GENERAL STRIKE IS NOT LIKELY
OPINION EXPRESSED BY PRESIDENT NICHOLLS.
Instead of Ordering a General Strike the Convention is Likely to Devote Its Attention to Ways and Means of Supporting the Present Strike—President Nicholls Issues a Warning to the Strikers—Serious Fire at Richmond Colliery Made More Serious by the Strike.
District President T. D. Nicholls, of the United Mine Workers, as much as admitted, Saturday, that there would be no general strike ordered by the national convention, which meets in Indianapolis next Thursday.
In an interview, Mr. Nicholls strongly intimated that the convention would not declare for a general strike, but that rather it would vote to support the anthracite miners' strike by liberality in a financial way.
Mr. Nicholls said that in his own opinion the convention would not declare for a general strike, and added that he believed it would be the wisest course to avoid a general strike and have the anthracite miners fight it out with the financial assistance that could be given by the bituminous men. Said Mr. Nicholls:
"The public can be given to understand that as long as the miners have enough bread to keep them alive they will be willing to stay out on strike. If we secure the financial support of the bituminous miners at the Indianapolis convention it will be for an indefinite period, and not until Oct. 1, as some of the newspapers have erroneously stated. We do not care how determined the operators are to hold out to the bitter end, because we know that we can stand the fight. When they are brought to a realization of this fact, as they will when the Indianapolis convention is held, they will immediately change their tune and assume an entirely different attitude."
The opinion expressed by Mr. Nicholls that the convention will not declare for a general strike is very generally held. In fact it is very freely expressed by the bituminous miners in general, and that the convention will devote its attention exclusively to the matter of devising means of helping the anthracite miners financially. The operators have carefully canvassed the sentiment of the bituminous miners in regard to ignoring contracts and declaring for a general strike, and they declare that there is only one likelihood of a general strike occurring, and that that likelihood rests on the bare possibility of some such incident as that which carried the Chicago convention for free silver and Bryan.

PASTOR RESIGNS.
Rev. George L. Alrich Severs His Connection with Grace Reformed Episcopal Church.
Rev. George L. Alrich, pastor of the Grace Reformed Episcopal church, tendered the resignation of his pastorate at a vestry meeting held last Friday night. The resignation has not been acted on, but will be accepted with much regret, as it is realized that on account of the many demands being made upon Mr. Alrich, as a Bible teacher, by conferences, associations, etc., he is being called to an enlarged and imperative work.
At the morning service yesterday, Mr. Alrich read the following letter:
"My Dear Brethren: It is certainly due to you and to the membership of Grace church, to have a word of explanation on my part respecting the step that severs the bond that has united us as people and pastor for nearly nine years. It seems hardly necessary to say that this step has not been taken without much prayer and careful thought; and only in obedience to what our Lord Jesus has been pleased to make known as His will in the matter. It is not my purpose to enter into any lengthy statement of the experiences that have come to me in reaching this decision; only to say that our Lord has led the way step by step, very plainly.
The years of our fellowship have been years of great blessing and growth to my own self; and my heart is deeply grateful to our Father for having led me to you, as also of thankfulness to you, each and all, for the many evidences of your love and appreciation of the efforts, feeble and faulty as they have been, to serve you in the things of our Lord Jesus; they speak to me of your approval of the work which I have been permitted to do in teaching the Word alone, and He has clearly shown me that in His world have me stand looking to Him alone.
May our gracious and blessing Father guide us, each and all, in His own way, granting us to grow in grace and in the knowledge of our Lord and Saviour Jesus Christ. With sincerest love,
Yours in the Lord,
George L. Alrich."
Rev. Mr. Alrich was called to the pastorate of Grace church nine years ago, to succeed Rev. Dr. Bates. The church has enjoyed a steady and deep growth along all lines, and Mr. Alrich has not only endeared himself to his congregation but to the people of the community generally. His ability and enthusiasm as a teacher of the Bible has brought him in close contact with the workers of many other denominations.

SUCCESSFUL OUTING.
Annual Event of the Employees of International Correspondence Schools on Saturday.
A most successful and enjoyable excursion was run to Harvey's Lake Saturday. It was the second annual outing of the International Correspondence Schools association and employees of the International Correspondence Schools and Technical Supply company.
The experience of a year ago regarding transportation facilities made the committee very cautious regarding this essential to the success of the event, and the details this year were admirably arranged. Thirty carloads of people were handled by the Delaware and Hudson and Lehigh Valley companies without any hitch at all.
The first section left Scranton at 8 a. m., the second at 8:30 a. m., and the third at 10 a. m., each reaching the lake two hours later, and returning, the trains left the lake at 6, 7 and 8 o'clock in the evening.
As soon as the excursionists arrived on the grounds they entered into the enjoyment of the day, which, by the way, was ideal in every respect. A regular course dinner was served between 11 and 4 o'clock, and dancing was indulged in by many at intervals during the day.
Promptly at 2 o'clock the athletic and aquatic sports were begun, and these proved to be a source of much pleasure, only one incident occurring to mar the events, this being a slight accident to Miss Eckerley, who fell and sprained her wrist, while competing in the 50-yard dash for ladies. The events, winners and prizes were as follows:
100-yard dash—First prize, Morris chair, Mr. Hendiges; second prize, hat, Harry Clark.
Umbrella race—First prize, picture, Mrs. Ward; second prize, soda checks, Miss Eckerley.
Running broad jump—First prize, pipe, Mr. Norman; second prize, shoes; no other contestant.
Egg race—First prize, candy, Miss Melvin; second prize, shoes, Miss Wells.
Hop skip and jump—First prize, umbrella, Mr. Jeffreys; second prize, pen, Mr. Kitchell.
50-yard dash—First prize, parasol, Miss Egoch; second prize, book, Miss O'Donnell.
Two-oared race—First prize, bracelet, Miss Hall; second prize, hammock, Miss Humphreys.
Two-oared race—First prize, hat, Mr. Leach; second prize, pipe, Mr. Wilson.
Four-oared race—First prizes, kodak and bath robe, Messrs. Clark and Walters; second prizes, rocker and cigar case, Messrs. Leach and De Yoe.
Musical instrument, Mr. Edwards; second prize, dress suit case, Mr. O'Connell.
The judges in the athletic events were J. A. Grening, Harry Flynn and Charles J. Hayes. The various committees in charge of the details were always looking after the comfort, pleasure and enjoyment of the excursionists, and J. D. Jones, president of the association, and his able assistants, deserve much credit for the successful manner in which they carried out the programme of the day. Ticket 418 won the opera glasses given by McMillan, the jeweler.

WANTS DAMAGES FOR ASSAULT.
E. Weiss Brings Suit Against Hyman Jurkowitz.
E. Weiss, by his attorney, George S. Horn, began an action in trespass, Saturday, against Hyman Jurkowitz. He sues for \$5,000 damages for injuries done to his person by Jurkowitz. The plaintiff, in his bill, alleges that the defendant attacked him on the street and kicked and beat him until his body was sore and he was unable to attend to his work. He says that he has since been nursing his lameness and bruises.
The election of officers and directors of the New Germania Building and Loan association will be held at the office of the association, No. 501 Cedar avenue, on Wednesday, July 16, 1902, from 7 to 9 o'clock p. m.
H. F. Ziegler, Secretary.
