PITSTON.

Pitston, July 14.—About four o'clock this morning a fire was discovered in Hugh Chesworth's grocery store at Wyoming, and the family had scarcely time to arise and hurry from their home close by before the residence too was swept by the fire. Four buildings in all were destroyed, including the store, warehouse, residence and barn. Not a thing was saved from the store or warehouse. The loss will foot up fully \$7,000, and the insurance is about \$3,500. The buildings were all owned by Hugh Chesworth. The family was aroused by the neighing of a horse in the barn which had ignited from the flames of the warehouse. All the buildings were separate but were in close proximity to each other. The Wilkes-Barre and Wyoming Valley Traction company will in the very near future, probably within a few days, adopt a new system on its Pitston, Durvay and West Pitston lines. Instead of keeping these lines separate they will be combined into one run, and the cars that leave Durvay will run through to West Pitston via Wilkes-Barre and Kingston. Instead of stopping at Wilkes-Barre, likewise the car that leaves West Pitston will continue through to Durvay. While this will be no special benefit to the patrons of the line it will lessen the expense of the company one crew. A child of Owen Brady, of John street, aged three years, died this afternoon of diphtheria. Eagle Hose company's fire wagon, remodeled and handsomely painted, will be ready for service on Wednesday of this week. The Pitston board of school control will build one story additions to the old building at Butler Hill and the Junction school building. Hon. D. M. Evans, of West Pitston, left this morning for Rock Run, Ala., where he will take charge of the Alabama Ore company's mine. The company is composed of Pitston and Scranton capitalists, and own 6,000 acres of fine wealthy mineral land. James Clark, of Bridgeport, Conn., visited relatives on Broad street the past few days, returned to his home this afternoon. While repairs were being made to the front of the third story of the Kirby block a workman let drop a brick which struck a scaffold and crashed through a large plate glass. The Brothers' base ball team lost their

first game Saturday when they went to Berwick and fell before the strong team of that city by a score of 7 to 1. On Thursday of this week the Pittston firemen of the Lehigh Valley will have as their guests the base ball team of the Scranton firemen, and a game will be played at Riverside park in the afternoon. In the evening the visitors will be tendered a dance in Keystone hall. Arrangements are being made for the state convention of the Catholic Total Abstinence union to be held in this city on August 28-29. While attempting to board a Lehigh Valley train on the cut-off Saturday afternoon, John Baker, a young man living at Upper Pittston, fell and had one of his legs so badly crushed as to require amputation at the Pittston hospital.

WIMMERS. Special to the Scranton Tribune. Wimmers, July 14.—Mrs. Samuel Hadden and family, of Dunmore, and Mrs. Kelly and Master Freddie Kelly were the guests of Mrs. L. Bronson on the 13th inst. The people are beginning to learn that the Sunday school lesson contained in the Saturday Tribune is one of the most instructive on record and bread and water for the spiritual mind. Mrs. James Brown, of Dunmore, was the guest of her daughter, Mrs. Theodore Zeigler on the 13th inst. The farmers are getting their hay harvested, which shows quite an abundant crop. L. Vangelder still has the best garden altogether there is here. The blackberries are good picking now, and the Baltimore Belle rose is in full bloom. The vegetables in most of the gardens are not fully matured.
