Endowed by fortune with the rarest scientific knowledge and by inheritance with the gift of healing, Doctor Byers has bestowed freely of his gifts to his fellow men, and the honor which these triumphs press upon him will live as long as the science of medicine is known. Doctor Byers could command most any fee, and his regular fees are high, but in order to give every one an opportunity to be cured at a nominal price, he will agree to treat all persons applying before August 1 on the following terms:

He will guarantee to treat all persons applying at his office before August 1 for the nominal sum of \$15 until cured. That is, \$15 covers the entire cost for a cure, medicine included, and no further fee will be asked.

The treatment used by Doctor Byers is not allopathic or homoeopathic. It is a treatment based upon an exact science and cures with the certainty of a fixed law.

FIERY SKIN DISEASE.

Mrs. Samuel Brokenshire, Jermyns, Pa.: "For over ten years I suffered the most agonizing pain from eczema. Both legs were entirely raw from the knees down to the feet. They itched and burnt so I had to sit and fan my legs to keep them cool. Had to lay at night with my legs in a willow. Hot spasms as the result of the pain, coming on every twenty minutes. My friends expected me to die in every spasm. All doctors gave me up, said it was impossible to cure me or even for me to live. I decided to try him as a last resort. His treatment acted like magic. The pains and itching have entirely ceased. I sleep all night. I have no more spasms, am able to do my household duties. God bless the good Quaker doctor for what he has done for me."

DISEASE OF BOWELS

Mrs. Barbara Dickson, Parker street, Providence: "I had chronic diarrhoea for fourteen years, which caused violent bearing down and dragging pains in my abdomen and legs. My bowels were often moved up high as seven times in the day. The straining finally brought about severe protruding piles. These caused me much misery. When I went to Doctor Byers' office I was so weak from my suffering that I could hardly drag myself along. The first treatment he gave me drove all the piles almost from my hips and legs. My bowels now move regularly once a day, and the piles have ceased troubling me. God bless the good Quaker doctor for what he has done for me."

HER GREAT SUFFERING

Mrs. M. Queenie, Avoca, Pa.: "I had been troubled with pain in the small of my back for 15 years. I was confined to my bed for two months this winter, the pain in my back was so severe it made me scream. I had such a queer feeling in my head and would take such dizzy spells I was afraid to go any place without taking some one with me. My stomach also troubled me so I could not eat anything without feeling sick. INSPECTED A NEW PAVE.

City Officials and Property Holders on a Junket.

Director of Public Works John E. Roche, Superintendent of Engineering Joseph P. Phillips, Supt. John J. Schneider, D. W. Vaughan and Thomas C. Melvin, and F. M. Spencer, Stephen Spruiks and M. Merriman, Linden street property holders, are home from a trip made to Boston and Providence for the purpose of inspecting the new bituminous asphalt pavement, which is proposed to lay on Linden street from Monroe avenue to the park.

All were well pleased with it and disposed to have it used here.

The pave is made much after the fashion of macadam. Broken stone is laid to a depth of four or five inches and over that is the cushion composed of stone broken into small grains and mixed with pitch and powdered limestone.

It can be laid for less than \$2 a yard and is claimed to be better in every way and far more enduring than asphalt.
