DOWN THE VALLEY ON THE TROLLEY

Pinnocchio Club Provides a Delightful Outing for a Number of Their Friends—A Rare Time—Other Social Happenings of Interest.

The members of the Pinnocchio club proved themselves to be entertainers of the first class last evening, when they gave a number of friends a ride down the valley on a specially chartered car.

The car left Church street switch at 6:30 p. m. and was headed for a trip to Scranton, at which place the merry crowd moved for Williams' ice cream parlors. After partaking of a good share of frozen sweetness, they once more got aboard the special and proceeded on the delightful return trip up the valley and reached this city about 11 o'clock.

The members of the club were heartily congratulated on the way the affair was conducted, and all the friends that were with them are very enthusiastic in praise of the trip. It was quite a social event.

The megaphones of the Press club, which have done good service in the cause of the Crescents, were loaned for the occasion, and with lusty voices at the trumpet end they served to awaken the towns along the valley, paying nearly 1000 miles of road and after the 8 o'clock curfew had rung and all the natives had gone to sleep.

The following young ladies constitute the club: Misses Edith Balley, Grace Hall, Grace Munn, Emma Kahl, Gustie Jarwin and Mary and Isabelle Yarrington.

The party was given in honor of their guest, Miss Best, of Port Jervis, N. Y., who is spending a two weeks' visit with her cousins, Misses Isabelle and Mary Yarrington, of Wayne street.

DEATH OF LIEUT. GEE.

Sad Coincidence of Battery No. 2, Heavy Artillery, Reunion.

On the eve of invitations being sent out for the thirty-third annual reunion and the anniversary of the fortieth year since Battery No. 2, Pennsylvania volunteer heavy artillery was mustered into the service for three years, or during the war, comes the sad announcement of the death of Lieutenant William Gee, of West Pittston.

Mr. Gee went out with the company, then known as "Schooler's Independent Battery," and was constantly with his command, excepting the time when he was away recovering from a shell wound received in the trenches before Petersburg, Va. As a soldier, he was dearly loved by all his "boys." He was as loyal to his citizenship as he was to his country's flag. As a Christian gentleman he was beyond reproach. He was present at our reunion at Nay Aug park, Scranton, last year. In fact, all of these gatherings were brightened by his presence. To show how much he loved the "Battery Boys," Comrade J. M. Alexander, of Carbondale, in an address at the last annual reunion, related the following touching incident, revealing the generous character of the man, and how comrades of the war are so bound to each other:

"Our regiment, after marching for several days, reached 'Cold Harbor' in the evening. Nothing had been eaten since morning and then the small remnants of a five day's ration of raw pork and crushed corn, formed the frugal meal." Alexander, being among the A's, was detailed on picket. He spoke to Lieutenant Gee as he was falling into line with the detail. "It's hard to go on duty with an empty stomach," Lieutenant Gee said, "I have two hard-tack left; you can have one of them." Alexander said, "It is the sweetest morsel I ever ate, as I was seasoned with true comradeship."

In our city are buried several of this battery: William H. Davis (for whom our post is named); Henry J. Baker, C. A. Mason, Lucius Marshall, John Seery, James M. Stewart, William M. Thompson. This reunion, this year, will be held at Nay Aug park, Scranton, on August 19. Charles Vanderburg, of Wilkes-Barre, and William Gee were both present one year ago and will be missed. The ranks are closing up to a thin line.

But not, we think, our column small, All unsupported stands; For do we not at times recall The touch of vanished hands; So could we lift the curtain drear, That makes the Great Divide, Our comrades lost, were then appear Still marching by our side.

A phone message was received here asking J. M. Alexander to act as pall bearer at the funeral Friday at 3 p. m. He will leave here prior to that time and meet L. H. Wint, of Providence, and William Davis, of Scranton, members of the company, who will also act in that capacity.

Fifteen and Carbondale papers are requested to copy.

Enjoyed Annual Picnic.

A rare occasion was observed by the members of the "Whatsoever class" of the Episcopal church on Wednesday when they held their annual picnic at the home of Mrs. Charles Lamoreaux and, incidentally, celebrated the birthday anniversary of five of their members.

After an exchange of greetings and a pleasant social time, an elaborate luncheon was partaken and with a rally. Various diversions engaged the party and at 4 o'clock, after voting Mrs. Lamoreaux a delightful hostess, the guests departed.

Those present were: Mesdames Emma

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional remedy. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

TORTURING HUMORS

ITCHING BURNING AND SCALY ERUPTIONS OF THE SKIN SCALP AND BLOOD WITH LOSS OF HAIR CURED BY CUTICURA.

The agonizing itching and burning of the skin, as in Eczema; the frightful scaling as in psoriasis; the loss of hair and crusting of the scalp, as in scalded head; the facial disfigurement, as in pimples and ringworm; the awful suffering of infants, and the anxiety of worn-out parents, as in milk crust, tetter, and salt rheum,—all demand a remedy of almost superhuman virtues to successfully cope with them. That CUTICURA remedies are such standard remedies beyond all doubt. No one regarding them as such is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety, and great economy have made them the standard skin cures and humor remedies of the civilized world.

COMPLETE TREATMENT \$1.00.

The treatment is simple, direct, agreeable, and economical, and is adapted to the youngest infant as well as adults of every age. Bathe the affected parts with hot water and CUTICURA SOAP, to cleanse the surface of crusts and scales, and soften the thickened cuticle. Dry, without hard rubbing, and apply CUTICURA OINTMENT freely, to allay itching, irritation, and inflammation, and soothe and heal, and lastly take the CUTICURA RESOLVENT PILLS, to cool and cleanse the blood. This sweet, wholesome treatment affords instant relief, permits rest and sleep in the severest forms of eczema and other itching, burning, and scaly humors of the skin, scalp, and blood, and points to a speedy, permanent, and economical cure when all else fails.

Millions of Women Use Cuticura Soap

Assisted by CUTICURA OINTMENT, for preserving, purifying, and beautifying the skin, for cleansing the scalp of crusts, scales, and dandruff, and the stopping of falling hair, for soothing, whitening, and softening the surface of eczema, itching, and chafing, in the form of baths for annoying irritations and inflammations, or too free or offensive perspiration, in the form of washes for ulcerative weaknesses, and for many other and untold purposes, which readily suggest themselves to women, especially mothers, and for all the purposes of the toilet, bath, and nursery.

CUTICURA RESOLVENT PILLS (Chocolate Coated) are a new, tasteless, odorless, economical substitute for the celebrated Colman's Mustard, and other purgatives and humor cures. Each pill is equivalent to one teaspoonful of liquid Resolvent. Put up in screw-capped pocket vials, containing 60 doses, price 25c.
