(Concluded from Page 5.)

berger Brothers & Henderson, provided they took them before August 1. The minority report, signed by Messrs. Francis, Jayne and Eynon, recommended that the issue go to Dick Bros. provided they advanced \$100,000 to the board at once. Both reports agreed in recommending that the \$30,000 worth of short-term bonds be placed in the sinking funds.

MINORITY REPORT ADOPTED.

Mr. Jayne moved the adoption of the minority report. Mr. Hand asked that Mr. Eynon, who is a bank cashier, give his reasons for favoring the minority report. Mr. Eynon explained that he was prompted to favor the Dick Bros. proposition because it would save interest charges and because it was likely the board could not borrow any more money from the banks.

The motion to adopt the minority report was carried by the following vote: Ayes—Messrs. Francis, Henry, O'Malley, Eynon, Phillips, Roche, Dr. O'Malley, Robinson, Jayne, Jennings, Schriefer, Reif—11. Nays—Messrs. Christmas, Murphy, Welsh, Hand, Walsh, Evans, Langan, Leonard, Gibbons—3.

For three weeks past, seven hustling book agents, presenting the big publishers of school books, have been campaigning here for the \$54,000 order of text books, made possible by the law authorizing school boards to change its text-books every three years. Last night, Chairman Langan, of the text-book committee, notified the result of their work in the committee report on the books adopted. This was as follows:

McMaster's History of the United States, Stovell's, Blaisdell's and Overton's physiology, as the same may be adapted to the different grades; Norton's geographical, Mulvic's mathematics, Valle's System of Penmanship, Rice's spellers, the Normal Course in Music, Prang's Course in Drawing, Sheldon's Language Lessons and grammar, Stepping Stones to Literature, Leverman's Abridged Song Book, the Electric Reader.

ALLOWANCE FOR TEACHERS.

The committee recommended that the teachers who assisted in selecting the text-books be allowed a ten-day's pay. This was amended to include the teachers who performed a similar duty a year ago and three years ago, and in the amended form was carried.

Bids for heating and ventilating No. 25 school were received as follows: F. J. Johnson, \$1,985 and \$1,880; Jacobs and Fusold, \$2,225 and \$2,040; C. A. Kehring, \$2,750 and \$2,600; Alex. N. Galt, \$2,300 and \$2,150. The bids were referred to the high and training school committee, with power to act.

On the recommendation of the supply committee, the salary of R. D. Jennings, superintendent of the supply room, was increased from \$90 to \$100 per month.

The matter of the necessity of a school building to be located on the McLaughlin lots in Little England, was referred to the building committee, as was also the unsanitary condition of the alley in the rear of No. 6 building, on South Washington avenue east.

ANOTHER LABEL SUIT.

Editor of the Scrantonian Will Have to Answer Again.

M. W. Guernsey yesterday filed additional information with Alderman Kasson in a suit for libel against Richard Little, editor of the Scrantonian.

The information is based on alleged libelous statements published in the paper issued Sunday, July 13. The publication was the outcome of another case instituted last week against Little by Guernsey.

HELD FOR FURTHER HEARING.

Melville and Frank Rooney, two young men, who were arrested by Citizens Sullivan and Frederick on Sunday, for being drunk and fighting in a house owned by a man named Potter, on Eighth street, were arraigned for a hearing in police court yesterday. Each of them deposited \$10 for a further hearing.

REAL ENJOYMENT.

The woman who reads this will understand to the full what Mrs. Pipton meant when she says: "I am enjoying good health." It takes a person who has been made wretched by sickness to understand the joy of health.

There are very many women who suffer as did Mrs. Pipton, who might be cured as she was by the use of Dr. Pierce's Favorite Prescription. It establishes regularity, dries the druggies, the dried, the weak, women, heals inflammation and ulceration, and cures female weakness. It makes weak women strong, sick women well.

"It is with pleasure I recommend Dr. Pierce's medicine," writes Mrs. Nora Tipton, of Cropper (Cropper Station), Shelby Co., Kentucky. "You remember my case one of female weakness and weak lungs. I had no appetite and would often spit blood. My husband had to take almost half of the time and could hardly stand on my feet at times for the pain through my whole body and system. My husband had to take four bottles of Dr. Pierce's Golden Medical Discovery. Four of Favorite Prescription and three bottles of Pleasant Pellets we haven't paid any more doctor bills. It had been seven months since I stopped using Dr. Pierce's medicine and I have been enjoying good health all the time. I can never praise these medicines too highly. For I have received so much benefit. I pray that many who suffer as I did will take Dr. Pierce's medicines. I am sure they will never fail to cure when given a fair trial. Everybody tells me I look better than I ever did before. I feel sure I feel better than I ever did before."

"Favorite Prescription" has the testimony of thousands of women to its complete cure of constantly recurring. Do not accept an unknown and unproved substitute in its place.

Dr. Pierce's Pleasant Pellets are a ladies' laxative. No other medicine equals them for gentleness and thoroughness.

This ginger snap leads in favor with all who love a touch of spice and sweetness, baked to golden brown, and served perfectly fresh with all the original crispness and flavor retained.

THE MARKETS

Wall Street Review.

New York, July 14.—The speculative operators in favor of higher prices for stocks took hold of the market with vigor today, converting their campaign in St. Paul. That stock has always been peculiarly effective as a leader, owing to its representative character among the western trunk lines and to the large floating supply in the market. Its notable rise today, and some sympathy which it effected on stocks of its own class. The mass of securities, however, remained singularly unresponsive to the aggressive strength of St. Paul and even sagged in spots from torpid demand. In the early market the effect of the St. Paul movement was interfered with by the obvious profit-taking going on in Missouri Pacific and the suspicion thus aroused that the St. Paul manipulation was expressly designed to facilitate this profit-taking. There were also weak spots among the Industrials. The declines from Saturday's level reached a point in Missouri Pacific and American Lumber. Atchison responded early to the St. Paul rise and followed it closely throughout the day, but it ending lower. The Union Pacific and still later when Southern Pacific came into the movement. The St. Louis, Southwestern, Chicago and Illinois Central were also conspicuous. A reference to the day's sales list will show that the stocks above specified were the principal portion of the day's market. As each stock was successively brought into the market, the price advanced, and took on large proportions. Blocks of from a thousand to six thousand shares were dealt in freely in all the active issues. The weak stocks generally recovered and closed unchanged or at slight losses. An effort was made in connection with the advance of hopeful talk of crop prospects and no account was taken of the signs of strength in the grain markets based on reports of more unfavorable rains in the southwest. The grain markets are not considered a reliable barometer of crop conditions, owing to the disturbance of abnormal conditions by speculation. It must be considered also that the speculative mind is much confused in following the statistical rectification in the government's crop average figures in an attempt to conform the agricultural departments' figures to the census returns. The market closed rather irregular, but with the Grangers at the top level. Total sales for the day, 961,500 shares. The bond market was more irregular than the stocks and without conspicuous feature. Total sales, par value, \$12,000,000. United States refunding, declined 1/4 and the 2's and old and new 4's 1/4 per cent. on call today.
