SERIOUS OUTLOOK FOR THE MINERS

State Inspector Stein Says That Only a Few Collieries Are Now in Condition for Operation.

FIVE READING MINES WILL BE ABANDONED

They Have Been Rendered Worthless by Reason of Being Flooded—Loss to Owners Will Be \$1,500,000, and 2,000 Men Will Be Obligated to Seek Employment Elsewhere—The Peace Situation at Shenandoah Unchanged—General Gobin Completes Details for a Long Siege—Pulaski Denies Stories That Foreigners Are Drilling.

By Exclusive Wire from The Associated Press.

Shenandoah, Aug. 6.—William Stein, the state mine inspector for the Shenandoah region, today announced that five collieries under his jurisdiction, which have an estimated total value of \$1,500,000, have been rendered useless by reason of having been flooded and have been permanently abandoned by the companies owning them. Four of them—Bear Run, Bear Ridge, Kohinor and Preston, No. 3—belong to the Philadelphia and Reading Coal and Iron company, and he places their value at about \$300,000 each. The other colliery is the Lavrence, and is owned by the Shearer estate of Pottsville, and also represents about \$300,000. Mr. Stein estimates that out of the thirty-six collieries in his district, only fourteen are in a condition for immediate operation if the strike were ended. The others are in such a condition that it would require anywhere from one to four months to clear them of water and make repairs. He said the average time would be about two months. The abandonment of the five collieries will compel 2,000 mine workers to seek employment in other parts of the region, and they may have trouble in finding it, if the thousands of men who have left the region during the strike should return. This condition of affairs, the mine inspector said, is a serious matter not only with the companies, but also with the miners. After the strike shall have been ended, most of the workmen will have to remain in idleness for another period of time until the collieries are placed in working condition. In the coal fields south of here, Mr. Stein said the situation is about as bad. But in the Wyoming and Lackawanna region the mines are in much better condition. The mine inspector's statement created considerable interest here, as it confirmed the belief of some of the coal company officials that a full resumption of coal mining would be possible this year and, in consequence, the tendency of coal prices will be upward, rather than downward.

Shenandoah Situation Unchanged.

The situation so far as the peace of the Shenandoah region was concerned remains unchanged today. It was probably the quietest day since the soldiers were called out, one week ago tonight. Matters around brigade headquarters at the Ferguson house have settled down to a routine condition and Brigadier General Gobin has completed all the details for supporting the civil authorities in their task to enforce the law. Everything was quiet in the camp of the troops. The only matter of interest was a dress parade in town of the Twelfth regiment, in honor of General Gobin. Two companies of infantry are still kept on guard duty in the town, one at the Reading railway station in a foreign settlement, and the other at the Pennsylvania railroad station, close to another foreign colony. General Gobin has ordered the establishment of a signal system from brigade headquarters to the camp, which is nearly a mile distant. The heliograph and flag will be used in the day-time and the torch at night. This will be the first time the signal system has been in operation since the Homestead strike, ten years ago. General Gobin, in speaking of the conditions in the region, said today that Shenandoah, for a town of its size, was more thickly populated than the worst tenement district in New York. He thought the sanitary conditions in the different quarters of the place were extremely bad, because of the lack of sewerage. In reply to a query, he said he had been advised that foreigners in this city were being drilled, but he would not say whether the information he had received was correct. He believed, however, there are many smart men among the foreigners here, who have been officers in European armies and have taken refuge in this country. A large percentage of the male foreigners, he added, no doubt have had military training in their native lands, where a term of years in the army is compulsory. The ex-officers, the general said, have considerable influence over the others, and they were not to be trusted. He characterized the ex-officers as "adventurers and degenerate scions of noble sires."

Pulaski Denies Drill Stories.

Paul Pulaski, national organizer of the Mine Workers and vice president of district No. 9, who looks after the foreign members of the union came here today. He denied all the stories of secret drilling by the Poles and others. He said there is no secret organization within the miners' union. He admitted that the Poles and other who belong to beneficial societies keep up a form of military organization, but he said this was done only to keep alive the memory of their days at home. These organizations, he said,

can be found in most cities where there is any considerable number of foreigners. "The foreigners," he concluded, "think too much of the freedom they have in this country to turn guns against its government."

Mr. Pulaski came here today and addressed two large meetings of foreign speaking strikers in this city. There were from 1,500 to 2,000 men present. The men declared in meeting they would not return to work until the strike shall have been officially declared off. Mr. Pulaski said the men are in good financial condition and need no relief. He addressed another large meeting of foreigners in Mahanoy City this afternoon. There was a little disorder in Mahanoy City late last night. A junk vendor from Harrisburg who had been seen near a colliery was suspected of being a deputy and was set upon by a number of men. He escaped up the mountain and sought refuge with a colonel of Romanian Jews. Fearing an attack Isidor Lubinski, one of the Hebrews, dashed down the mountain over an unrequented road to get help from the Mahanoy City police.

JUDGE JACKSON'S DECISION AFFIRMED

The West Virginia Agitators Held for Contempt of Court Will Be Obligated to Serve Sentences.

By Exclusive Wire from The Associated Press.

Clarksburg, W. Va., Aug. 5.—Judge Coff this afternoon, in a lengthy opinion, affirmed the action of Judge Jackson and decided the habeas corpus case against the miners and agitators, and remanded them to the custody of the marshal and sheriff, and they will be removed to Parkersburg to serve the balance of their sentences. The judge said the only question was as to the jurisdiction and that the Guarantee Trust company of New York was entitled to a standing in court and it was not absolutely necessary for the coal company to be made a party to the suit. The decision is a great disappointment to the miners, and their counsel says that no other action can be taken for the present at least. Judge Coff read his decision from typewritten papers. He occupied twenty minutes in reading his decision, at the end of which he directed that an order be drawn remanding the prisoners to the Wood county jail. "Mother Jones" was an interested spectator in the audience and seemed to be disappointed at the decision. Marshal Elliott left tonight for Parkersburg with the prisoners, where they will enter the Wood county jail to serve the rest of the sentence imposed by Judge Jackson. At the depot, "Mother" Jones encouraged the martyrs, as she calls them. She said: "Our cause is God's cause and we will triumph in the end."

MINERS WANT MORE MONEY.

The Shamokin Men Not Satisfied with the Relief Funds.

Shamokin, Aug. 6.—The advisory board of the United Mine workers today addressed a mass meeting of local miners and requested them to be satisfied with the distribution of relief funds. The men are asking for more money than is now being distributed, claiming they cannot live on the sums given them. A large amount has already been paid out to the men here.

CLAMOR FOR RELIEF.

Committee of Mine Workers Solicit Subscriptions at Hazleton.

Hazleton, Aug. 6.—A committee of mine workers today visited the business men of this place to solicit subscriptions for the relief of needy families. The responses were few, however, those who appealed to claiming they were not making expenses. During the past few days the clamor for relief has increased, the contributions thus far being insufficient for the needs of the strikers' families.

TRAGEDY ON TRESTLE.

Five Young Women Are Over-taken by an Excursion Train. Two Killed.

By Exclusive Wire from The Associated Press.

Hopkinsville, Ky., Aug. 6.—An excursion train on the Illinois Central caught five young ladies on a high trestle bridge over a rushing spring this afternoon. Two were crushed to death, and the others jumped and were probably fatally injured. The dead are Miss J. Smith, Paducah, Ky., and Lucy Stevenson, Hickory Grove, Ky., and the injured are Miss Lenna Flint, Paducah, Ky.; Edith Stevenson, Hickory, Ky.; and Minnie Nichols, Haw. Ky. All were young women who were sojourning at the springs.

SUPPLY SCHOONER'S MISHAP.

Villemarie, Curacao, Aug. 6.—A schooner, which was carrying mauler rifles and ammunition to Maracaibo for President Castro, of Venezuela, was obliged to put into Puerto Cabello, Venezuela, in a sinking condition. Her mishap is reported to have been due to a plot on board of her. A despatch from Willemstad last night said that 4,000,000 cartridges and 1,000 mauler rifles had been received by President Castro last Saturday, and that half of these arms and ammunition were shipped to Maracaibo by schooner.

CHIEF ARTHUR DOES NOT ANTICIPATE TROUBLE

The Threatened Strike on Manhattan Road Will Be Averted.

By Exclusive Wire from The Associated Press.

Cleveland, Aug. 6.—Grand Chief P. M. Arthur, of the Brotherhood of Locomotive Engineers, said today concerning the threatened strike of the engineers on the Manhattan Elevated railroad in New York: "I have just returned from Canada and am not fully advised in regard to the situation. However, Assistant Grand Chief Youngson left for New York this afternoon and will be there tomorrow morning. I do not anticipate any trouble in adjusting the grievances of our men on the Manhattan. We have a contract with that company, made in 1885. I presume new conditions have been set up, but the company adopting electricity as a motive power. The Associated Press can say that there will be no strike if it can be possibly avoided."

BANDIT TRACY COMMITS SUICIDE

Shoots Himself When Hopelessly Surrounded—Eluded Posses for Two Months.

By Exclusive Wire from The Associated Press.

Spokane, Wash., Aug. 6.—Harry Tracy, the outlaw, who escaped from the Salem (Ore.) penitentiary two months ago, killed himself in a wheat field near Felleville at 4:30 o'clock this morning. He was surrounded by a posse. Word was brought to Creston late last night that Tracy was surrounded in a swamp near the Eddy farm, eleven miles southeast of Creston, Wash. A long-range rifle fight between Tracy and the posse of sixteen men, headed by Sheriff Gardner, was taking place. In the fight with the sheriff's posse Tracy was wounded in the right leg between the knee and thigh. Twenty minutes later, knowing that his capture was certain, he killed himself with a revolver. The body of the outlaw was found this morning. Tracy escaped from the Oregon State penitentiary at Salem on June 9 in company with David Merrill. They had killed four men, Frank W. Ferrell, G. R. T. Jones and B. F. Tiffany, guards, and Frank McArthur, a convict, who tried to prevent the flight. On June 28 Tracy killed Merrill near Napavine, Wash., shooting him from behind, and leaving his body in the forest, where it was found on July 15. On July 3, near Seattle, in a fight with a posse, Tracy shot and killed Charles Raymond, a deputy sheriff, E. E. Bresse, a policeman, and mortally wounded Neil Rowley, who died on the following day. Carl Anderson and Louie Zafrite, newspaper reporters, were wounded. During his flight Tracy eluded various posses which surrounded him and held up numerous farmers, whom he forced to furnish food and clothing. By threats of murdering their families he compelled them to cover up his tracks. Perhaps his greatest show of daring was displayed on July 2 at South Bay, Oregon, when he held up six men and forced four, including Captain Clark, of a large gasoline launch, to embark with him on Puget Sound and pilot him up stream for ten hours. In 1897 Tracy murdered Valentine Hoge, a Colorado cattleman, and William Strong, a boy, in the same state.

A total reward of \$5,000 was offered for the recapture of Tracy. Governor McBride, of Washington, offered \$2,500, dead or alive; the state of Oregon offered \$3,000, and a brother of one of the guards killed by Tracy offered \$100. The reward for Merrill's capture amounted to \$1,500, which has been claimed by Mrs. Waggoner, the berry picker, who, with her son, found the body near their home.

Dairy and Food Commissioner Cope Instructs His Agents to Secure Samples of Meats.

By Exclusive Wire from The Associated Press.

Harrisburg, Aug. 6.—Dairy and Food Commissioner Cope today sent the following note to all of the bureau's agents: "On April 2 a circular notice was given to the trade that all preserved or salted meats should be removed from the market by August 1. As that date has now arrived, I instruct you to proceed to make investigations and obtain samples from all meat dealers of salted, canned or fresh meats, regardless of who they are or represent, or their standing, and submit samples to the chemist for analysis. "As soon as results are known, you will be advised, as I am determined that the practice of the use of preservatives in meats, other than those enumerated in section 12, shall cease in this commonwealth."

FREIGHT MEETS WORK TRAIN.

Two Engineers and Seven Laborers Are Killed—Twenty Are Injured.

By Exclusive Wire from The Associated Press.

Marshalltown, Iowa, Aug. 6.—Two engineers and seven laborers were killed and about twenty other laborers were injured this afternoon in a collision on the Omaha division of the St. Paul railroad between a fast freight and a work train. Seventy-eight laborers were on the work train, going at full speed on a reverse curve. The names of the killed and injured have not been obtained. It appears that the work train started west without orders.

HANNA TALKS OF STRIKES

Gives His Experiences and Opinions in Address Before the Urbana Chautauqua.

By Exclusive Wire from The Associated Press.

Urbana, O., Aug. 6.—Senator M. A. Hanna addressed the Urbana Chautauqua today on the topic: "Labor and Its Relations to Capital." An audience of nearly 3,000 greeted him at the Tabernacle. His address was applauded frequently and vigorously. It was every question that moved was largely devoted to explanation of the origin, aims and accomplishments of the Civic Federation, of which he is the president. Senator Hanna said in part: Judge Warnock has told you that in my business life I had been connected with every question that moved was largely devoted to explanation of the origin, aims and accomplishments of the Civic Federation, of which he is the president.
