Aldermanic Doings.

Patrick Campbell, of Maple street, was arrested at the instance of Contractor M. A. Cadden, for disorderly conduct and creating a riot. The case was heard by Alderman Lentes, and the testimony showed that Campbell made the plans for a house which Cadden

was erecting for Patrick Finnerty. Because of this, Campbell, so Cadden stated, constituted himself inspector of the work. Cadden alleged that he had no objection to Campbell acting in that capacity, but when he became objec-

tionable and intoxicated, he asked him to vacate the premises. The result was a rough and tumble fight, leading to the above charges. Alderman Lentes fined Campbell \$25 or twenty days in jail, from which his attorney, W. N. Leach, took an appeal to court, and he was later released on \$200 bail for his appearance at court. Sophia Kleeman, of 924 Taylor avenue, was brought before Alderman der Bottman's mass at the services. Precisely similar charges were preferred against the same defendant by Michael Naegli, of the same locality, and the same amount of ball was required, and furnished.

Extract From a Letter Received by Mrs Pinkham. How Familiar These Words Must be to Many.

"I am so nervous and wretched." "I feel as if I should fly." How familiar these expressions are !- Little things annoy you and make you irritable. You can't sleep, you are unfit for ordinary duties, and are sublicit to division. subject to dizziness.

· That bearing-down sensation helps to make you feel miserable. You have backache and pains low down in the side, pain in top of

head, later on at the base of the brain.

Such a condition points unerringly to serious uterine trouble. If you had written to Mrs. Pinkham when you first experienced impaired vitality, you would have been spared these hours of awful suffering.

Happiness will be gone out of your life forever, my sister, unless you act promptly. Procure Lydia E. Pinkham's Vegetable Com-pound at once. It is absolutely sure to help you. Then write to Mrs. Pinkham, at Lynn, Mass., if there is anything about your case you do not understand.

You need not be afraid to tell Mrs. Pinkham the things you could not explain to the doctor -your letter will receive attention from women and is absolutely confidential. Mrs. Pinkham's vast experience with such troubles enables her to tell you just what is best for you and she will charge you nothing for her advice.

Mrs. McRae Tells of Happy Results Accomplished by Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINEHAM :- I suffered with womb trouble, backache, nervousness and dizziness, and when walking had that bearing down feeling, but thanks to Lydia E. Pinkham's Vcgetable Compound I am now entirely well. I have no more pains or aches, can do my work, and walk without any bad feeling. I will recommend your medicine to every one I can." - MRS. GEO. "DEAR MRS. PINEHAM: - I can truly state that I derived great benefit from the use of Lydin E. Pinkham's Vegetable Compound during Change of Life. I was so nervous that I could not sleep, my fect and limbs would swell and pain me a good deal, and I suffered in other ways.
