THE SCRANTON TRIBUNE-WEDNESDAY, AUGUST 20, 1902.

IF YOU HAVE PAIN IN YOUR BACK

Tell You So.

Pain in the back is an almost infallible

sign of kidney disease; a surer sign is

the condition of your urine. If you have

a pain in the back, then look to the con-

dition of your urine. It is easily done.

Take a glass or tumbler and fill it with

urine; after it has stood 24 hours, if it

has a sediment, if it is milky or cloudy,

if it is pale or discolored, stringy or ropy,

your kidneys and bladder are in a dan-

gerous condition and need immediate at-

tention, or the consequences may prove

fatal. Dr. David Kennedy's Favorite

Remedy is the one medicine that really

cures all diseases of the kidneys, liver, bladder and blood, rheumatism, dyspep-

sia and chronic constipation, and it will

take you but a short trial to convince

yourself of its wonderful curative power.

Syracuse, N. Y., in a recent letter says:

severe pains in my back and kid-neys. I tried many doctors and many medicines, but got no relief. I bought a bottle of Dr. David Ken-

nedy's Favorite Remedy and it has

It is for sale by all druggists in the **New 50 Cont Size** and the regular \$1.00 size bottles—less than a cent a dose. Sample bottle—enough for trial, free by mail. Dr. David Kennedy Corporation, Rondout, N.Y.

yesterday.

MR. HISTED MARRIED.

Was Wedded to a Honesdale Lady in This City.

A very quiet wedding was celebrated Monday evening at 5 o'clock when Wil-liam Histed the popular D. & H. conductor and Miss Anna Stephens, of Honesdale, were united in the holy bonds of matrimony. The ceremony took place at the home of the groom where only the immediate friends and relatives of the contracting parties had assembled to witness the happy event. Rev. William H. Swift, of Honesdale,

was the officiating clergyman. After the service a bountiful supper was served. The wedding came as a surprise to the many friends of the groom who will join in extending congratulations to the happy couple. Mr. Histed is one of our best known citizens and enjoys the distinction of having been one of the most faithful and obliging conductors on the Delaware & Hudson for years past. The newly married couple left this morning on their wedding tour which will extend

as far as the national capital. They will be at home at 34 Wyoming street after Monday next.

Has Typhoid Fever. Mrs. William Thomas, of Williams avenue, is confined to her home with typhoid fever. While her condition is serious it is hoped she may recover. Sanitary Officer P. F. Moffitt, in order to safeguard the health of the other residents of that vicinity has ordered a general cleaning up. The householders have been asked to overhaul their cellars and in any other way possible place their premises in a state of cleanliness.

Letters Advertised.

List of letter remaining in the Carbondale postoffice, Aug 20, 1902, for persons unknown: William Allen, John Carpenter, John Grimes, Katle T. Clark, Loren Colwell, Thomas Heenan, Bert Robinson, Dr. O. D. Shaw, Uerlee Tunison, E. O. Wagner, Thomas Weldner, R. C. Williams, Mrs. Loretta Basket, (3); Mrs. Jennie Davis, Mrs. M. J. Hunt, Mrs. Lonie Welsh, Miss Myrtle Milham, Miss Lea Zaller.

J. H. Thomas, postmaster.

Going to Camp Meeting. A large number of people from this city will attend the Salem camp meeting this year. Among those who left for that place today were the following: Rev. and Mrs. A. F. Chaffee, presiding elder Warner and wife, Mr. and William and John Gilboy. The funeral Mrs. J. M. Nicol and son, Warren, Mr. and Mrs. Tilman Robinson, Mrs. Benscoter, Mrs. John Skinner and the Misses Sadie Miller, Lulu Foster, Aleva Muir and Miss Susle Munson, of Waymart.

Company Reunion.

J. M. Alexander left yesterday morning for Scranton, to attend the re-union of his former regiment, at Nay Aug park. It is forty years since the company was mustered in at Camp Curtin on Aug. 19. Mr. Alexander will After a wedding trip to New York and Atlantic City, the couple will reside conclude his address of a year ago, on the company's reminiscences which were published entire in the Pittston Gazette. He was accompanied by his grandson, Willard A. Hiller.

Do Not Be Deceived. You have Kidney Trouble, and You Do Not Need a Physician to Tell You So.

Scranton's Shopping Center

Two things regulate a store's prices. What it has to pay for goods, what it costs to sell them. Connolly & Wallace's saves you money at both ends.

The store grows more interesting every day. The new things come piling in as fast as the freight and express trains can bring them.

A Black Goods Special

50c yard for as good a 50-inch Cheviot Serge as we ever saw for 75c.

A good medium twill and strictly all wool. Only such an order as we gave this mill could bring you such sturdy stuff at any such price. It's heavy enough to tailor well, and an excellent black.

Webb's Fine Towels Dew Bleach Linen.

Dew hasn't anything to do with it—the linen is grass-bleached. "Dew-bleached" is simply a trade mark. But the towels are as soft and as fine as if they had been kissed by the dew. Only the best and softest flax is used. And every little detail of the making is closely watched. The threads look as if they had been mercerized—such a sheen have they.

It is good news to know that you can buy such fine towels at all. It is better news now that you can buy them a third under price. These are hemstitched, full size, all white, no colored borders, and the price is 25c each.

Fall Waistings, 20c Yard

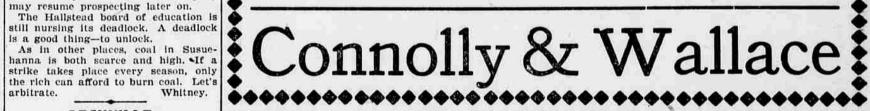

These are of cotton, in various colors, with a fancy silk stripe-they are soft and pretty for waists, dressing sacques and house gowns and look for all the world like the fine woolen goods at 75c yard.

New Comfortables

The cool nights have brought them out a little earlier than usual.

Comforts of Silkoline, filled 95c Each with pure white cotton, as light, soft and fluffy as a down-these are 72x72 inches, one side figured, the other plain color, Hotels, boarding houses and institutions supplied.

Comforts of finer Silk-\$1.25 Each Comforts of finer Silk-oline, size 72x78 inches, and with more filling than the 95c grade-these are also filled with white cotton, and are the cleanest, prettiest goods ever offered for the price.

HIT A SOLDIER.

The Experience of One of Our Men.

The soldier boys who fought during the Rebellion went home as a rule in pretty bad shape, caused by exposure and improper food and the use of quantitles of coffee which left its mark in the wreck of many a stomach. Merrill Hutchinson of Reading, Mass., tells his experience.

and the war of the Rebellion and my coffee drinking commenced when enlisted. I drank it three times a day and at the close of the war returned home almost a wreck.

For years 1 had dyspepsia of the worst kind and could not drink any-thing but warm water or warm_milk, nor eat enough to hardly keep a man alive. After suffering this way for years, and half living, I was told by a friend of your Postum Coffee.

At first I refused to even try it for 1 thought it meant more suffering for me, but at tast I consented and it did taste mighty good, for I was a dear lover of coffee.

I waited for the distress in my stom-ach that always had come with com-mon coffee, but it never came. I drank it at first very carefully and then got reckless and wanted it every meal and for over five years now have been drinking nothing else. I have no dys-pepsia now, no trouble about eating anything. My weight, when I began using Postum Cereal Food Coffee, was at Wilkes-Barre. 125 pounds. I am now 62 years old and weigh about 160 pounds and am and weigh about 100 points and am solid as a rock and able to do a day's work with any of the boys. Now I do not claim that Postum Cereal is a medicine but in my own case it is both victuals and drink. I think that when Costum Coffee is promarily made it to ternoon, the Jermyn battery will be Hunter and Stocker, and Tallet and Mendelson will represent Mayfield. The Postum Coffee is properly made it is far ahead of coffee."

AND NOW DEVOLUTION.

The Reversibility of Life Occupying the Attention of Scientists. 'rom Harper's Weekly.

In the last of his lectures at Columbia university, Professor Loeb took up the interesting question of the reversibility of life-that is, whether the process of Rev. M. S. Godshall spent several growth could be reversed, and a plant

days last week at Wyoming camp or animal led back to the seed or germ cell from which it sprang, Chemists of course, regard life nowadays simply he pulpit at the Baptist church last as a very complete series of chemical

reactions, which will be one day reproducible in the test-tube of a laboratory. Formerly, chemists were wont to divide all chemical reactions into those are visiting relatives here. Mrs. divide all chemical reactions into those George was a former resident of this which are reversible-that is, that can

be conducted in either direction-and those which are not. Life was set down as an irreversible reaction. It dog can go on only in one direction, which we call growth, but which seems merely a release of energy, ending in a condition of equilibrium which we call death. Later researches, however, seem to make it clear that all chemical reactions are reversible. For example, the carbon of coal combines with the oxygen of the air to form carbonic-acid chemical phenomena, are reversiblemarked a new epoch in the scientific
