Col. Wm. J. Harvey, a president of Wilkesbarre's city council, who will long be remembered for his great work for the city, was once a mere physical wreck, torn in every muscle and nerve from the frightful pains caused by rheumatism. He consulted the best physicians, went abroad, took mud baths, and almost every known treatment for the disease, A friend had had a very similar experience and Dr. David Kennedy's Favorite Remedy had cured him, so he recommended this great kidney medicine to Col. Harvey and he is to-day a well man, hale and hearty. He writes straight to the point:

DR. DAVID KENNEDY,
