Funeral of the late Mrs. Mary D. Wilmore. Michael Jordan Suffered a Paralytic Stroke—Other News Notes.

The funeral of the late Mrs. Mary D. Wilmore, who died Friday afternoon at the home of her daughter, Mrs. John S. Loucks, of West Mountain, was held yesterday afternoon. At 2 o'clock, the friends gathered at the family home, on Chestnut street, to pay their last tribute to the memory of a true friend and Christian. After brief services, the funeral cortege moved to the Washburn Street Presbyterian church, of which the deceased was an active member.

Rev. W. I. Stearns, D. D., of Danville, a former pastor of that church, had charge of the services and in the most loving terms referred to the exemplary Christian life and irreproachable character. The choir of the church, under the leadership of Prof. C. B. Derman, sweetly rendered "Saved by Grace," and "Some Time We'll Understand." The casket was buried beneath a wealth of beautiful flowers, sent by many friends and members of the afflicted family.

At the close of the services, the cortege moved to the Forest Hill cemetery, where the remains were laid to rest. The pall bearers were L. A. Stevens, T. J. Luce, Prof. E. A. Crutenden, R. J. Williams, Prof. D. A. Stone and E. P. Frotheroe.

With the Alumni.

The prospects of the Alumni football team for the coming season are much brighter than they have ever been, and Scranton may now rest assured of having a strong team on the gridiron this fall. Benjamin Eason, the manager of the team, has begun the work of sending out challenges, and the Alumni team expect to play against the teams from the Stroudsburg State Normal, Bloomsburg State Normal, Wyoming Seminary and Benwick. A strong effort will also be made to get the Cornell and Lafayette college scrubs here, the latter for Thanksgiving, if possible. Athletic park has been secured by the Alumni and all games will be played there. Captain Sanford Phillips has the personnel of the team.

The officers of the Alumni Athletic association's teams are: Base Ball—William Thomas, manager, and Robert Carson, captain. Bowling—George Herington, manager, and George Seal, captain. Track—Eugene Tropp, captain and manager. The Alumni Athletic association is an organization to promote athletics, and already over forty members have joined. To become a member the candidate must be an alumni

of some public school, and also be of good character. The association is a permanent organization and will soon have rooms suitable for meeting.

Hopes are entertained, however, of his ultimate recovery, as the stroke is not a very severe one.

Davis. Osteopathy

is based upon a thorough knowledge of the science of anatomy and physiology. Some of its theories are that if the body is anatomically perfect all of its parts in harmonious adjustment—all of the organs will perform their functions in a physiological or healthy manner. That "a natural flow of blood is health." That often the sub-luxation of a rib, the mal-position of a vertebrae, or the contraction of a muscle, interferes with the normal blood and nervous flow and thus produces disease. We hold that the correction of these abnormalities results in a permanent restoration to health. That our theories are correct is proven by results secured in the thousands of cases of Rheumatism, Paralysis, Asthma and Stomach, Liver, Nerve, Joint, Spinal and many other troubles cured after all other systems of treatment have failed.
