## TROUBLE WITH HEALTH

### Is like Playing with a loaded Gun. If you have Kidney Trouble attend to it at once.

It is easy to tell whether your Kidneys or bladder are diseased. Take a bottle or glass tumbler and fill it with urine. If there is a sediment—a powdery substance—after standing a day and night, if it is pale or discolored,ropy or stringy, there is something wrong with the Kidneys. Other sure signs of disease are a desire to urinate often, pain in the back, or if your urine stains linen.

There is no question that Dr. David Kennedy's Favorite Remedy is the best and surest remedy in the world for all cases of the Kidneys, Liver, Bladder and Blood, Rheumatism, Dyspepsia, Chronic Constipation, and the sicknesses peculiar to women. It quickly relieves and cures inability to hold urine and the necessity of getting up a number of times during the night, and puts an end to the scalding pain when passing urine.

The Rev. Henry P. Miller, pastor Baptist Church, Sparta, N. C., writes: "For years I suffered with Kidney, liver and heart troubles, swimming in the head, dull headache and numbness of the limbs. I tried many different medicines, but none of them did me any good. But Dr. David Kennedy's Favorite Remedy cured me in about two weeks."

It is for sale by all druggists in the New 50 Cent Size and the regular \$1.00 size bottles. Send for a cent for a Sample Bottle—enough for trial, free by mail. Dr. David Kennedy Corporation, Rondout, N. Y.
