PITTSSTON.

Special to the Scranton Tribune. Pittsston, June 28.—Since the opening of the strike many of the idle workmen have been devoting their spare time to filling their coal bins. A majority have been doing this by gathering what good coal they could from the culm piles, while others ventured into the mines or abandoned workings through cave holes or unused openings.

The West Pittsston base ball team was defeated at Forty Fort yesterday, by a score of 7-6. In a well played game, they will play the Pittsston Grey's at Forty Fort tomorrow night. Fourth of July morning and will go to Tunkhannock in the afternoon, playing the first team of that place.

Quartermaster Sergeant Chauncey H. Derby, of Company M, Ninth regiment, is receiving the congratulations of his friends on his promotion to the rank of lieutenant. The new station was established at the suggestion of Postmaster Peck and is another evidence of his efforts to give the people of this district the very best postal facilities possible.

Monday, June 23.—The solution is near the cow's hill. The cat is formed by mane of the horse and the dog is behind the girl's arm. Tuesday, June 24.—One is near the hat to the left and one is on the dog. Wednesday, June 25.—One is under the sign to the left, the other just above Paul Revere's hat.

In yesterday's game with Hazleton, he had to his credit five runs, a home run, a three base hit, two two-base hits and no errors. The body of James Flynn, formerly of this city, arrived here from Cresson, Pa., last night, death having occurred in that city last Thursday evening.

THOMPSON.

Special to the Scranton Tribune. Thompson, June 27.—The "Y" will give an entertainment next Sabbath evening in the Free Baptist church; subject, "Anti-Narcotics."

The Sewer company is pushing the laying of the pipes on Main street. Candidates for county offices are seen in town frequently these days, and their grip is something wonderful—somewhat like the French grippe.

Mrs. E. R. Foster, of Burnwood, is a caller in town today. Carl Wheaton and Miss Vina Bingham, of Jackson, were married Wednesday evening at the bride's home by Rev. J. M. Colville. Mrs. E. T. Wheaton and daughter, Belle, were among the guests. The groom is a brother of Dr. Wheaton. They go to Toronto on their wedding trip.

Delos Stone, of the township, secretary of the Thompson Creamery company, has had a toe amputated, and is confined to the house for a few days.

HAWLEY.

Special to the Scranton Tribune. Hawley, June 29.—One of the prettiest weddings of the season occurred Wednesday morning at St. Paternus church, when Miss Ella Mangin became the wife of Mr. M. N. Donnelly, of Pittsston.

To the strains of the wedding march, played by Miss Alice Maloney, of Pittsston, the bridal party approached the altar of the church, the bride leaning on the arm of her brother, Henry Darling, who is serving time in the county jail, made a fake attempt to commit suicide on Thursday. He procured a small bottle of carbolic acid in an unknown manner, and carefully sprinkled the contents around in his cell, on his clothing and hands, and then proceeded to cause an artery cut in the neck of the cell's furnishings, yelled as if crazy and seemed determined to want to die. A physician was called, and only a look was necessary to convince the authorities that he was working a fake scheme to get out. However, he was given nine tablespoonsful of castor oil, and he is still alive.

The First Experience

Of maternity is often followed by a quick convalescence which gives no hint of loss of strength as the result of the trying ordeal. Youth with its undrained vitality makes for the young mothers' health and happiness. But later maternal experiences bring a different result. The care of a family, multiplied household duties, and very often the weakness caused by womanly disease, tend to prolong the suffering of maternity and to make convalescence a slow and weary process.

Dr. Pierce's Favorite Prescription prepares the wife for maternity. It promotes the appetite, cures nervousness and sleeplessness, and gives a consciousness of buoyant health. It gives great muscular strength and elasticity and makes the baby's advent practically painless. It is unexcelled as a strengthening tonic for mothers during the period of convalescence.

"During my two years of married life I have not had good health," writes Mrs. Daisy Studdard, of 608 South Esplanade Ave., Leavenworth, Kans. "I was all run-down, and my husband got me to write to Dr. Pierce and explain my case to him and see if he could do me any good. So I wrote, and thank the Lord, I got an early reply telling me what the trouble was. I commenced taking Dr. Pierce's Favorite Prescription, also a 'Pleasant Pellets,' and now can say that I feel like a new woman, and can say also that we have a big baby four months old. When the baby came it was just wonderful how I got along, and now I do all my work and do not feel tired out like I used to. I have taken eight bottles of the 'Favorite Prescription.' It makes one feel well and strong."

Weak and sick women are invited to consult Dr. Pierce by letter, free. All correspondence is held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.
