

WEST SCRANTON

House Struck by Lightning. During the Storm Last Evening—Other Events of Local Interest.

At 6:21 o'clock last evening the fire company responded, in a pouring rain, to an alarm of fire from Box 34, corner of West Lackawanna and Main avenue. The fire was found to be in a house at 1067 Howell street, which had been struck by lightning.

The electric bolt had entered the roof a few feet from the chimney and passing through a rafter followed it to the wall plate, then down the studding to the cellar, by way of a bedroom. It made a hole in the roof some two or three feet in diameter. The fire which resulted was slight, and was put out by the family.

The house is owned by John L. Williams, and is occupied by A. Simmons and family. Mrs. Simmons was just about to enter the bedroom when the house was struck. Although the plastering was torn from the walls in several rooms, no member of the family received a shock. The alarm was responded to by Engine company No. 2, Hose company No. 2, Chemical company No. 2, Hook and Ladder company No. 1.

Left This Morning.

At 2 o'clock this morning the Light Lunch Camping club left for their fifth annual outing at Hawatha Island, on the Susquehanna river, near Oswego, N. Y. The club is composed of the following members:

Fred Evans, John P. Williams, Harry F. Davis, Howard Davis, Reese Lewis, Enoch Davis, William Thomas, William Jones, Gus Eymon, Ivor Lewis, William Price, Robert Roberts, Walter Jones and Thomas Skerrett.

Valuable Cat Died.

Joseph Oldorf, the South Main avenue hotel proprietor, is a lover of animals, cats in particular, and so he is the proud owner of several Angoras.

His pet female cat, valued at \$25, strayed out in the alley recently at the rear of the hotel and was attacked by dogs and fatally bitten. Mr. Oldorf found the injured cat the next morning and although everything possible was done to save its life, it died.

Alumni Defeated.

The Alumni Athletic association's base ball team went to Washington, N. J., on Saturday, to play the ball team of that place. Unfortunately, the team was too strong for them and they lost the game by a score of 11 to 4.

Some star plays were made, however, by Phillips, Harrington and Gallagher.

FEW ACCIDENT CASES.

Not an Ambulance Call in Three Weeks at Lackawanna Hospital.

The last few weeks have been notable at the Lackawanna hospital, on account of the extremely small number of accident cases which have been treated. Said one of the doctors the other day:

"This certainly is a record-breaking season for work in ward No. 1. We haven't had an accident patient in almost three weeks. There have, of course, been one or two trifling cases, in which we afforded instant relief, and the sufferer then left the hospital, but we haven't had a single summons for the ambulance."

SAND-BURIED DOCUMENTS.

From the Philadelphia Record.

Many ancient documents have been discovered in the exploration of the sand-covered towns of Chinese Turkestan. They consist of writings on wooden tablets, and are sealed and tied when found, the sand having preserved them in excellent condition. Even the ink with which they were written is still black, and easily read.

It is believed that these documents will throw much light on the life and customs of the people that formerly lived in this desert. The script in which they are written is of a kind still known in India.
