#### GREAT GAME OF

#### BASE BALL

Will Be Played Between the South Beranton Team and the "Pets" at and restaurants. Lake Lodore On August 30, at Silk Mill Excursion.

The committee having in charge the arrangements for the consolidated silk mill employes excursion to Lake Lodore on Saturday, August 30, is greatly elated over the enthusiasm which is being displayed by the mill hands and their friends. Eleven hundred free tickets have been distributed among the employes of the Empire Silk Weaving company and the Klots' Silk Throwing company, of this city, and the Klots' Silk Throwing company, of Scranton, for whose benefit the excursion will be conducted. The generosity of the companies in providing free tickets for such a large number of hands speaks most eloquently of their liberality. A great many tickets have already been disposed of to friends of the operatives and there is now no question as to the niccess of the undertaking. The committee confidently expects that it will be the largest excursion of the year to pretty Lake Lodore.

The day will be replete with features of interest. The Mozart band will accompany the excursionists and besides furnishing music for free dancing will render a concert during the day. Perhaps the most interesting event of the day will be the baseball game between the Carbondale Crescents and the South Side team of Scranton, On July 20, the Pets beat the Scrantonians in a twelve inning game by a score of 5 to 4 and last week the South Siders retaliated by defeating the Pets 6 to 5, The Lake Lodore game will therefore be the deciding one and as the previous games show the teams to be evenly matched it will no doubt be a very exciting contest. The excursion committee showed excellent judgment in securing this game as it will attract a large number of rooters to the park both from this city and Scranton. The winning team will receive a prize of

athletic events which will create a lot of amusement. There will be a 100 yard dash, a half mile race, jumping, pole vaulting, wheelbarrow, fat men's and three legged races. One of the funniest features will be the pig contest. Two pigs, after being thoroughly greased, will be set at liberty. The pigs will be given to the two persons who succeed in capturing them. This contest promises to furnish no end of excitement and fun.

The serving of refreshments will be let by contract but the committee will make the successful bidder furnish a guarantee to give proper service so no fear need be entertained on this feature of the outing.

#### Not Over-Wise.

There is an old allegorical picture of girl scared at a grass-hopper, but in the act of heedlessly treading on a snake. This is paralleled by the man who spends a large sum of money building a cyclone cellar, but neglects to provide his family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a safeguard against bowel complaints, whose victims outnumber those of the cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and re-liable medicine in use for these diseases. For sale by all druggists.

# IF YOU ARE SICK

And need medicine for your Kidneys, Liver, Bladder or Blood, get the Best.

Dr. David Kennedy's Favorite Remedy.

If you are suffering from kidney or bladder disease, the doctor asks: "Do you desire to urinate often, and are you compelled to get up frequently during the night? Does your back pain you? Does your urine stain linen? Is there a scalding pain in passing it, and is it difficult to hold the urine back? If so, your kidneys or bladder are diseased."

Try putting some of your urine in a glass tumbler, let it stand twenty-four hours. If there is a sediment, or a cloudy, milky appearance, your kidneys are sick. Dr. David Kennedy's Favorite Remedy will surely relieve and cure the most dis-tressing cases of these dread diseases, and no physician can prescribe a medicine that equals it for kidney, liver, bladder and blood diseases, rheumatism, dyspepsia and chronic constipation.
Walter D. Miller, of Delhi, N. Y.,

writes:
