WOULD REGRET TO STRIKE.
Rev. Father Cornelius Leursin, of Shenandoah, who was the author of the by-laws yesterday submitted to the convention, in a conversation with a reporter, last night, said: "Our object in holding these conventions is to get all the Greek Catholic churches in a corporation, secure a charter for it and then govern it by the by-laws now under consideration. In the by-laws which were read to the convention, there is a clause defining the right to use our national language in the celebration of mass, the right to retain our Greek rites, ceremonies and the old Greek calendar, and advocating marriage among the clergy."

CAR STRIKE IS STILL PENDING

COMPANY'S ANSWER IS NOT SATISFACTORY.
General Manager Silliman Declines to Read the Disputed Clause as the Union Employees Would Have It Interpreted—Granting That There Is an Honest Difference of Opinion, the Union Men Decide to Send a Committee to Mr. Silliman to Talk the Matter Over.
The threatened renewal of the street car strike is postponed, at least for a few days. General Manager Silliman's reply to the letter of the men was received last night. It was, in substance, merely a reiteration of the claim that his interpretation of the disputed clause is the correct one. The joint committee of the street car employees' union and the Central Labor union decided to send a committee to General Manager Silliman with a view of reaching a settlement by talking the thing over, and if that proves unsuccessful, to have the dispute arbitrated.

CHANGE OF LIFE.
Some Sensible Advice to Women by Mrs. E. Sailer.

"DEAR MRS. PINKHAM—When I passed through what is known as a change of life, I had two years' suffering—sudden heat, and as quick chills would pass over me; my appetite was variable and I never could tell for a day at a time how I would feel the next day. Five bottles of Lydia E. Pinkham's Vegetable Compound changed all that, my days became days of health, and I have enjoyed every day since—now six years."

Helpful advice to women who are sick as can Mrs. Pinkham, for no other has had such great experience—her address is Lynn, Mass., and her advice free—if you are sick write her—you are foolish if you don't.
Silliman cannot view the matter in a proper light, the committee is instructed to wait on Mr. Silliman not disclosed.
