KIDNEY DISEASE CURED.

Irvin Gearhart, 2006 Smith Place, Mr. Fred Rentschler, 351 Elm St .: 'For a number of years I had been alling with what the doctors called kidney trouble. There were pains across the 'small of my back which would at times extend around in front down toward the groin. My appetite was poor, I grew weak, nerv-

ous and could not sleep the night through. I treated with doctors here, in New York and elsewhere, but they did not cure me. It was in the early part of May that I began with Doctor Byers treatment; I improved right along until was completely cured. I never felt better in my life than I do now."

corner Jadwin street, a well-knowl carpenter and citizen, says: "I don't know how I can express in words sufficient praise for Doctor Byers' treatment. I had been troubled a year with pains that often kept me from work. Last August I was laid up three weeks and nearly all of January and the whole of February. The pains seemed to come through the small of my back down into the left groin.' At times they were so severe I could neither lie or sit down. I was also troubled greatly with my head. Dr. Byers' treatment has cured me of all these distressing conditions."

FIERY SKIN DISEASE.

FIERY SKIN DISEASE. Mrs. Samuel Brokenshire, Jermyn, Part of over ten years I suffered the most agonizing pain from eczema. Both legs were entirely raw from the kneese down to the feet. They itched and burnt so I had to sit and fan my legs to keep them cool. Had to hay at night with my legs on a pillow. Had spasms as the re-sult of the pain, coming on every twenty minutes. My friends expected me to de in every spasm. All doctors gave me up; said it was impossible to cure me of ven for me to live. Reading about Doe-tor Byers my husband decided to try him as a last resort. His treatment acted like magic, the pains and itching have on more spasms, am able to do my house-work, and the legs are almost healed up. 1 feel that Doctor Byers has saved my life."

DISEASE OF BOWELS.

UISCASC UP BUWELS. Mrs. Barbara Dickson, Parkes street, Providence: "I had chronic diar-rhoea for fourteen years, which caused violent bearing down and dragging pains in my abdomen and ioins. My bowels were often moved as high as seven times in one day. The straining finally brought about severe protruding piles. These caused me much misery. When I went to Doctor Byers' office I was so weak from my suffering that I could hardly drag myself along. The first treatment he gave me drove all the mains out of my hips and legs. My bowels now movo censed troubling me. God bless the good Quaker doctor for what he has done for me."

HER GREAT SUFFERING.

ACR GALAI SUFFERING. Mrs. M. Queeenie, Avoca, Pa.: "I had been troubled with pain in the small of my back for 15 years; was confined to my bed for two months this winter, the pain at times being so severe it made me scream. I had such a queer feeling in my head and would take such dizzy spells I was afraid to go any place without taking some one with me. My stomach also troubled me so I could not eat any-thing without great distress. Doctor By-ers' treatment has relieved me of all these distressing symptoms and I want to recommend this good Quaker doctor, who is so kind and sympathetic with all his skill."

CURING EAR DISEASES.

Wm. Sutton, molder, residing at Banksville, Pa., says: "I had been troubled 15 years with a discharge from my left ear, with loss of hearing, pain and distressing noises. My ear was moro like a machine shop than anything else, as it kept up a continual rouring. Dr, Byers has stopped the discharge, re-stored the hearing and rid me of the dis-tressing noises."

More Strike Troubles.

The office of Alderman Lentes was crowded last night with union men, and non-union men and their friends, who have for some time been at loggerheads as a result of the miners' strike. It appears that a few days ago Paul

Nickel had Anthony Wentline and An-thony Stryjek arrested for annoying him while on the way to work. They were given a hearing before Alderman Ruddy and held for court in \$500 bail.

Last evening Wentline and Stryjek appeared against Nickel, who had been ar-rested earlier in the day on charges of perjury in connection with the above case. They had a crowd of witnesses present who all testified that both men were in another place when the alleged acts were committed, and that Nickel committed perjury in saying they were present. He was held for court in \$200 bail in each case, and in default of security was committed to the county jail.
