THE BALLOON WENT UP AT SUSQUEHANNA

, And "Our Pets" Came Home With the Score 10-4 in Susquehanna's Favor-A Poor Exhibition of the National Sport-No Earned Runs on Either Side-O'Gara Was Soaked Hard Enough-Costly Errors by the Crescents-The Game.

Susquehanna, 10; Crescents, 4. This is the tale of yesterday's game in the town of the hills north of us. It was a game that was not creditable to Susquehanna, while "the Pets"-well, they had an off day; a day very much off. Honestly, ye admiring and loyal rooters, they played sloppy balls-l-o-p-p-y. They must have been afraid of the natives, or possibly the creek-no, the Susquehanna, Whitney called it-for it was quite high yester-

day. Well, anyhow, as "Chuck" Connors would say, the day was fierce for errors, whatever caused it, and we paid man named Buckley, who was riding the price- a defeat. However, there's a bicycle, consolation in the fact that it was only the first actual defeat-buncoes not ing Mrs. William King and son, Ed-ward, to the ground. Mrs. King struck counted-that we have suffered in ten games. There's a day next week when we'll have another go at Susquehanna, scious. She was carried into the house and on a diamond that it not like the camel-back railway at Atlantic City. We expect that then the story will be of a different kind.

As mentioned before, the game was awful; the baloon went up early in the game and never came down. This applies to both sides, though Susquehanna's errors were not so costly as ours. Some of our errors, bad throws, for example, let in two runs more than once, when the runner should have been retired, the runs choked off and the succeeding batter prevented from scoring.

The detailed score tells the story more effectively than a column of explanation. There was not an earned run on either side, all the ten runs by Susquehanna and the four we got were the price of errors. Any crank can figure out what a brilliant (?) game both teams must have played.

Owney McAndrew pitched almost as good a game as O'Gara, despite the severe cold from which he was suffering, which took from him his wonted energy and ginger. The shade of dif-ference in favor of O'Gara can be seen in the following comparison of their records for the afternoon: Hits-Off O'Gara, 11; strike outs, 1; hits, off

McAndrew, 9; strike outs, 1. McAndrew gave 3 bases on balls and hit one player, while O'Gara gave 2 bases on balls.

This record shows that every man that came to bat on Carbondale's side hit O'Gara, with the exception of three. They hit the ball hard, too; they went in the air mostly, away out in deep center, but were bagged by the Susquehanna fielders, who were onto the rolls and curves and pitfalls and gulleys of the Susquehanna outfield, and could cover the ground without dan-

ger of stumbling. Our hits, when we did make safe ones, came when there were no men on bases. When men were on bases the hard slammed balls were captured. Emmett and Cuff and McHale pounded the ball to the ex- pleasant home on Williams avenue, treme outfield, but they dropped into

PAIN IN THE BACK. A Sure Sign of Kidney Trouble. Dr. Kennedy's Favorite Remedy will cure you.

Pain in the back is a never failing sign of kidney disease ; another sure sign is the condition of the urine; if you have a pain in the back then look to the condition of your urine. Take a glass tumbler and fill it with urine ; after it has stood 24 hours, if it has a sediment, if it is milky or cloudy, pale or discolored, stringy or ropy, your kidneys and bladder are in a dangerous condition and need immediate attention, or the consequences may prove fatal.

F. C. Wilcox of 559 New Britain ave., Hartford, Conn., says :

"I had a frightful pain in my back, the result of kidney trouble. My physician seemed powerless to relieve me. I determined to try Dr. David Kennedy's Favorite Remedy; it helped me wonderfully, and in a short time sured ma completely." time cured me completely."

Dr. David Kennedy's Favorite Remedy is the one medicine that really cures all diseases of the kidneys, liver, bladder and blood, rheumatism, dyspepsia and chronic constipation. It is wonderful how it makes that pain in the back disappear, how it relieves the desire to urinate often, especially at night, and drives away that scalding pain in passing water and makes you well and strong.

It is for sale by all druggists in the **New 50 Cent Size** and the regular \$1.00 size bottles—less than a cent a dose. Sample bottle-enough for trial, free by mail. Dr. David Kennedy Corporation, Rondout, N.Y.

Emmett made a superb one-handed catch of a fly in deep center, after a run backward and upon a knoll. Rosler made some splendid throws to home plate, which, however, were lost. Hart made one peach of a catch in right, while Gallaghy's lightning work, assisted by McHale, effected a dandy double play.
