From the penalty of outraged civil law is almost as useless as trying to escape the penalty of the violated laws of nature. The civil law rarely lets a man escape from punishment. The natural law never does.

> The man who eats irregularly and without regard to nutrition will sooner or later be called upon to pay the penalty. He will begin to have a feeling of discomfort after eat-

ing, a sensation of undue fulness with bloating, belching and other symptoms of stomach trouble. Such a condition demands instant attention. Neglect will surely aggravate the disease.

Dr. Pierce's Golden Medical Discovery has cured thousands of sufferers from dyspepsia and other forms of stomach trouble, even when the disease had become chronic and all hope of cure had been given up.

"I was sick for over three years with a complication of stomach troubles," writes Mr. John H. Castona, residing at 2942 Arch St., Chicago, Ill. "Had tried every good physician I knew of, as well as many patent medicines, but received only temporary relief.

One day a friend recommended your 'Golden Medical Discovery.'

I immediately procured some and began its use. Commenced to gain the first week, and after I had taken only one bottle I could eat as well as any one without experiencing ill effects. I took five bottles, and to-day am happy to announce that I am as well and healthy as any one could be. I owe it all to Dr. Pierce's Golden Medical Discovery."

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It enables the perfect digestion and assimilation of the food eaten, and the nutrition contained in the food being perfectly assimilated the whole body is permanently strengthened.

Sick people, especially those suffering from diseases of long standing, are invited to consult Dr. Pierce by letter, free. All correspondence is held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

If you ask your dealer for "Golden Medical Discovery," because you have confidence in its cures, do not allow yourself to be switched off to a medicine claimed to be "just as good," but which you did not ask for and of which you know nothing.

FREE | Dr. Pierce's Common Sense Medical Adviser is sent FREE on receipt of stamps to pay expense of mailing ONLY. Send 2f one-cent stamps for the book in paper covers, or 31 stamps for the cloth-hound volume. Address Dr. R. V. PIERCE, Buffalo, N. Y.
