Other Notes and Personals.

Miss Edythe Evans, of South Hyde Park avenue, was quietly married to John T. Edwards, of Putnam street, on Tuesday in New York city. The ceremony was performed by Rev. Walter Rutherford.

Both the young people are well known in West Scranton. Mrs. Edwards is a prominent member of the Washburn street Presbyterian church. Their marriage will come as a most delightful surprise to numerous friends. After a brief wedding trip they will reside on this side.

Enjoyable Entertainment.

Last evening in the lecture room of the Simpson Methodist Episcopal church Miss Julie E. Cruser, the Montrose elocutionist, ably assisted by Miss Edna Sax of this city, gave an excellent entertainment. Miss Cruser possesses a fine voice, and from her first appearance held the crowded house spell-bound. Her best recitation was "The Night Wind," which was commended to several encores. Miss Augusta Fritz, played several instrumental selections in a masterly manner.

Price Funeral.

The funeral of the late William J. Price, who died on Monday evening, at his home, 111½ West Locust street, aged seventy-two years, was held yesterday afternoon from the home.

Rev. J. T. Morris, of Wilkes-Barre, had charge of the services, following which the friends were permitted to take a last farewell of the deceased. The funeral moved to the Washburn street cemetery, where the remains were laid at rest. Sacred music was rendered by a quartette composed of the Misses Owens and Reynolds and Prof. David Owens and Mr. Phillips. The pall-bearers were T. J. Morgan, William Davis, Roger Evans, D. D. Jones. The members of the American True Fellowship and St. Julian Lodge of Odd Fellows, No. 763 attended in a body.

Card of Thanks.

We take this means of expressing our lasting and heartfelt gratitude to our numerous friends, who so nobly came to our assistance with their timely service and sympathy during our late bereavement when we through death lost our darling baby. Again we thank you one and all for your sacrifice of time and your great kindness. With our best wishes for you and yours, we remain your debtors.

charges were preferred by his wife. They were married about nine months. He shows daily by his actions that he has tired of his bargain, and for some time has ill-treated his wife, and made her life miserable. He has, so his wife alleged, offered her \$5 if she would go back to her parents in the old country.

After hearing the evidence Alderman Lentz held McDonough for court in \$1,000 bail, in default of which he was committed to the county jail.

The girl, who is about 12 years old, was splitting wood in the backyard, when an unfortunate blow glanced off and the axe struck her left hand, inflicting a terrible gash across several fingers. Dr. Quinnan was hastily summoned and quickly stopped the flow of blood. An examination showed that the bones were not broken had been injured, and it will be some time before the sutures can be used. Seven stitches were necessary to close the wounds.

GOLD DEMOCRAT NOMINATED.

Judge Durand Selected as Candidate for Governor of Michigan.

By Exclusive Wire from The Associated Press.

Detroit, July 31.—Judge George H. Durand, of Flint, who filed a vacancy on the Supreme bench of this state in 1892 and who is classed as a gold Democrat, was nominated for the governorship by the Democrats of Michigan today. Judge Durand did not attend the convention or authorize any one to state that he would accept the nomination. The free silver element made a vigorous fight to defeat him. Judge Durand, it was stated, was on a fishing expedition in the northern part of the state and could not be reached by wire. But in spite of the absence of any definite assurance of his acceptance, his nomination was made unanimous after the fourth ballot.

The platform adopted is devoted almost entirely to state issues, the only mention of national issues being an endorsement of the election of United States senators directly by the people.

The resolutions declare that the destruction of boss rule is the supreme issue. The adoption of the system known as the initiative and referendum is demanded.

Another plank favors municipal ownership of public utilities.

RESPONSIBLE FOR MORRISEY'S DEATH

James Bland Committed to Jail to Await Action of Grand Jury.

By Exclusive Wire from The Associated Press.

Camden, N. J., July 31.—The coroner's jury today held James Bland, a negro, responsible for the death of John Morrissey, of Philadelphia, who was shot and instantly killed during the Republican congressional primary election riot last Monday night. Bland was committed to jail to await the action of the grand jury.

A fight followed Morrissey's attempt to vote at the primaries, during which several shots were fired. Morrissey was found later mortally wounded. Witnesses identified Bland as the man they had observed fleeing from the scene after the shooting.

DROUGHT IN ALABAMA.

Cotton and Other Crops Perish for Want of Rain.

By Exclusive Wire from The Associated Press.

Montgomery, Ala., July 31.—Reports received here by the Central office of the government weather department indicate a serious condition of drought in Alabama. Less rain has fallen in the state during the past three months than in any other similar period since 1833. Crops in many sections have been almost completely destroyed.

In the middle western counties, which are large producers of cotton, the ground has not been thoroughly wet since April. Early corn has been damaged beyond recovery. The effect of the drought on cotton is conjectural, but some sections report the loss as high as 50 per cent.

"STRAIGHT OUT PARTY" IS REJUVENATED.

By Exclusive Wire from The Associated Press.

Pittsburg, Pa., July 31.—The "straight out party," which was organized in 1891 and carried on a hot campaign that fall, has been rejuvenated and application was made today in common pleas court for a place on the ballot.

Arch H. Rowand, who is one of the signers, says the movement is in the interest of the old soldier who is not represented either the regular or fusion ticket in this county. The party has come to stay, he says, and it is the intention to put a full ticket in the field for city, county, congressional and state offices. Next spring they expect to nominate a candidate for city recorder.

A boxing match in barrels was one of the interesting numbers of the programme.

SOUTH SCRANTON NOTES.

Miss Lottie Lenz has a grievance, which was aired in police court yesterday. It was developed that, in addition to using vile and profane language, Annie Andrews had the temerity to call Lottie an old maid. It appears they met recently, while on the way to work, and, not content with giving Miss Lenz a tongue lashing, Annie threw stones in her direction. Of course they did not strike where aimed. The fracas was the outcome of a long standing grievance. Annie being disorderly a fine was imposed by Alderman Lentz, and on the other charges she was required to furnish bail in \$300 for her appearance at court.

Herman Schmidt, of 513 Cedar avenue, had Annie Sullivan, alias O'Boyle, of Pittston, a domestic arrested and brought before Alderman Lentz yesterday, on a charge of larceny by bailie. It appears according to the evidence, that the defendant was given a sum of money to pay a store bill, from which she absconded one dollar. Her attorney, Frank E. Boyle asked for a postponement until Saturday, which was granted.

Patrick McDonough, of 89 South Wyoming avenue, was arrested yesterday on charges of assault and battery, cruel and barbarous treatment and threats. The
