

PUBLIC WOMEN

And public Speakers everywhere are very often troubled with a cough or some throat irritation which may lead to graver complications later on. A cough neglected may pave the way for the germs of consumption to enter the weakened system. There is no better preventive against this dread disease nor more certain medicine to cure a cough and at the same time to act as a sustaining tonic to build up the entire system than Dr. Pierce's Golden Medical Discovery, which purifies and enriches the blood. It increases the activity of the blood-making process, so that the body is abundantly supplied with the red corpuscles of health.

A prominent woman, who is very favorably known as an elocutionist, gives the following testimony:

DR. R. V. PIERCE, Buffalo, N. Y.:

Dear Sir-I had a swollen gland in my neck which the doctor called Goitre. I had an opera-tion performed which destroyed the goitre but left me with a cough and throat trouble. I have taken several bottles of your "Golden Medical Discovery," and find that it has helped me wonderfully. Doctors told me that I had consumption,

but I have no trace of that horrible disease to-day, and owe my present health to your valuable medicine. MRS. MAY STENOCK, Elocutionist,
