FIRST BLOOD FOR COMPANY

[Concluded from Page 3.] In no wise related. The defendant, some years ago, was employed by the plaintiff, and when discharged for alleged unfaithfulness, fruitlessly brought suit to recover on a contract under which he was engaged to work a certain term of years at \$5,000 a year. Out of this litigation grew a number of criminal cases, allegations being made that undue methods had been adopted in securing or preventing the presentation of evidence. These are still pending.

TRIFLING WITH YOUR HEALTH Is like Playing with a loaded Gun. If you have Kidney Trouble attend to it at once.

It is easy to tell whether your Kidneys or bladder are diseased. Take a bottle of glass tumbler and fill it with urine. If there is a sediment—a powder-like substance—after standing a day and night, if it is pale or discolored, rosy or stringy, there is something wrong with the Kidneys. Other sure signs of disease are a desire to urinate often, pain in the back, or if your urine stains linen. There is no question that Dr. David Kennedy's Favorite Remedy is the best and surest medicine in the world for diseases of the Kidneys, Liver, Bladder and Blood, Rheumatism, Dyspepsia, Chronic Constipation, and the sicknesses peculiar to women. It quickly relieves and cures inability to hold urine, and the necessity of getting up a number of times during the night, and puts an end to the scalding pain when passing urine. The Rev. Henry P. Miller, pastor Baptist Church, Spartanburg, S. C., writes: "For years I suffered with Kidney, liver and heart troubles, swimming in the sea, and unable to do any business of the limbs. Physicians prescribed for me and I took different medicines, but none of them did me any good. But Dr. David Kennedy's Favorite Remedy cured me in about two weeks. It is for sale by all druggists in the New 50 Cent Size and the regular \$1.00 size bottles—less than a cent a dose. Sample bottle—enough for trial, free by mail. Dr. David Kennedy Corporation, Rondout, N. Y. Dr. David Kennedy's Warm Syrup, most effective medicine of the kind known. 50c. Druggists.

Bidders will be furnished with proposal blanks at the said office of the borough engineer, and others will be supplied. GILLIGAN, Borough Secretary, 702 E. Drinker St., Dunmore, Pa.

ing the energy and money he has spent in making the name of Guernsey celebrated in these parts. In connection with the piano business, and the annoyance and losses he has been put to by reason of M. W. Guernsey taking advantage of the coincidence of names and character of business. Mrs. Bellamy, of this city, told of M. W. Guernsey having engaged her to find out a certain thing about J. W. Guernsey, telling her that he wanted the information for the purpose of ruling J. W. Guernsey. He told her, she says, that if he couldn't ruin J. W. Guernsey one way, he would do it another. Just before adjournment, the plaintiffs' attorneys gave notice that this morning they will move to amend the injunction bill by adding a clause alleging impersonation, a prayer that the defendant be enjoined from this.

New Suits Instituted.

Two more suits were started yesterday by Attorney A. A. Brass for South Side property holders, who may be damaged for injury done their property by the spring floods. W. A. McConnell and Michael Goughan are the plaintiffs. The former asks \$5,000, the latter, \$4,000. The defendants, as in the previous suits, are Wilkes-Barre and Scranton Railway company, the Scranton Steel company and the Delaware, Lackawanna and Western Railroad company. Richard B. Dickson, of this city, brought suit for \$50,000 damages against the Scranton Railway company, for personal injuries sustained in a street car collision on Adams avenue, June 1, 1901. Dunn & Dunn and I. H. Burns are the plaintiff's attorneys.

Not Yet Immune.

It is doubtful if Mark Twain has any difficulty nowadays in disposing of his stories, but it is evident from a recent remark that he has not grown out of sympathy with his struggling and less famous fellows in the literary field. The lady who tells the incident was talking with him on the disillusions of authorship. "And I even understand," said she, "that some of your authors compare you to the typewriter." "Partially," madame, replied Mark; "only partially," he replied. "But, on the other hand, I suppose that 'writer's cramp' is thus avoided," she added, practically. "Only not altogether," he demanded, puzzled at his aside. "It may be avoided in the wrist and fingers," Mark explained feelingly; "but we are all still subject to it in the stomach."—New York Times.
