss Mary, daughter of Peter Reap, of the North End, and Frank Crane, of Syracuse, was solemnized on Wednesday afternoon by Rev. M. F. Crane. The bride was gowned in steel and popular trimmings. The groom was white chifon with lace and satin trimmings. The groom was waited upon by Michael Jackson. They will reside in Syracuse.

Yesterday morning at 8 o'clock, occurred the death of Miss Mary, daughter of Andrew Hoxley, of Vine street, after a prolonged illness of bronchial trouble. Deceased was about 22 years of age. Her mother died less than two months ago, in their double bereavement the family has the sympathy of the public.

On Wednesday morning an operation was performed upon Miss Belle Morton for the removal of a growth in the upper part of the chest. The acting physicians were Drs. Piers, Wehlauf and Watson. They pronounced the operation a great success.

A WEAK HEART

Gives the man who has it ceaseless anxiety. Those sudden suffocating seizures which come upon him at the most unexpected times, seem to shake life to the very foundation. It would be a great relief to such sufferers to know that probably they were not suffering from organic heart trouble but from indigestion, catarrh of the stomach, or some other stomach disease involving the liver, and that they could be perfectly cured by Dr. Pierce's Golden Medical Discovery.

"I was taken with smothering spells, palpitation of the heart and a distressed feeling in my stomach," writes Mr. H. W. Kinney, of Knight, Doddridge Co., W. Va. "I consulted a doctor and he said I had organic heart trouble. He gave me some medicine but it did me no good. I then tried different kinds of patent medicines but they only helped me a little. I got so bad I could not walk any distance, was short of breath and my legs would get so weak I could not stand. Consulted another doctor and he said I had indigestion of the stomach and bowels. I doctored with him all summer and he only helped me a little. I then wrote asking you for advice and you advised me to take Dr. Pierce's Golden Medical Discovery. I got five bottles and commenced taking it. Before the first bottle was gone I felt a change. When the five bottles were gone I began to work. I had not worked any for a year before. I took in all sixteen bottles and was cured."

Dr. Pierce's Golden Medical Discovery is primarily designed to cure diseases of the stomach and other organs of digestion and nutrition. But because the strength of the heart, as the strength of every other organ, depends on the strength of the stomach, which provides it food, it frequently happens that when the weak stomach is made strong by "Golden Medical Discovery," the weak heart is made strong also.

Beyond all this "Golden Medical Discovery" contains one of the most powerful and beneficial heart tonics known. The action of this medicine is beneficial in any case of heart disease, and it usually cures the more familiar forms of what is popularly known as "heart trouble."

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach and blood.
