**THREE HURT BY DYNAMITE** Serious Result of the

Celebration at Minooka.

While celebrating the coming of the Fourth, Alexander Zerda, of Minooka, and two companions were seriously injured late yesterday afternoon, by the explosion of a dynamite cap. Zerda had his left hand blown off, and with one of his comrades, who was almost blinded, was taken to the Lackawanna hospital. The other injured man was able to walk to his home, and received treatment there. His injuries were the least serious of those of any one of the three. Zerda and the other man were taken to

the Lackawanna hospital. Both are Polanders, and it was impossible to get an intelligible pronunciation of the second man's name. He was seriously injured about the

eyes, and may be totally blinded, as a result of the accident. The accident occurred about 5.30 o'clock, in West Minooka. The three

nen were firing giant crackers, and burning powder, and in some way the dynamite cap was accidentally exploded. The three were stunned by the shock

and Dr. W. H. Olmstead, of Taylor, and Dr. J. J. Walsh, of South Scranton, were summoned to their aid. Both physicians counseled the prompt removal of the two more seriously injured

men to the hospital. An operation was performed there, with a view to saving he eyesight of the one unfortunate. His condition was considered more serious than that of Zerda, as in addition to the injuries to his eyes, he was also badly burned about the face and

SUBJECT TO THE DECISION OF THE REPUBLICAN VOTERS OF LACK.

AWANNA COUNTY AT THE PRIMARY ELECTION, TUESDAY,

#### JULY, 8, 1902, FROM 4 TO 7 P. M.

In the list of candidates seeking recognition from the Republican party on account of yeoman service performed, probably none are more worthy of the confidence of the public than Mr. Gwilym Jones, who has been favorably mentioned for the office of County Commissioner.

Gwilym Jones was born in Tredegar, Wales, on January 11th, 1869. He was brought to this country while yet an infant by his parents, who settled on the West Side the same year, and has grown up with the leading young residents of the Electric City. His father was well known throughout the valley as T. ab Dewi. The elder Mr. Jones followed the occupation of mining, and was a member of the executive board of the miners' committee in the trying times of 1877.

For eighteen years Gwilym Jones worked in and about the mines on the West Side, and for two years was employed in the moulding shops. He was resident of the Fifteenth ward for twelve years, and has always been prominent as a party worker, and has a political record that is unassailable. Mr. Jones has always been a true friend of the miners and a strong sup-

porter of their cause in every instance.

Gwilym Jones is not only fortunate in the enjoyment of a pure record, but also possesses a pleasing personality. There is no more delightful man, to meet. He has a genuinely fine mind; is frank, friendly, and wins the admira-tion of all acquaintances by his modest and unassuming ways. At all times his manners are unaffected and cordial. Popular with all; with malice toward none: straightforward, energetic and enthusiastic, Gwilym Jones can cer-tainly lay claim to recognition as an ideal candidate of the best Republiblood of the city of industry. In seeking the nomination for the office of County Commissioner on the can bl

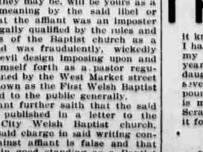

Republican ticket he does so with the knowledge that he can render efficient service to the people in the conduct of the affairs of the county, all of which come under the direct control of the Commissioners' office. Some years of service on the Board of Assessors for the City of Scranton, has qualified him especially in the knowledge of assessed valuations of property, not alone with-in the city, but throughout the country, and in this special branch alone, wherewith the County Commissioners' office has a very great deal to do, he can serve the people well. From childhood he has lived in Scranton, and since reaching manhood has been loyal in the support of the Republican party and the principles which have made it strong in the hearts of the people
